Mis. No. 2823

Read letter from W.H. Dawson Esquire, Officiating Accountant-General, No.G 339/2270, dated 3rd June 1899, requesting the Board, in case it should decline to reconsider its decision, to obtain the orders of Government in the matter of the sanction accorded by it in its Proceedings Mis.No.1050, dated 13th March 1899.

Resolution:-

In the beginning of February last, the Deputy Commissioner, Central Division, proceeded on tour to the Merkanam and Cuddalore Circles and returned to Madras from Cuddalore on the 19th idem in view to conducting sales of arrack, ganja and opium shops of the Madras Town Circle which were held on the 21st of that month and three following days. For this purpose ^{and} for inspection work he had to convey his horses by rail and the cost of the conveyance of the animals was sanctioned by the Board as a charge against the State. The Accountant-General pointed out to the Board in March last that the sanction accorded by it appeared to be contrary to the orders of the Government of India conveyed in its letter No.195, S.R, dated 14th January 1899, and requested it to reconsider its order. He was informed that the Board's sanction did not appear to need reconsideration as the Deputy Commissioner, immediately on his arrival at Madras, had inspection work to do in the Madras Town Circle which is under his direct control. In the letter read above the Accountant-General invites the attention of the Board to the Government of India's letter No.1603 Ex, dated
