SIR,

I have the honor to submit herewith for sanction of Government a Proposition Statement in duplicate, for the entertainment of the marginally noted additional District Post Establishments in the District of Tanjore, involving an expenditure of Rs.48/- per mensem.

2. (a) Papanadu is a big Zemindari station situated midway on the road between Patukota and Urttanad-Chuttram, a distance of 15 miles. There are no

Post Offices within a radius of seven miles from this important station which is frequently visited by the District officials. It is now served twice a week by the Village Postman of Patukota, but this service has been found insufficient for the requirements of the station and the 15 villages in its immediate neighbourhood. It is therefore proposed to open a Branch Post Office at Papanadu on the scale shewn in the Proposition

Statement. By this arrangement a daily service can be arranged for and the station connected with Patukota the taluq head quarters of the Tahsildar, by a runner line.

(b) Ottangadu is another important village in the Patukota Taluq, situated on the mail line from Patukota to Arantange. It is a Police Station and is periodically visited by the officials of that Department. At present Ottangadu and the 15 villages around it enjoy a tri-weekly service by a Village Postman of the Patukota Post Office. As this has been found to be a very unsatisfactory arrangement, it is proposed to establish a Branch Post Office at this place, when a daily service can be established to the satisfaction of the local officials and the public.

(c) Ayankudi is another village of some importance in the same Taluq lying on the mail line between Arantangi and Peravurni. There are about 15 villages close to it, but no Post Offices near by, the only postal facility extended to the place at present being a tri-weekly service by a Village Postman of the Arantangi Post Office. If, as proposed, a Branch Post Office is opened at Ayankudi all the villages in question will have a daily service.

(d), (e) and (f). Valangaman, Peralam, and Koothanallur are very important places in the District, each with an Imperial Branch Post Office but the delivery staff of these offices is too limited to render any thing like an efficient service at the numerous villages in their vicinity. The employment of a Village Postman on Rs.7/- at each of these places will enable this Department to render an accelerated service at all the ----- villages referred to, and to afford some relief to the delivery agents who are now overworked.

3. The expenditure now proposed viz: Rs.48/- per mensem or 576 per annum may be met

from the savings of the District Post Grant for the current official year 1899-1900 (vide statement appended to my No: 14192 dated 13th July /99) and I beg that sanction may kindly be accorded to the measures with effect from 1st September 1899.

No. DS1-24S01-799 dated Madras, the 17 August, 1899.
19474

Sir,

I have the honor to submit for sanction of Government a Proposition Statement in duplicate for the entertainment of the marginally noted District Post Establishments in the District of South Arcot, involving an expenditure of Rs.44/- per mensem.

(a).	**Kanchi.**	
1. Branch Postmaster (Extra Departmental allowance).	.. Pay.	Rs.5/-
1. Mail ~~Overseer~~ Carrier.	,,	,,4/-
1. Village Postman.	,,	,,7/-
		Rs.16/-
(b).	**Ginjee .**	
2. Village Postman at Rs.7/-	..	Rs.14/-
(c)	**Chidambaram.**	
1. Village Postman.	.	Rs.7/-
(d).	**Porto Novo.**	
1. Village Postman.		Rs.7/-
	Total.	Rs.44/-

2. (a) Kanchi is an important village in the Tiruvannamalai Taluq in the South Arcot District. It is 13 miles from Tiruvannamalai prope[illegible] 6 miles from Pudupalayam and about five miles from

Kalasapakam. It contains a population of 1336 most of whom are merchants or money-lenders. Close to it are the villages of Padur and Kanthi in which a Police station and a Forest Guard's Office are located, and the officials of the Police, Forest, and Revenue Departments frequently encamp there. Kanchi and the adjoining 29 villages whose area extends over 16 Square miles, are at present served twice a week by the Village Postman of Tiruvannamalai. The local officials and trading

residents have often complained of the insufficiency of the present arrangements and urged the necessity for opening a Post Office at Kanchi. The Collector to whom the matter was referred, states that " a Post Office may be opened, as the Tahsildar thinks that it is likely soon to become self-supporting". The establishment of a District Post Branch Post Office on the scale exhibited in the Proposition Statement is therefore very necessary.

