Local Funds—Bungalows.

Read the following papers:—

No. 183. *Proceedings of the Board of Revenue, dated 17th July 1877, No. 10,147 (Miscellaneous).*

Read the following letter from H. St. A. GOODRICH, Esq., President of the Local Fund Board, Vizagapatam, to the Secretary to the Board of Revenue, dated 23rd June 1877, No. 485:—

The Local Fund Board of the Vizagapatam Circle when framing the Budget for the current official year contemplated the establishment of travellers' bungalows at Chodavaram, Subbavaram, and Palconda, and provided in the Budget a sum of Rupees 3,000 for the construction of buildings at those places.

2. There are at present two old bungalows at Chodavaram and Subbavaram. The bungalow at Chodavaram was formerly constructed by Government for the Cutcherry of the Head of Police at that place, and though very small was used for some years either as Taluq Cutcherry, Police Station or Subsidiary Jail. A new Taluq Cutcherry according to the Standard Plan was built subsequently, and the Sub-Magistrate's Office, the Police Station, and the Subsidiary Jail were removed thither. The old building was therefore taken charge of by the Department of Public Works who removed the doors and door frames to Yelamanchily, and used them in the Tahsildar's Cutcherry constructed at that place. The bungalow is now unoccupied and is used by the European travellers. The building at Subbavaram was formerly a travellers' bungalow on the trunk road. It was subsequently abandoned as such, and has since been in the possession of the Department of Public Works. It is kept in repair from the maintenance grant of the trunk road, and is used by the District Officers on tour.

3. The Local Fund Board considered that the erection of new buildings at Chodavaram and Subbavaram would entail great cost, and that, if some additions and alterations were made to these old bungalows, they would suit well as travellers' bungalows, while the Local Fund Board would be saved a large expenditure, and called for estimates for repairing the buildings and adding thereto stables and cook-rooms, and for constructing a new bungalow with outhouses at Palconda.

4. The District Engineer furnished the following estimates:—

	RS.
1. Estimate for repairing the bungalow and stable at Subbavaram ..	530
2. Do. do. do. at Chodavaram ..	352
3. Do. for constructing a stable and cookroom at Chodavaram.	328
4. Do. do. a bungalow with outhouses at Palconda.	2,965
Total ..	4,175

The Local Fund Board considered them at their last meeting and sanctioned them all with the exception of the last one, and requested me to move Government to make over to them the two old bungalows at Chodavaram and Subbavaram.

5. These buildings are now repaired at the Local Fund Board's cost from their road grants, and used for the accommodation of travellers. They will be used for the

same purpose hereafter, but necessary servants will be maintained and provision made to keep the buildings in substantial repair. I have the honor to request that you will be so good as to obtain the early sanction of Government for the transfer to the Local Fund Board of the two old bungalows above referred to.

6. The Local Fund Board considered that the estimate for the construction of the bungalow at Palconda is excessive, and resolved to postpone the work for the present.

Submitted to Government with the Board's request that the transfer of the old bungalows at Chodavaram and Subbavaram to the Local Fund Board of the Vizagapatam Circle may be authorized. The latter bungalow appears in the list of Inspection Bungalows, &c., embodied in G.O., Financial Department, dated 5th December 1876, No. 2195.
