## GOVERNMENT OF MADRAS.

## ECCLESIASTICAL DEPARTMENT.

READ—again the following papers:—

E.M.C., No. 11, Ecclesiastical, dated 13th January 1857.

ABSTRACT.—Directing all Collectors to annually inspect and report to Government, through the Public Works Department, on the condition of all Protestant cemeteries within their respective jurisdictions.

G.O., No. 87, Ecclesiastical, dated 19th May 1885.

ABSTRACT.—Communicating to the Archdeacon a report in tabular form on the cemeteries in the Salem district for 1884-85 with the remark that that form should be generally adopted.

G.O., No. 78, Ecclesiastical, dated 31st May 1888.

ABSTRACT.—Recording statement of burial-grounds in Tinnevely district for 1887-88, and directing that these returns be submitted in future through the Venerable the Archdeacon.

G.O., No. 58, Ecclesiastical, dated 12th June 1889.

ABSTRACT.—Passing orders *re* the classes of cemeteries to be reported on by Collectors.

G.O., No. 17, Ecclesiastical, dated 13th April 1891.

ABSTRACT.—Issuing revised instructions *re* the future submission, by Collectors through the Venerable the Archdeacon, of reports on the cemeteries in the Presidency.

G.O., No. 21, Ecclesiastical, dated 18th February 1899.

ABSTRACT.—Regretting the use of the term "Goanese" in G.O., No. 141, Ecclesiastical, dated 23rd November 1898, and requesting the President, Municipal Commission, and the Venerable the Archdeacon of Madras to avoid the use of the term in official documents.

READ—also the following paper:—

From the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated 3rd November 1899, No. 5458.

I have the honour to forward enclosed the reports of Collectors on cemeteries in their districts for 1898-99, and also a report from the Executive Engineer, Madras division, on the European and Native Christian cemeteries at Periyár.

2. Collectors of the following named districts have been supplied with the total amounts asked for by them for repairs to cemeteries under their charge for the current financial year:—

|             |           |           |              |
|-------------|-----------|-----------|--------------|
| Anantapur.  | Cuddapah. | Madura.   | Salem.       |
| Bellary.    | Ganjám.   | Malabar.  | Tanjore.     |
| Chingleput. | Kurnool.  | Nellore.  | Tinnevely.   |
| Coimbatore. | Madras.   | Nilgiris. | Vizagapatam. |

3. The Collector of South Canara has no cemeteries under his charge, and the cemetery under the Lay Trustee requires no repairs.

4. *North Arcot*.—I am communicating with the Collector of this district, and money required for absolutely necessary repairs will be supplied.

5. *South Arcot*.—No. 8. The question of building a wall round part of this cemetery was postponed some time ago owing to the matter being reported as not urgent, but I do not think the wall can be built at Government expense. The cost would be over Rs. 400 and the claim for this to be met by Government cannot, I think, be upheld.

With this exception the total amount asked for by the Collector of South Arcot has been supplied.

*Gódvári and Kistna*.—In the case of both these districts a portion of the money asked for has been supplied, and I am in correspondence with the Collectors concerning the remaining amounts required.

*Madras*.—Nos. 1, 4, 9. The attention of officers in charge of these cemeteries will be called to the Collector's remarks.

*Trichinopoly*.—No. 5. The attention of the S.P.G. Missionary in charge will be called to the necessity of repairs being carried out.

No. 6. Government will be addressed separately concerning this cemetery. It is not, however, a Government cemetery.

6. In some cases again this year cemeteries are reported upon as being in "good" condition which yet require repairs.

## ENCLOSURE.

FILE of reports on the condition of Cemeteries in the districts of the Presidency for the official year 1898-99.

ORDER—No. 162, Ecclesiastical, dated 23rd November 1899.

Recorded.

2. The Venerable the Archdeacon will be requested to report on the possibility of fencing the Roman Catholic cemetery in Cuddalore New Town in some other way if a wall is too expensive.

3. Concerning tomb No. 14 in the report from the Cuddapah district the Collector reports that the inscription stone is destroyed. The same remark was made in last year's report, in which it was also stated that "provision was made in the budget to replace it". It is not understood why this was not done, as allotments were reported to have been made last year for all repairs then needing to be effected.

4. The attention of the Venerable the Archdeacon will be drawn to the remarks made in the reports on the marginally-noted cemeteries. He will be requested to take steps to bring the requirements therein dealt with to the notice of the responsible parties, respectively, with a view to the necessary action being taken.

No. 15 in report from Chingleput district.  
Nos. 1-4, 11, 19, 23-26 in report from City  
of Madras.  
No. 9 in report from Trichinopoly district.

5. The old Government cemetery in British Cochin (No. 12 in the report from Malabar district) was last year reported to be in an "unsatisfactory" condition. It is now described as "ruinous" and "many inscription plates are reported to be missing". This matter should be at once looked into, with a view to the cemetery being better preserved. The attention of the Venerable the Archdeacon is also directed to the unsatisfactory state of the Protestant cemetery at Anjengo. (No. 13 in the same report.)

6. With reference to G.O., No. 21, Ecclesiastical, dated 18th February 1899, the Venerable the Archdeacon will be requested to ensure that the term "Goanese," with reference to Portuguese Roman Catholic cemeteries, be eliminated from the printed reports submitted by Collectors and "Portuguese" substituted therefor.

7. The attention of all Collectors is again drawn to the instructions contained in paragraph 2 of G.O., No. 141, Ecclesiastical, dated 23rd November 1898.

It is desirable to remove these two trees which are a real nuisance. I propose their immediate removal which costs nothing and means to credit their sale proceeds to the department. After their removal the compound wall will be repaired for which purpose and for the repairs an estimate for Rs 23 is made |

Archdeacon's covering letter, D--

2. ~~The attention of the Collector of South Arcot will be drawn to the remarks of the Venerable the Archdeacon, in para 5 of his letter read above, regarding the Roman Catholic Cemetery in Cuddalore New Town.~~  
 3. ~~Covering tomb No. 14 in the report from the Cuddapah District the Collector reports that the inscription stone is destroyed. The same remark was made in last year's report in which it was also stated that "provision was made in the budget to replace it." It is not understood why this was not done as allotments were reported to have been made last year for all repairs needing to be effected.~~  
 4. The attention of the Venerable the Archdeacon will be drawn to the remarks

remarks made in the reports on the marginally noted cemeteries. He will be requested to take steps to bring the <sup>requirements</sup> ~~letters~~ therein dealt with to the notice of the responsible parties, respectively, with a view to the necessary action being taken.

5. The old Govt. Cemetery in the British Cochin (No. 12 in report from Malabar District) was last year reported to be in an "unsatisfactory" condition. It is now described as "ruinous" and "many" inscription plates are reported to be "missing". This matter should be at once looked into with a view to the cemetery being better preserved.

6. With reference to G.O. No. 21, Eccl. d/ 18th February 1899, the Ven'ble the Archdeacon will be requested to ensure that the term "Goanese", with reference to Portuguese Roman Catholic Cemeteries, be eliminated from the printed reports submitted by the Collectors and ~~the "Portuguese"~~ more appropriate description, not objectionable to the Community concerned, substituted therefor.

7. The attention of all Collectors is again drawn to the instructions contained in para 3 of G.O. No. 141 Eccl. d/ 23rd November 1898.
