No. D.P.1-2 dated Madras, the 24th July, 1899.

16078

Sir,

I have the honor to forward herewith for sanction of Government a Proposition Statement in duplicate for the entertainment of two District Post Runners on the mail line between Perambalur and Krishnapuram in the District of Trichinopoly at Rs.5/- each, involves an expenditure of Rs.10/- per mensem.

2. Krishnapuram, an important Postal Station in the Trichinopoly District, is the northern terminus of that District on the mail line from Atur (Salem District)

to Perambalur,(Trichinopoly District),
a distance of 33 miles. One section
of the line, viz: from Atur to
Krishnapuram covering a distance of
21 miles in the Salem District is
worked by four District Post Runners,
while over the other section from
Krishnapuram to Perambalur, 12 miles
in length which lies in the Trichinopoly
District, no runners are employed,
the exchange of mails being effected
on alternate days by the Village
Postmen of the Krishnapuram and

Perambalur offices, in addition to
their legitimate delivery work. Under
this arrangement, some of the stations
on the line are served only on alter-
-nate days, while others enjoy a daily
service. With a view to remove this
inequality, it is proposed to connect
the portion between Krishnapuram and
Perambalur by a District Post line with
2 runners when a daily service can be
arranged at all the places on the line
between Atur and Perambalur.

3. The expenditure proposed, viz:
Rs.10/- per mensem or Rs.120/- per
annum may be met from the District Post
Grant for the current official year
1899-1900 (vide statement appended to
my No: 14192 dated 13th July /99), and

I beg that Government will be pleased

to sanction the measure with effect

from 1st August 1899.

Sir,

I have the honor to submit for sanction of Government a Proposition Statement in duplicate for opening a District Post Branch Post Office at Timmanayanipetta, a village in the Koilkuntla Taluq, Kurnool District, involving an expenditure of Rs.11/- per mensem as shown on the margin.

2. Timmanayanipettah is the commercial centre of the Koilkuntla Taluq with a population of 2000,-------- consisting chiefly of merchants who

transact business with the other parts of the District, as well as with the surrounding districts of Cuddapah, Anantapur, Bellary etc:. It contains a Police Station house and a Local Fund School and is frequently the halting station of the officials of the Police, Revenue , Salt and Abkari Departments.

3. Under the existing arrangements, the village has but a weekly service by a Village Postman attached to the Owk Post Office.

4. Being situated at a considerable distance from other Post Offices, viz: 15 miles South of Owk, 20 miles from Koilkuntla and Tadpatri respectively, the village of Timmanayanipett occupies an isolated position from a postal point of view, and the residents have represented the inconvenience they are put to by the delay in the disposal of their correspondence. The Divisional Superintendent of Post Offices in recommending the proposal states that " the opening of a Post Office at the village is absolutely necessary in the interests of the public as well as of the officials of the District. If the office is opened,it will certainly prove remunerative ".

5. The expenditure proposed viz: Rs.11/- per mensem or Rs.132/-per annum will be met from the savings of the District Post Grant for the current official year 1899-1900 (vide statement attached) and I beg that the Government will be pleased to accord sanction to the measure with effect from 1st August 1899.

2. (a) Narayanapatnam is an important village in the Parvatipur Taluq in the Vizagapatam District, with a population of 1804, most of whom are merchants.

19

The village contains a Police Station,
a Government Primary School and the
Office of Ameen of the Maharajah of
Jeypore. The officials in charge of these
institutions as well as their staff
who have regular correspondence
with their respective Departmental
Superiors at Parvatipur and other
places, are put to considerable
inconvenience for want of a Post
Office in the locality. Difficulty
is also experienced in the matter of
their correspondence by the unofficial

residents of Narayanapatnam as well as
by the officials of the Revenue,
Educational and Police Departments who
visit the place periodically. At -----
present, Narayanapatnam enjoys only a
weekly service by a Village Postman of
Parvatipur. A regular Post Office there
will confer increased postal facilities
not only on the local residents
(official and private), but also on
the inhabitants of the surrounding 25
villages which cover an area of 10 Sq:

(b) Kothakota is a village of
equal importance to Narsapatnam

a population of 6000. There are also 20 villages in the neighbourhood of Kothakota, covering an area of 7 Sq: miles with a population of 32500. It is situated on the road from Narsapatnam to Waddadi and has in it a Police Station, a Local Fund School and a Sannaddar's Cutcherry of the Maharajah of Vizianagram. It is also a halting station for both European and Native officials of Government and the Vizianagram Samastanam. A weekly service is all that is now available for the local public and this obviously is wholly inadequate for the require-ments of the place. It is, therefore, proposed to establish a District Post Branch Office at Kothakota on the

(c) Malkanagiri is a station of same importance in the Jeypore Agency where there is already an Imperial Branch Post Office with a village Post-man to do the delivery work. His beat extends over 96 miles in length and 67 miles in breadth and consists of 50 villages, all situated, in dense forests and at long distances from one another. He is consequently seldom able to serve all the villages once a week, the result being that delivery of letters is greatly delayed, and complaints have been frequently received of such delay from itinerating District officials.

