To

The Chief Secretary to the Government of Madras,
Financial Department.

Sir,

I am directed to acknowledge the receipt of your letter
M No 604, dated the 15th May 1899, regarding the adjustment of the
duty levied on rum supplied to troops by the Commissariat
Department. The receipts are at present credited to "V Excise"
in the Military Accounts, and it is suggested by the Govern-
ment of Madras that they should appear in the Civil
Accounts also.

2. In reply I am to say that there will be no objection
to the Madras Government showing these excise receipts in
any Excise Reports or Administrative returns of the Province
in which they may wish to exhibit them, and the Controller
of Military Accounts, Madras Command, will be instructed
to furnish the Government of Madras as soon after the
close of each year as he conveniently can with an
annual statement showing the amount of Excise receipts
during the previous official year at stations within the

Note in the CS

Please see the Financial Department note stitched with G.O. No.1499 Rev.,d/22nd April last. It was there stated that there was no objection to the Govt.of India being addressed in view to the excise duty on rum supplied to the troops by the Commissariat Department, which under present orders are credited in the Commissariat and Military accounts to V EXCESS, being correctly shown in the Civil Accounts under the same head. In Accordingly, latter No.804, dated 15th May 1899, was addressed and it was represented to the G. of I. that

[illegible] that the Controller of Military Accounts has stated that he was not aware of any order under which the Civil Department should take credit for the revenue, but it was urged that His Excellency the Governor in Council that this duty should appear [illegible] in the Civil Accounts also. The current read above is the reply from the Govt.of India. The request made by this Govt.appears to have been misapprehended, as the Govt. of India states that there will be no objection to these Excise receipts being shown in any Excise reports or administrative returns of the Province in which it is desired to exhibit them; and

and it adds that the Controller of Military Accounts, Madras Command, will be instructed to furnish this Govt., as soon after the close of each year as he conveniently can, with ~~out~~ an annual statement showing the amount of excise receipts during the previous official year at stations within the Civil Administration of this Government. What this Govt. desired to secure was the correct classification of these receipts, which at present are shown under V EXCISE in the Military Accounts, but which [redacted] should properly be credited to the same head in the Civil Accounts. It is submitted that the [redacted] file may be laid before Revenue, for remarks, if any.

Sir,

In acknowledging the receipt of your letter No. 2439 dt. 16.6.99. I am directed to state that in suggesting the exhibition in the civil accounts also of the duty levied on rum supplied to troops, the object of this Govt was not to obtain any information ~~on~~ as to the amount of receipts for administrative purposes, but to obtain the credit of a fourth of the receipts for the benefit of the Provincial Revenue.

2. I am to request that, if the Govt of India sees no objection, orders may be issued accordingly
