Plague Expenditure.

Telegraphing to the Accountant-General that the distribution of — by District Boards directed in paragraph 3 of G.O., No. 547, Financial, dated 18th June 1899, has not been superseded, and stating that the attention of all Chairmen of Municipalities and the Presidents of District Boards will be drawn to certain orders on the subject in the Local and Municipal Department.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From J. TWIGG, Esq., President, District Board, Tanjore, to the Secretary to Government, Local and Municipal Department, dated 11th August 1899, Cur. No. 1166-D.B.

In enclosing copy of my letter to Accountant-General, No. 1166, dated 16th June 1899, and his reply thereto, No. L.F.I.A.—150, dated 22nd July 1899, I have the honour to inquire whether, with reference to G.O., No. 615, Financial, dated 17th May 1899, quoted in the Accountant-General's letter, the provision of Rs. 34,910 made in the revised estimate for 1898-99 may be considered to be no longer required for the purpose of contributing to the plague charges in frontier districts and to be available for expenditure for general purposes.

ENCLOSURES.

From J. TWIGG, Esq., President, District Board, Tanjore, to the Accountant-General, Madras, dated 16th June 1899, Cur. No. 1166-D.B.

With reference to G.O., No. 311 L., dated 11th February 1899, I have the honour to request that you will be good enough to let me know if the adjustment of the amount due by this District Board on account of contributions to other districts for plague expenditure for 1898-99 has been effected in the final accounts for March 1899 as proposed by you in your letter to Government embodied in the Government Order under reference. The information is required to enable me to include the amount so adjusted by you in the statements to be submitted with the Administration Report for 1898-99, and to arrange for recovering the proportionate contributions from Taluk funds and crediting the same to the District Board to meet its plague expenditure of Rs. 34,910 as passed by Government in G.O., No. 584 L., dated 13th March 1899. I request the favour of an early reply.

From W. J. F. WILLIAMSON, Esq., Assistant Accountant-General and Inspector of Local Fund Accounts, Madras, to the President, District Board, Tanjore, dated Fort St. George, 22nd July 1899, No. L.F.I.A.—150.

With reference to your letter, Cur. No. 1166, dated the 16th June 1899, I have the honour to state that in G.O., No. 547, Financial, dated the 18th June 1898, it was decided that the plague expenditure incurred in frontier districts should, with effect from the 1st April 1898, be distributed in certain proportions among the other districts of the Presidency. This decision was based on the consideration that the operations benefited the Presidency as a whole though they primarily protected the districts where they were undertaken. Since then the principle governing the incidence of plague charges has been changed and Provincial funds now bear all charges for general protection (*vide* G.O., No. 615, Financial, dated 17th May 1899). Consequently "Local" expenditure should be finally charged to the districts incurring it, and G.O., No. 547, Financial, dated 18th June 1898, must be held to have been superseded.

No. 883, Local and Municipal.

Transferred to the Financial Department.

(Signed) A. EDGINGTON,
Ag. Assistant Secretary.

24th August 1899.

ORDER—No. 947, Financial, dated 30th August 1899.

Distribution of plague expenditure by District Boards directed in paragraph 3, Order 547, June 18th, 1898, not superseded by subsequent orders, as Government considers such distribution equitable and still called for.
