FOR ORDERS.

In Government of India Finance and Commerce Department Resolution No. 4936-Ex., dated 8th November 1897, it was decided that exchange compensation allowance may be admitted to any European, not being a Statutory Native, who has been or might hereafter be appointed to the offices of Assistant District Superintendent of Police and District Superintendent of Police direct (*i.e.*, not by promotion from the subordinate grades), and whom the Local Government may consider to have been appointed as a European.

G.O., No. 973, Financial, dated 23rd November 1897.

2. In paragraph 21 of Finance and Commerce Department Resolution No. 4847-Ex., dated 5th November 1898, it was decided that the class of "Gentlemen Inspectors" in the Police department should be admitted to exchange compensation allowance as also officers who may have been specially appointed as Inspectors for a time only in pursuance of a system of recruitment for Assistant Superintendencies, or pending the occurrence of a vacancy.

G.O., No. 1081, Financial, dated 19th November 1898, page 7.

3. The officers whose claims to exchange compensation allowance arise in the present papers are those mentioned in list B (Nos. 38—80) on page 6 of G.O., Nos. 482, 483, Financial, dated 26th May 1898. Of these officers, No. 49 Mr. Egan and No. 51 Mr. Fullerton have retired and No. 67 Mr. Scott is dead. The Inspector-General of Police in the current reports that all the remaining officers in the list are not Statutory Natives of India. Assuming this to be the case the claims of the following officers appear to be admissible under the ruling quoted in paragraph 1 *supra*:—

must be of [illegible] have certified [illegible] of

G.O., Mis. No. 546, Financial, dated 24th April 1899.

Read—the following letter from H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 7th March 1899, No. 969:—

With reference to memorandum from the Financial Department, No. 371, dated 4th February 1899, communicated in G.O., R. No. 258, Judicial, dated 20th February 1899, I have the honour to state that the officers mentioned in the list on page 6 of the appendix to G.O., No. 482, Financial, dated 26th May 1898, are not Statutory Natives of India and are therefore entitled to exchange compensation allowance.

2. Messrs. Egan and Fullerton have since retired. Mr. S. P. C. Scott died on the 20th July 1898.

3. Mr. Hewetson was appointed directly to the office of Assistant Superintendent of Police.

4. Messrs. W. J. A. Sullivan, Young, Thomas (T. E.), Boyd, Agar, Arbuthnott, Lushington, Sweet, Travers and Robertson were appointed to act as Assistant Superintendent of Police directly, but, in consideration of the long acting service, they were granted a lien on the appointments of Head Constables or Inspectors in view to the acting service being counted towards pension. I consider they are entitled to the compensation allowance.

5. Messrs. Stevenson, Meredith, Fawcett, Smith, Baudry and Sullivan (H. E.) were appointed as Inspectors for a time. Their claim to the allowance is, I consider, admissible under rule 21 of the Government of India Resolution recorded in G.O., No. 1081, Financial, dated 19th November 1898.

Messrs. Carmichael, Lindsay, Mullaly, Hasted (J. E. H.), Macartney, Stuart, Hunt, Thomas (P. B.), Mainwaring, Dene, Lonsdale, Powell, Bidie, Armitage, Lane, Hannyngton, Pelly, Wilkinson and Cardozo were appointed as Gentlemen Inspectors or Probationers by His Excellency the Governor. Their claim is admissible under rule 21 of the Government of India Resolution above quoted.

6. Messrs. Wilkieson and Clogstoun entered the Salt Department as Inspector and Assistant Inspector, respectively, and were transferred to the Police as Inspectors. I am of opinion that their claim is admissible under the note on page 7 of the appendix to G.O., No. 482, Financial, dated 26th May 1898, above quoted, regarding officers of the Salt and Abkári Department and rules 21 and 25 of the Government of India Resolution also above quoted.

7. Mr. Bagshawe joined the service as Probationary Assistant Superintendent of Revenue Survey and was transferred to the Police as Probationary Assistant Superintendent. Under the note on page 7 of the appendix to the Government Order and rule 31 of the Government of India Resolution above quoted in regard to officers of the Survey Department, I consider his claim also admissible.

8. Mr. Stoddart's first appointment was supernumerary Mail Officer, Marine Postal Service, and he joined the Police as Acting Assistant Superintendent. I consider his case is not one of promotion from the subordinate grade and that his claim to the allowance should be admitted.

Order—Mis. No. 546, Financial, dated 24th April 1899.

The Inspector-General of Police will be requested to furnish further information as regards Messrs. Wilkieson and Clogstoun. The fact that if these officers had remained as Inspector and Assistant Inspector in the Salt Department they would be entitled to exchange compensation allowance does not necessarily substantiate their claim to the allowance in the Police Department, since, under paragraph 39 of Government of India Finance and Commerce Department Resolution, No. 4847-Ex., dated 5th November 1898, the claim to exchange compensation allowance of an officer permanently transferred from an appointment to which the allowance is attached depends upon the rules governing the class of appointment to which he is transferred. From the quotation by the Inspector-General of paragraph 21 of the Government of India Resolution just mentioned, it would appear that Messrs. Wilkieson and Clogstoun were appointed as "Gentlemen Inspectors" in view to their selection as Assistant Superintendents, or as Inspectors for a time in pursuance of the system of recruitment then existing for Assistant Superintendencies or pending the occurrence of vacancies. This point should be made clear.

