Additional Allotment.

Sanctioning, with remark, an — of Rs. 5,000 for the School of Arts for certain work in connection with the forthcoming Paris Exhibition.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From W. D. PORTERFIELD, Esq., Superintendent, School of Arts, Madras, to the Director of Public Instruction, dated 5th July 1899, No. 1531.

I have the honour to state that in connection with the design and construction of a large show-case for the coming Paris Exhibition we have to spend a considerable amount of money in purchasing materials and in engaging special workmen to execute the work. The allotment of Rs. 4,000 under each of the heads "wages" and "materials" is hardly sufficient to meet the current year's ordinary expenditure. In these circumstances, I beg to request you will be good enough to sanction an additional allotment of Rs. 5,000 for this special work. Out of this, Rs. 2,000 will be spent for materials and the balance for labour. In anticipation of sanction, I have made arrangements for purchasing the required material out of the allotment already sanctioned for the school under this head.

No. 7629.

Submitted to Government for favour of sanctioning a special allotment, as no savings are available out of the educational budget grant for the current year to meet this unforeseen expenditure.

11th July 1899.

Director of Public Instruction.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th August 1899, C.B.D. No. 399.

I have the honour to confirm the following telegram sent to you this day:—

"Your telegram 503 of yesterday. Reference regarding additional allotment, School of Arts, despatched yesterday."

Bud. No. 530/5451.

Retransmitted to the Chief Secretary to Government, Financial Department, together with a re-appropriation statement which has been obtained from the Superintendent, School of Arts. The amount can be sanctioned from the grant of

Rs. 1,00,000 under 26-O. *Scientific, &c., Departments—Miscellaneous* for the manufacture of aluminium ware. Compared with the proportionate grant for the first quarter, there is a saving of Rs. 8,000.
