estimate 1900-1901.

The Director's revised estimate for the current year, exclusive of last year's arrears, is Rs 236 under "Remuneration to Examiners", while his budget estimate for the ensuing year is Rs 2336. The Director has also provided Rs 60 under travelling allowance. For the reasons already given this amount may it is submitted ^{dis-} be allowed and a further deduction of Rs 40 made to round off the total.

5 The revised estimate for the current year and the budget estimate for the ensuing year will then stand at as Rs 3600 and Rs 2300 respectively.

6 a draft G.O. is submitted for issue in the F.D.

3 Charges Revised estimate

1) Under "Remuneration to examiners" the difference between ~~estimated~~ revised estimates for the current year shows an increase of Rs 1540 over the budget estimate for the same period and of this increase Rs 1332 are reported to be arrears of exam^{ns} fees ^{due} in connection with the Decr 1898 exam. For the balance of Rs 208 no explanation has been offered. As the amount is small it seems hardly worthwhile calling for an explanation though it seems unlikely that the whole ~~amount~~ will be spent.

(2) Payment of travelling allowance for examiners was disallowed in para 3 of G.O. Misc no 1209 Rev dy 22nd March 1898. The amount of Rs 60 provided on this account may it is submitted be therefore omitted from the estimate and to round off the total Rs 40 deducted from the provision made for remuneration

attention solicited to para 3 of the note C in G.O. 1142 Rev dy 1.12.98 the figures were worked out last year.
