The Agency schools are under the control of the Agents concerned - Vide G.O. No. 88 Educational dated 11th February 1897. Flag H. But from the D.P.I.'s proceedings Flag E it would seem that it was his intention that incidents for schools in Agency tracts should be included in those of Inspectors of schools. The schools are provided for in the D.P.I.'s budget and the stationery required for those schools can also be so provided. The Agent also says that the Educational officers can better check the expenditure of stationery in these schools.

No. 12961.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION, dated 23rd November 1897.

Stationery.

Read the following Proceedings of the Government of Madras, in the Financial Department, dated 12th October 1897, No. 852:—

Read the following papers :—

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 31st May 1897, No. 1678.

I have the honour to submit the following for the consideration and orders of Government.

Officers of the Educational Department such as the heads of Government colleges and schools purchase articles of stationery required for their office and institutions in the local market instead of obtaining them through the Superintendent of Stationery as laid down in article 93 (f) of the Civil Account Code. On this being pointed to the Director of Public Instruction he states this is unavoidable as these officers are not included in either Appendix B or C of the Stationery Rules. In the circumstances perhaps it is the intention of Government that the Director of Public Instruction should supply his subordinates. Orders on the question are requested.

Endt. No. 1194.

Referred to the Superintendent of Stationery for favour of remarks.

(By order.)

5th June 1897.

(Signed) W. FRANCIS,
Acting Under Secretary.

From J. N. ATKINSON, Esq., I.C.S., Acting Superintendent of Stationery,
to the Chief Secretary to Government, dated Madras, 19th June 1897,
No. 1075.

With reference to your endorsement No. 1194, dated 5th June 1897, on letter No. 1678, dated 31st ultimo, from the Inspectors and Inspectresses of Government Schools. Accountant-General (herewith returned), The Principal, Law College. I have the honour to report that the „ Presidency College, Madras. marginally-noted officers of the Educational Department are now obtaining The Registrar of the University of Madras. stationery from this office on payment The Superintendent, School of Arts. of its value (*vide* Appendix C to the The Principal, Teachers' College, Saidapet. Stationery Rules), and that I see no objection to the heads of other Government colleges and schools obtaining their supplies similarly. Their indents will be complied with according to the stock in store without inconvenience to the officers entitled to free supply.

From the Officiating Accountant-General, dated 15th July 1897, No. P.A.D.—732.

Endt. No. 1747.

Forwarded to the Superintendent of Stationery, with the request that the letter from the Director of Public Instruction, No. 8155, dated 30th July 1897, may be expedited.

OOTACAMUND,
20th August 1897.

(Signed) J. F. PRICE,
Chief Secretary.

From J. THOMSON, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 4th September 1897, No. 1632.

In forwarding herewith, letters Nos. 8155 and 8161, dated 30th July 1897, from the Director of Public Instruction, Madras, together with their enclosures, I have the honour to state that I see no objection to the proposal made by the Accountant-General in his letter No. 2243, dated 22nd July 1897. All the officers of the Educational Department who now purchase stationery, some from this office and others from local markets, may be included in Appendix B to the Stationery Rules and supplied with stationery from this department, free of charge, as other Government officers.

2. If the above proposal is approved, a sufficient stock will be provided for issue. To facilitate the supply and to secure an efficient check over the expenditure, consolidated indents for each division or circle should be prepared and forwarded to this office, duly countersigned by the Director of Public Instruction. The stationery will then be packed up separately for each district and despatched to such officer at the head-quarter station as may be named by the Director. The distribution from head-quarters to the various institutions may be effected through the Sub-Assistant Inspectors whose constant travelling on inspection duty will enable them to do it with facility. This is the course followed in the Revenue, Judicial, Registration and other departments and has been found to be both expeditious and economical. The distribution to each individual institution—especially those situated in the interior of the districts—direct from Madras would involve much delay and expense.

ENCLOSURES.

From J. B. BILDERBECK, Esq., M.A., Acting Director of Public Instruction, to the Chief Secretary to Government (through the Superintendent of Stationery), dated Madras, 30th July 1897, No. 8155.

I have the honour to submit a letter No. 2243, dated 22nd July 1897, addressed to you through this office by the Accountant-General, and to offer the following remarks on the question raised therein.

