Notes:-

A. E. M. En?

The Bishop's Chaplain submits to Govt for approval a proposed tour of visitation ^{by the Bishop} which embraces ~~the districts~~ certain districts of this Presy, Hyderabad (which is in the jurisdiction of the Madras Bishop) & Calcutta.

Nothing is said as to why the Bishop desires to go to Calcutta nor is sanction requested for going beyond his jurisdiction.
2. In 1897 the Bishop of Madras made a tour in which he proposed to visit Calcutta but on that occasion he stated that the Metropolitan had summoned him thither for a conference of Bishops.

GO 182 B. E. d. 19.1.97.

3. Orders are requested as to whether the ^{Domestic} Chaplain ^{should} be requested to supplement his letter by a statement as to the object of the Bishop's visit to Calcutta & a request for formal sanction to leave the limits of his jurisdiction.

I know that the Bishop has been requested by the Metropolitan to visit a number of Bishops at Calcutta. In this case, the programme may be approved. But, the Bishop's Chaplain should be told (D.O) that in future cases when the Bishop contemplates going outside the limits of his Diocese, information should be given, and sanction asked for, as in the form to be found in para. 2 of letter No 1599, 5th Jan. 1897, G.O. No 1 Ecclesiastical, 9th Jan. 1897.

Draft 20 and ask that the fact that sanction has already been given be pointed out.

going outside the limits of his
Diocese information may be

Note for the A.S. through the
S.A.

With reference to the
C.I.'s direction calling for
my explanation for not
having put up 96 by
of 20-5-99 (flag E) for this
file, I beg to submit
most respectfully the
following for his kind
and generous consideration:-

In all cases of communi-
cations from the Bishop re
his tour of visitation, when
no previous correspondence
or orders are referred to, it
has been the practice for
the reference to put up
only precedents. In instances
the papers put up for the
disposal of C. No 383 of 99 read
86 14 of 23-10-99 (flag W)
with the found entered in the
back of the docket sheet
at W. There were all much
precedents and no thing else.

Similarly for the disposal
of current no 313 of 97 read
in 86 96 of 25-11-97 (flag W)
only a precedent was put
up in accordance with
this practice I put up
for current 454 of 99 in
question only precedents

Please see my entry of
papers put up in the
back of the docket sheet
of the current.

GO 64 of 20-5-99 (Flag E)
was passed in May last,
but I became Reference
only after the Govt came
down from Ooty, and
therefore had no knowledge
at all of the correspondence.

And since no reference
was made to it in the
current the paper was
not put up by me.
Nor was it called for
after the file had left
my hands.

Under these circumstances
I most respectfully beg
that I may be excused.

For the Secy.

It is submitted that the Estimating
Circumstances in this case is this -
that the orders permitting the Bishop
to go to Calcutta are not quoted
in the Current nor is any reference
whatsoever made thereto by the Chaplain.
Moreover, the sanction accorded in
May last was on India's request &
not the Bishop's.
When the late Bishop went to Calcutta
in 1897 he specially referred thereto in
his letter -

(Letter of 20-5-99)

C.S.
I asked whether any sanction
had been given, but as no
paper had been put up by
the Reference showing this, the
second assistant naturally
informed me that no sanction
had been given.

The fact that no reference
to the sanction was made in
the letter of the Bishop's
chaplain is certainly a
considerable extenuation.
