G.O., No. 2149 L., dated 8th November 1898, para. 1 (20).

Abstract.—Approving the proposal of the Accountant-General to employ an additional Assistant Inspector for two months for the simplification of the system of audit of Local Fund Public Works expenditure recommended by Mr Meyer, and also for other work connected with Special and Municipal Funds; and requesting the Accountant-General to report on the apportionment of the additional cost of the establishment between Local, Municipal and Special Funds.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 10th July 1899, L.F.D. No. 317.

With reference to paragraph 1 (20) of G.O., No. 2149 L., dated the 8th November 1898, I have the honour to submit herewith, for the formal sanction of Government, a regular proposition statement for the entertainment of the temporary establishment in connection with the revision of the Local Fund Code, etc. The establishment was entertained with effect from the 25th May 1899, and from the progress already made, it is anticipated that the work will take considerably longer than two months, as there are three separate compilations in hand, viz., the Local Fund Code, Special Fund Rules, and Manual of Municipal Orders. I request, therefore, that sanction may be accorded for the entertainment of the establishment for a period of four months in all or such shorter time as may be found necessary.

The Acct. Genl. suggests that a sum of Rs.768, being the cost of the temporary establishment entertained in connection with the revision of the Local Fund Code etc. for four months, may be sanctioned from the balance of 1.13 lakhs under 45 CIVIL WORKS.

Out of 1.13 lakhs, one lakh has been placed at the disposal of the L.& M. Dept. as a Provl. grant to the Ootacamund Municipality in order to enable it to acquire the lands forming the catchment area of the Marlimund reservoir. A sum of .03 lakh has been allotted for printing Jail Manual etc. A sum of .05 lakh is proposed to be allotted for meeting the charges incurred in connection with the deputation of Mr. Hammick as Special Commissioner, Madura and Tinnevelly. The remaining sum of (.05 lakh) is required by the School of Arts on account of wages and materials. It will thus be observed that there is no balance under 45 CIVIL WORKS from which the amount required (Rs.768) can be reappropriated.

Submitted that the Acct. Genl. may be informed that no amount

can

can be spared under 45 CIVIL WORKS and that he may be asked (u. o.) to suggest any other source from which a reappropriation can be made.

No 90 d/18-8-99.

In my entrenchment 20. Budget 5340 / 5257 of 17 inst. I suggested that the 5000 required by the School of Arts in connection with the Paris Exhibition should be met from the grant of Rs 10,000 under 26.0. Scientific & Minor Depts. Miscellaneous for the manufacture of aluminium ware. If just accepted that proposal there will remain a balance of Rs 5000 under 45. Civil works. Hence, from which the sum of Rs 768 for the Local Fund Dept of any Work can be met.
