CURRENT NO. 2639

No. T. 109 Rel / 2951

Fort St. George
Accountant-General's Office,
19th June 1899.

Forwarded to Government:

2. The pay and travelling allowance of the Medical Subordinates employed during the absence of the apothecary should be borne by Provincial Revenues under G.O. No: 598 L Mis dated 27th March 1896 although they are local fund servants, as the Municipality of Ongole pays a contribution to "Provincial" Funds for the maintenance of the Reserve Medical Staff.

3. The bill for the claim will have to be counter-signed by the Surgeon General as required by G.O. No: 1481 L dated 17th August 1896.

Letter No 2639

Note.

The municipality of Ongole, claims the refund from Provincial funds of a sum of Rs 67-12-9 paid by it towards the pay and travelling allowances of Hospital Assistants appointed between the years 1890 and 1897 to do duty in the Municipal Hospital during the absence of the Civil Apothecary to give evidence in criminal courts. The claim is based on the ruling in G.O. No 548. Mn. dated 13th April 1891 and which ruling is defined under paragraph I (2) of G.O. No 1481. L dated 17th August 1896

2. The Surgeon General seems to be of opinion that the claim is not admissible on two grounds, viz.

(1) that G.O. No 548. Mn. dated

dated 13th April 1891, relied on by the Municipality, appears to refer to Government Medical subordinates lent to local bodies, whereas the subordinates in the present case are purely Local Fund Servants, and

(2) that ~~they~~ the subordinates do not fulfil the conditions laid down in the G.O. (evidently meaning that the acting appointments were not made by him).

3. As regards the first objection, ~~pointed out~~ that by the Asst General under C. fo. No 598 L dated 27th March K 1896, the pay and travelling allowance of Medical subordinates employed during the absence of the Civil Apothecary should be borne by Provincial irrespective of the fact that they are all Local Fund Servants, in as much as the Municipality of Ongole pays a contribution to Provincial for the maintenance of the Medical staff and the Municipality has a right to a substitute in the absence of the Civil Apothecary.

4. Such being the case, the second objection is not of much moment ~~and the Secretary General should be asked if he will countersign the issue of the claim, which the Asst General is prepared to submit on his countersigning it~~ Draft order is sent.