In order to remedy this defect, the employment of a District Post Village Postman on Rs.8/- is absolutely necessary.

SIR,

I have the honor to submit herewith for sanction of Government a Proposition Statement in duplicate for the opening of two District Post Branch Post offices at Matrapalli and Maharajakadai in the District of Salem, with the Establishments noted on the margin, involving an ex-penditure of Rs 16 per mensem.

2. Matrapalli and Maharajakadai are two important villages the former 6 miles from Tirupatur, its Taluq head quarters and the latter 7 miles from the Taluq head quarters at Krishnagiri. Department residing in it, and is periodically visited by the officials of the District. A bi-weekly Postal service is all that is extended to these villages at present which by no means adequately meets the require-ments of the officials and other residents. It would therefore be an advantage to open small Branch offices at these places on the scale shewn in the Proposition Statement.

3. The expenditure now proposed, viz, Rs 16 per mensem or Rs 192 per annum may be met from the savings of the District Post Grant for the current official year 1899-1900 (vide statement attached to my No 14192 dated 15th July 1899) and I beg that Government will be pleased to sanction the measures with effect from 1st August 1899.

SIR,

I have the honor to submit here-with a Proposition Statement in duplicate for strengthening the Branch Post Office at Maduvannur, involving an additional cost of Rs.12/- per mensem.

2. Maduvannur is an important station in the Malabar District. A District Post Branch Post Office was opened there on the 1st November /95 under the sanction conveyed in G.O. No: 533 dated 19th July /95, the establishment consisting of only a Runner on Rs.6/-

30

a month who carries mails to and from Quilandy.

3. The local Sub Registrar who has been the honorary Branch Post-master Naduvannur now represents his inability to cope with the onerous duties of the two Departments with-out detriment to either service, and further observes that unless and until the office is made a delivery office for a fixed number of amshams in the neighbourhood with a Village Postman to serve

31

the places there is not the remotest probability of correspondence being developed. The Registrar of Telli-cherry has also urged the necessity of relieving the Sub Registrar of his Postal duties.

4. It is, therefore, proposed to place this Branch Post Office in charge of an Extra Departmental Agent on an allowance of Rs.5/- and to employ a Village Postman on Rs.7/- per mensem.

5. The additional expenditure pro-posed, viz: Rs.12/- per mensem or Rs.144/- per annum will be met from the savings of the District Post Grant

SIR,

I have the honor to submit for sanction of Government a Proposition Statement in duplicate for the entertainment of the marginally mentioned additional District Post Establishments in the District of Kistna, involving an expenditure of Rs.29/- per month.

2. (a) Pedakurapadu is an important village 10 miles from the Taluq head quarters at Sattenapalli, with a population of 3264 and a number of villages around covering an area of 9054 acres.

36

It is the seat of an Abkari Depot, a Police Station and the Head Quarters of a Revenue Inspector and is often visited by the Tahsildar of Sattenapalle and other officials of the District. Pedakurapadu and the adjoining villages are at present served tri--weekly by the Village Postman of the Imperial Post Office at Phiranjipuram. The Revenue Inspector complains that in the absence of a Post Office in any village in his firka, covers addressed to him and other residents are subjected

37

to great delay, and, at his instance, the Collector, Sub Collector and the Tahsildar of Sattenapalle have urged the desirability of opening a District Post Branch Post Office at Pedakurapadu.

(b) Avanigudda is another important place in the District and although there is an Imperial Branch Post Office there, it is of little use to the villages in its vicinity, there being no Village Postman to serve them. At present these villages are visited by a Village Postman of the Kodur Post Office, but, since the opening of a Light house at Gollalamada, 16 miles from that office, he has not been regular in his visits to Avanigudda

38

having to make a special delivery to the staff attached to the said Light house. Correspondence to Avani-gudda and its neighbourhood is, in consequence, subjected to delay and this has formed the subject of complaints. The employment of a District Post Village Postman now recommended would remove all cause for such delays.

(c) Macherla is another station in the District of some importance. There is an Imperial Branch Post Office here with a Village Postman who serves both the cusbah and the villages around. As he has a very extensive area to traverse, he can hardly

39

discharge his duties to the satisfaction of the village populace and the District Officials happening to visit the villages in their periodical tours of inspection. It is, therefore,------- desirable to employ a District Post Village Postman at Avanagudda with a view to afford relief to the Imperial Village Postman and thus accelerate the disposal of correspondence.

3. The expenditure now proposed,viz: Rs.29/- per mensem or Rs.348/-per annum, may be met from the District Post Grant for the current official year 1899-1900 (vide statement which accompanied my No: 14192 dated 13-7-/99) and I beg that Government will be