(b), (c) and (d).- Ginjee, Chidambaram and Porto Novo are places of great importance in the District at each of which there is an Imperial Post Office with an extensive delivery area around it. But the delivery staff attached to each of these offices is altogether unequal and disproportionate to the amount of work devolving on it, a Village Postman having to visit no less than 50 villages. The rural population cannot therefore expect more than a weekly service at present. It is therefore proposed to employ District Post Village Postman at these stations on the scale detailed in the Proposition Statement when increased postal facilities can be extended to the local public.

3. The expenditure proposed, viz: Rs.44/- per mensem or Rs.528/- per annum may be met out of the savings

of the District Post Grant for the current official year 1899-1900 (vide statement appended to my No: 14192 dated 13th July /99) and I beg that Government will be pleased to accord their sanction to the measures with effect from 1st September 1899.

No. D.P. 1-2 & D.P. 2-12 dated Madras, the 16 August/99.

19383

SIR,

I have the honor to submit for sanction of Government a Proposition Statement in duplicate, for the abolition and entertainment of ------ certain District Post Establishments in the District of Godaveri, involving an expenditure of Rs.7/-, in all per mensem.

2. The District Post Branch Post Offices at Devipatnam and Indukurpet, which were opened on the 4th December 1893 under sanction

conveyed in G.O. No: 979 dated 4th October /93, have now ceased to be important. It is proposed, therefore, with the concurrence of the Collector to abolish them, as that officer is of opinion that the interests of the revenue and other Departments, will not be affected by the abolition of the offices.

3. Purushothapatnam is an important village situated on the Eastern bank of the Godaveri, half a mile from Polavaram, the taluq head quarters of the Deputy Tahsildar.

It occupies a central position between Devipatnam and Indukurpet and contains a population of 1497. There is a Government Primary School at Purushoth-patnam and a Forest Tanadar and a Ticket issuing Gumastah are also located at the place. The Deputy Tahsildar of Polavaram, the Revenue and Police Inspectors and the Junior Superintendent of Hill Schools ------- frequently encamp there. At present it is only occasionally visited by a Village Postman attached to Polavaram, but as this is a wholly inadequate service, much dissatisfaction is felt both by the officials and by the rural population. At the instance of the Dy: Tahsildar of Chodavaram, the Collector has recommended the opening of a Branch Post Office at Purushothapatnam with an establishment consisting of a Branch Postmaster, a Village Postman, and three runners on the scale detailed in the Proposition Statement. If an office is accordingly opened at Purushothapatnam and placed in account with the Imperial Sub Post Office at Polavaram with a District Post line connecting Polavaram with Gokaram a distance of 16 miles, not only will the rural population in the vicinity of Purushothapatnam be able to secure increased Postal facilities, but the officials at the two taluq head quarter stations at Polavaram and Chodavaram will also

have an earlier delivery of their correspondence which, under the existing arrangements are subject to considerable delay, having to pass through a circuitous route of 55 miles via Rajahmundry.

4. Gokaram is a station of great importance in the Agency tracts of the District where there is already a District Post Branch Post Office with a Village Postman on Rs.7/- per month. The villages included within the delivery area of the Village Postman being situated at great distances from each other and are scattered over Malarious tracts, he is unable to get through his work satisfactorily and

the result is that complaints are frequently received of late delivery of letters. It is therefore proposed to employ an additional Village Postman at Gokaram and to fix his pay at Rs.10/- per mensem in consideration of the unhealthiness of the localities to be served by him.

5. The expenditure now proposed viz: Rs.7/- per mensem or Rs.84/- per annum may be met from the District Post Grant for the current official year 1899-1900 (vide statement appended to L my No: 14192 dated 13th July /99) and I beg that Government will be pleased
