Permanent advances of Rs. 150 from Local funds and Rs. 25 from Provincial have been allowed to the Chief Medical officer on plague duty at Jalarpet the former to enable him to purchase rations for the plague patients and the passengers detained for observation, to meet the funeral charges and the like hitherto debited to Local Funds and the latter to meet office contingencies chargeable to Provincial. Now that all charges connected with the Inspection Stations and the Camp have been provincialized the advance made from Local Funds has to be repaid. I have the honor to request that in lieu thereof a permanent advance of

10/10/99

Rs. 150 may be sanctioned from Provincial funds. This is necessary.
