THE foregoing letters are replies to paragraph 3 of G.O., Financial Department, dated 5th December 1876, No. 2,195, in which the Government stated that they would sanction the transfer to Local Funds of the buildings known as inspection bungalows, tool-sheds, store-sheds, rest-houses, &c., in all cases in which the Local Fund Boards concerned may desire it, and will undertake to keep the buildings in good repair, and called on all Presidents of Local Fund Boards to report on these points, and to state whether their respective Boards will be prepared to maintain a sufficient staff of servants in such of the bungalows as are suited for the accommodation of travellers and are likely to be of use to the general public as well as to the Local Fund service.

2. The accompanying list shows the names of the travellers' bungalows, inspection bungalows, tool-sheds, &c., as they appear in the printed list embodied in the Government Order quoted, and how it is proposed to dispose of them.

1. Cuddapah.
2. Bellary.
3. Penukonda.
4. Gooty.
5. Saidapet.
6. Chingleput.
7. Vellore.
8. Tanjore.
9. Negapatam.
10. Tinnevelly.

3. The Local Fund Boards of the circles marginally noted decline to take charge of the buildings in their circles for the following reasons: The Cuddapah, Bellary, Penukonda and Gooty Local Fund Boards are unable to take over the buildings for want of funds to meet the cost of their upkeep. The Saidapet Board, while refusing generally to take the buildings for similar reasons, propose the transfer to them of the tool-shed at the 17th mile on the north bank of the Cortelliar bridge for the purpose of utilizing it as a toll-house.

The Chingleput Board think that the buildings may be left in the charge of the Public Works Department, as they are all in good order and are maintained by that department at a trifling cost.

The Vellore, Tanjore and Negapatam Local Fund Boards assign no reason for declining to take over the buildings in their circles. In Tinnevelly the buildings are said to be unsuited for the accommodation of travellers.

4. The Madhanapalle Circle Board desire to retain only the bungalows which have already been made over to them.

5. The Cocanada Local Fund Board are willing to take charge of the bungalows, &c., mentioned in the list and entertain a sufficient staff of servants, while the Ellore Board are desirous of taking over the tool-sheds only; but neither of them give the names of the buildings to which they refer.

6. In the Government Order under reference, the total number of bungalows, &c., is given as 497, whereas the correct number is 522. These are shown classified in a separate statement, and their distribution may be summed up as follows:—

	No.
1. To be taken charge of by Local Fund Boards	237

9. Required for the Buckingham Canal...	1
10. No information	1
11. Ordered to be sold	1
12. To be abandoned	8
Total ...	522

7. Besides the 522 buildings in the list it is stated that there are 31 others as hereunder detailed:—

Trichinopoly	3	1	2	...

Total ...	31	11	19	1

8. The Board recommend that orders be issued for the transfer of such of the buildings as are desired by the Local Fund Boards, and that the buildings neither desired by the Local Boards nor required by the Public Works Department be put up to auction or otherwise disposed of with the least practicable delay.