2. Article 98 (f) of the Civil Account Code prohibits the local purchase of articles of stationery *usually* supplied by the Stationery office, unless the special sanction of Government is obtained for the same. According to the Stationery Rules—the second, or the latest, edition of which was published in 1895, three years after the fifth edition of the Civil Account Code was issued—the Director of Public Instruction, the Registrar of Books, the Principals, College of Engineering and Medical College, the Superintendent, Reformatory School, Chingleput, and the Curator, Oriental Manuscripts Library, are the only officers in the department who are included in Appendix B and are thus entitled to get their supply of stationery from the Stationery office *free of charge*, while the Inspectors and Inspectresses of Schools, the Principals, Presidency, Law and Teachers' Colleges, and the Superintendent, School of Arts, are included in Appendix C which comprises officers and offices entitled to obtain from the Stationery office, on payment or book adjustment of value, such articles as they

may require, subject to the proviso mentioned in Rule 5. As a matter of fact some of the last-mentioned officers, and also the Assistant and Sub-Assistant Inspectors and the heads of all institutions other than those named above (numbering 324 in the current year), procure in the local markets all the stationery they require. The Accountant-General, on the other hand, would appear to advise the inclusion in Appendix B of all offices and institutions under the control of this department and the transfer to the account of the Stationery office of the allotment of Rs. 7,635 provided in the current year's educational budget for purchase of stationery.

3. The arrangement proposed by the Accountant-General has, no doubt, much to be said in its favour, and I shall raise no objection to it, provided that the Superintendent of Stationery can unconditionally guarantee the supply of *all* the articles of stationery required and will undertake to despatch the supplies to each school or office, as the case may be, *direct*. It seems to me that, if the privilege of purchasing articles of stationery in the local market is to be totally withdrawn from all the officers of the department, the Stationery office should be prepared to supply all the stationery indented for by each office and institution consistently with the Stationery Rules, or, in other words, that all the officers and offices in this department should be included in Appendix B and not in Appendix C. Further, I understand that it is now the practice in the Stationery office to despatch all articles direct to the officers or offices indenting for them, and I wish to point out that, unless this practice be extended to all the officers or offices in this department, the duty of distributing the articles supplied must be thrown either upon my own office or the offices of the Inspectors, Assistant and Sub-Assistant Inspectors, which, besides being productive of much delay and inconvenience, would greatly increase the work of these offices.

4. If, however, the Superintendent of Stationery cannot undertake to supply all the articles required *unconditionally* and to despatch them *direct* to their destination, I should then recommend that only the officers and offices named in the margin be added to Appendix B, and that all the Government lower secondary and primary schools for boys and girls, which, as has been said, at present number 324, be permitted to procure the necessary stationery locally. As the budget allotment on account of stationery, &c., for each school is very small in amount, the pecuniary gain to Government that might follow, if the articles required be obtained from the Stationery office instead of being purchased in local markets, would be infinitesimal or, at all events, entirely disproportionate to the increased amount of work that would be thrown upon this office and upon some of the offices of the inspecting staff, especially those of the Sub-Assistants.

5. The Accountant-General's suggestion that the whole or any portion of the allotment made in the educational budget for the current year for local purchases of stationery should be transferred to the account of the Stationery office cannot, I submit, be acted upon during the current year, as several of the officers who are not now included in Appendix B must have already taken steps to procure the necessary articles of stationery in local markets. The change in the system of supply, if approved, may be allowed to take effect from the beginning of the next financial year. As the preparation of the departmental budget estimate for the next year is to be taken in hand shortly, I solicit the favour of early orders of Government on this correspondence.

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government (through the Superintendent of Stationery and the Director of Public Instruction), dated Fort St. George, 22nd July 1897, No. 2243.

With reference to your memorandum No. 1461, dated the 13th July 1897, I have the honour to state that this office has no objection to urge against the inclusion in

* Inspectors and Inspectresses of Government Schools.
Law College.
Presidency College, Madras.
School of Arts.
Teachers' College, Saidapet.
Heads of Government Colleges and Schools.

Appendix B to the Stationery Rules of the officers mentioned therein.* I beg, at the same time, to point out that there are other officers in the Educational Department who purchase stationery articles locally, whom it may be advisable to include in Appendix B, so that local purchases of stationery by them may be avoided.

These officers are Assistant and Sub-Assistant Inspectors of Schools, Inspecting Schoolmaster of Muhammadan Schools, and the Secretary to the Board of Examiners for Teachers' Certificates.

