Read the following letter from H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore, to the Secretary to the Board of Revenue, dated Tanjore, 21st December 1877, No. 671:—

With reference to paragraph 2 of G.O., 21st November 1877, No. 2734, communicated in Board's Proceedings, 5th December 1877, No. 5169, I have the honor to report that since my letter of the 20th December 1876, No. 631, in which it was proposed to rent a house for the lying-in patients, it has been proposed to construct a fresh building on the plan of the Mysore hospitals, and a sum of over Rupees 27,000 has been already subscribed by some of the rich Mirassidars of the district, who contemplate constructing the buildings under their own supervision according to the plans received from Mysore and then making them over for the purposes of the hospital.

2. The plans had the approval of the Surgeon-General and were sent for at his kind suggestion.

Submitted for the information of Government with reference to paragraph 3 of Board's Proceedings recorded in G.O., 21st November 1877, No. 2734.
