Contingent Bill for Rs. 5-5- has been
passed for payment.

The budget allotment for the current
year is Rs 265- and not Rs 290 as entered
at foot note of the bill. It is therefore
requested that the correct allotment may be
noted in future bills.

THE REGISTRAR OF THE DIOCESE OF MADRAS,

The Chief Secretary
to Government,
Ootacamund.

SIR,

I had the honor on the 12th January 1899 to address you (by my letter No. 287) on the subject of the reduction by Rs. 10- of the amount allowed to this office for "Contingent charges" for the official year 1898-99, and upon such letter Government was pleased by its Order No. 289 dated 23rd February 1899 to sanction an additional allotment of Rs. 10- for the current year.

2. I have now received from the Accountant General the audit slip of which I enclose a true copy for your information, from which it appears that the contingent allotment has been still further reduced for 1899-1900 to Rs. 265.

The work of this office has increased of late years and I found it necessary to apply for the increase of the allowance of Rs. 200- to one of Rs. 300- by my letter of 10th February 1893 which

which was sanctioned. Since that date the expenditure each year has come up to the Rs. 300, vizt.

I have therefore the honor to request that the allotment for the current year may be restored from Rs. 265 to Rs. 300.

It is submitted that it is now too late to alter the existing grant and the Registrar may therefore be told to come up to Govt. later on in the year for any additional allotment that may be required. But why should the Registrar break rules? The Contingencies grant is apparently that from the Contingency grant under 23 A Ecclesiastical. This is under the control of the Bishop (at present under the Archdeacon who is in charge of the Diocese). The Archdeacon may be able to re-appropriate the money than should come under this head under the A.G. (under the rules) Put up a draft G.O. pointing out all the facts.