In case Government sanctions the above proposal, the sum of Rs. 7,635 provided in the budget against "Education" under "Stationery purchased in the country" may be transferred to the allotment of the Stationery office.

The enclosed papers are herewith returned.

From J. B. BILDERBECK, Esq., M.A., Acting Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 30th July 1897, No. 8161.

In submitting the enclosed letter addressed to Government through this office by the Acting Government Agent, Ganjám, R.C. No. 201-Ag., together with copy of a letter from the Accountant-General, No. I.A.C.B.—199-G.T., dated 5th June 1897, I beg to invite your attention to my letter to the Chief Secretary to Government, No. 8155, dated 30th July 1897, submitted through the Superintendent of Stationery, and to request that the early sanction of Government may be obtained for the expenditure on stationery referred to in the above mentioned letter.

From H. D. TAYLOR, Esq., Acting Agent to the Governor in Ganjám, to the Secretary to Government, Educational Department (through the Director of Public Instruction), dated Camp, Dayigam, 14th May 1897, R.C. No. 201-Ag.

I have the honour to request you will be good enough to obtain Government sanction for the sum of Rs. 206-4-4 incurred by the Special Assistant Agent in January last on account of the purchase, in the local bazaar of stationery required for the hill schools under him, as the Accountant-General says that such purchases are inadmissible under rule (f) to article 98 of the Civil Account Code. Hitherto such local purchases have continually been made by the Special Assistant Agent and no objection was ever raised by the Accountant-General.

From W. H. MICHAEL, Esq., Deputy Accountant-General, to the Director of Public Instruction, dated Madras, 5th June 1897, No. I.A.C.B.—199-G.T.

With reference to your endorsement No. 5939, dated 2nd June 1897, on letter from the Agent to the Governor, Ganjám, addressed to Government through you, I have the honour to state that the objection cannot be withdrawn until Government passes final orders on the question which has been referred to it by this office.

Memorandum from the Chief Secretary to Government, dated 13th July 1897, No. 1461.

No. 852, Financial.

Order—The following officers of the Educational Department will, from and after the 1st April 1898, be included in Appendix B to the Stationery Rules, i.e., will be authorized to indent on the Superintendent of Stationery and obtain their supplies of stationery free of charge:—

Inspectors and Inspectresses of Government Schools.
Assistant and Sub-Assistant Inspectors of Schools.
Inspecting Schoolmaster of Muhammadan Schools.
Secretary to the Board of Examiners for Teachers' Certificates.
Principals and Headmasters of all Government Colleges and Schools.
The Superintendent, School of Arts.

2. The procedure detailed in paragraph 2 of the letter from the Superintendent of Stationery, No. 1632, dated 4th September 1897, as regards indents for and distribution of the stationery will be followed.

3. The Superintendent of Stationery will be requested to submit for approval a draft of the necessary corrections to be made in the Stationery Rules.

4. The expenditure of Rs. 206-4-4 incurred by the Special Assistant Agent, Ganjám, in the local purchase of stationery for hill schools in January 1897, is sanctioned.

Proceedings No. 12961 of 1897.

Communicated to the Inspectors of Schools, Inspectresses of Girls' Schools, Assistant Inspectors of Schools, Sub-Assistants, Principals, First-grade Colleges, Law and Teachers' Colleges and the College of Agriculture, Headmasters, Mangalore College, Madrasa-i-Azam and the School of Commerce, Calicut, Superintendent, School of Arts, and Presidency Training School for Mistresses, and the Secretary to the Board of Examiners for Teachers' Certificates for information and guidance.

2. The officers mentioned above, excepting Sub-Assistants, should submit their indents to this office direct. They will be forwarded countersigned to the Superintendent of Stationery, who will be requested to despatch the articles to the respective officers direct.

3. For Sub-Assistants of Boys' and Muhammadan Schools, the Inspecting Schoolmaster of Muhammadan Schools, Madras, the Superintendents of Hill Schools in Ganjám, Vizagapatam and Górávari (whose names appear to have been omitted from the list through inadvertence) and heads of training and other schools for boys, consolidated indents for the offices and schools in each Sub-Assistant's range should be prepared and submitted by the Inspectors. These indents will be forwarded countersigned to the Superintendent of Stationery, who will be requested to despatch the articles to the Sub-Assistant of each range. It will be the duty of the Sub-Assistant to see to the prompt despatch of the articles to the schools and offices concerned. When submitting consolidated indents to this office, the Inspectors should furnish the Sub-Assistant of each range with the indent relating to his range to enable him to distribute the articles on receipt by him. Any modifications in the indents made by the Director or by the Superintendent will be communicated to him.