G.O., No. 1081, Financial, dated 19th November 1898.

2. The Inspector-General has not afforded particulars as to the grounds upon which he holds that the officers mentioned in the list on page 6 of the appendix to G.O., No. 482, Financial, dated 26th May 1898, are not Statutory Natives of India. He will be requested to obtain information, by means of replies to the questions in the appendix to G.O., No. 432, Financial, dated 21st March 1899, from all the officers concerned. The Inspector-General will be authorized to admit the claims of all officers concerned in the present inquiry who were born out of India, and he will forward to Government a list of these. The cases of all officers born in India will be submitted by him to Government with full particulars.

Read—also the following papers:—

From W. J. A. SULLIVAN, Esq., Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 22nd July 1899, No. 2888.

With reference to G.O., Mis. No. 546, Financial, dated 24th April 1899, I have the honour to state that Messrs. Wilkieson and Clogstoun were transferred to the Police as Inspectors from the Salt Department. The former was appointed as ordinary Inspector for a time only in pursuance of the system of recruitment then existing for Assistant Superintendencies and the latter as a "Gentleman Inspector" or "Probationer".

2. From the information obtained from all Police officers in the usual form in regard to their claim to exchange compensation allowance, I find that Messrs. Lushington, Fawcett, Baudry, Hunt, Lonsdale, Travers, Agar, Sweet, Thomas (P. B.), Sullivan (H. E.), Pelly and Lane were born out of India. I have, therefore, admitted their claims to the allowance as authorized by Government in paragraph 2 of the Government Order quoted above.

3. Messrs. Stevenson, Arbuthnott, Thomas (T. E.), Stoddart, Robertson, Hewetson, Wilkieson, Carmichael, Mullaly, Mainwaring, Powell, Dene, Wilkinson, Hannyngton, Smith, Macartney, Cardozo, Bidie and myself were born in India. Though these officers were born in India, they are not domiciled in India and are not therefore Statutory Natives of India. I submit their claims for the favourable consideration of Government with the usual form duly filled in by them. I also enclose a form filled in by me.

4. Messrs. Boyd, Armitage, Clogstoun, Hasted (J. E. H.), Lindsay, Young and Meredith are now on furlough in England. Information relating to their claim to the allowance will be obtained on their return from leave. Mr. Bagshawe has retired. Mr. C. J. Stuart has not returned the form. He states he is obtaining necessary particulars for filling up the form from his father at home.

Please see the notes in G.O.No. 546, Finl., d/24-4-99.

2. Of the 43 officers in the Police Dept. in list B on page 6 of G.O.No.482, Finl., d/26-5-98.

(1) two (a) have retired;

(2) one (b) is dead;

(3) one (c) has since retired;

(4) twelve (d) have been admitted by the Inspector General to exchange compensation allowance, with reference to para. 2 of G.O.No.546, Finl. d/24-4-99, as they were born out of India; and

(5) information has not been obtained from 7 (e) officers who are now on furlough in England.

3. Thus the enquiry as to the eligibility to exchange compensation allowance ordered in G.O.No.546, Finl., d/24-4-99 is, for the present, confined to 30 officers.

4. The enquiry is rendered easier by the instructions issued by the Govt. of India in its Resolution No. 2418 Ex., d/26-5-99 and by the general principles in the Memorandum recently received. Under the resolution of 26th May, the claims of an officer appointed in India should be decided from two standpoints- his personal and his

official eligibility. In other words, before an officer so appointed can be admitted to the allowance, it must be clear that he is not a "Statutory Native of India" and that he holds an appointment which the Govt. of India has declared to be a post which carries the allowance. The "general principles" assist in fixing the domicile of an officer and in deciding whether his parents should be considered as having been habitually resident in India, with reference to the definition of a Statutory Native. It will be seen from the notes in G.O.No. 546, d/24-4-99, that in the case of the 20 officers now in question, there are only two [(78) Messrs. Wilkieson and (46) Clogstoun] regarding whose official eligibility there is any doubt, and para I of the I.G's letter No.2838, d/ the 22nd July 1899, shows that they are officially eligible. It remains, therefore, to consider the personal eligibility of the twenty officers.

5. Para III of the general principles recently issued by India states that "A man is not a statutory native "for the purposes of the new rules only "if he fulfils one or more of the following conditions:--

"(b) Was ~~not~~ out of India for some "appreciable period (not less than a "year) after the age of ten and before "he entered Govt. service.

The claims of the twenty officers in question are examined from this standpoint in the following statement:---
