GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following paper:—

G.O., Mis. No. 650, Financial, dated 1st June 1899.

Read—the following letter from H. BRADLEY, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 26th May 1899, Ref. No. 2953:—

With reference to Notification No. 407, Public, at page 974 of the *Fort St. George Gazette* of the 11th August 1896, I have the honour to enquire whether it is the wish of Government that the use of tags should be extended to office files as it is clear from the demands for them that at present it is not restricted to communications to Government. The present price of ordinary tags is Rs. 3 per 1,000 and of white and coloured twisted thread As. 8-9 and As. 10-6 per lb., respectively.

Order—Mis. No. 650, Financial, dated 1st June 1899.

It will be pointed out to the Superintendent of Stationery that the use of tags in current office files, whilst files are under disposal, is of great convenience and that there is no desire to restrict their use in the case of the larger offices in the Presidency to communications to Government.

The Superintendent will be requested to furnish a list of offices in which the use of tags for all purposes should, on these lines, be permitted.

Item 5. Deputy Commissioners of Salt being almost on an equality with collectors as for charges and having large files to deal with should be included.

The supply of tags to the Dy. Commissioners of salt may be disallowed, but the Supdt. of Stamps is also the Collector of Madras, and if he may use tags in the latter capacity, it is not evident why he should not use them in the former.