4. The same procedure should be followed by the Inspectresses with regard to indents for Sub-Assistants of Girls' Schools and heads of training and other schools for girls.

5. The indent from the Principal of the Teachers' College should include the articles required for the branch schools, that from the Principal of the Rajahmundry College the articles required for the Training section, and that from the Superintendent, Presidency Training School for Mistresses, should include articles required for the Hobart Training School.

6. The indents for 1898-99 should be submitted so as to reach this office not later than the 15th January next. The latest date for submission of indents in future years will be fixed by the Superintendent of Stationery.

7. The officers concerned should apply at once to the Superintendent of Stationery for the required number of copies of the rules and indent forms.

In its orders nos. 852 and 940

Financial dated 12th October and 16th November
1897 respectively Government, while
sanctioning the supply of stationery free

as regards indents for and distribution
of stationery, the procedure detailed

by the Director, should be followed.
In communicating the first of the

*on p 30480 852 7ml 2

Government Orders above quoted,
the Director stated in para 3 of his
Proceedings no: 12961 dated 23rd November 1897 E
(copy enclosed) that Consolidated indents
for the offices and schools in each
Sub Assistant's range should be prepared
by Inspectors and forwarded to him for
countersignature and transmission
to the Superintendent of Stationery. From
this I gathered that the indents for the
stationery required for the schools in
this Agency would be prepared and
submitted by the Inspector and forwarded
to the Superintendent of Stationery through
the Director and therefore did not see
to it myself. But, as I have received
complaints that no stationery has been
supplied to the Agency schools and as
the Accountant-General ordered the
recovery of all sums spent in the
current official year in the local
purchase of stationery for these schools,
I requested the Inspector of Schools
Northern Circle in September 1898 to expedite
the supply of stationery to the several
schools and to obtain the sanction

for the amounts spent in purchasing
it locally previous to its supply.

2. In reply the Inspector of Schools forward-
ed to me the Director's Proceedings no:
F 11735 dated 15th October 98 (copy enclosed)
wherein the Director observes that
indents for the stationery required for the
Lower Secondary and Primary schools in
the Agency ought to have been submitted
from my office as they are under my
control. This procedure does not appear
to have been contemplated either in the
first of the Government Orders referred
to or in the Director's Proceedings with
which it was communicated; nor do
I think it is desirable since it is the
Educational officers who should best
know the requirements of each school
and who can consequently exercise an
efficient check over the expenditure.
I have therefore the honor to request
that Government may be pleased
to issue orders whether the indents
should be submitted from my office
or prepared by the Inspector and
included in his consolidated indent.

If it is ordered that indents should
be submitted from my office I beg
that the Accountant-General may be
authorised to admit the charges incurred
in the local purchase of Stationery
by the Headmasters of Lower Secondary
and Primary Schools in this Agency
till it is supplied to them.

OFFICE OF THE DIRECTOR OF

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department,

Fort Saint George.

SIR,

In returning the papers referred to me under endorsement No 60 Educational dated 5th instant, I have the honour to state that, as the agency schools are under the direct management of Government agents (vide G.O.No 88 Educational, dated 11th February 1897) and as all correspondence from the heads of such schools passes through the agents in the first instance, I think it desirable that indents for stationery articles required for these schools be transmitted by the agents concerned. In the letter of the Superintendent of Stationery, No 1632, read in G.O.No 852 Financial, dated 12th October 1897, the Superintendent desired that consolidated indents should be forwarded for each circle. But, on a representation from this office, this procedure was, to a little extent, modified, the Superintendent having no objection to the submission of separate indents on behalf of such of the schools as are situated near Railway stations. As the Agency schools are situated in outlying villages, and as some of them are visited by the Assistant Inspectors and some by the Sub-Assistants once about the close of each year, it would involve much delay and expense if the Sub-Assistant were to include in his indent articles of stationery required for these schools and distribute them to the schools concerned. Moreover, the

Agents have greater facilities than the Sub-Assistant Inspector for distributing the articles, as they can arrange for the distribution through the Revenue officers in the agency tracts, who are also supplied with articles from the Stationery office.

I have the honour to be,

Sir,

Your most obedient servant,

S. Srinivasan
