GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Acting Chief Secretary to Government, dated Ootacamund, 27th September 1883, No. O-343.

I have the honor to submit, for the favorable consideration of the Right Honorable the Governor in Council, the accompanying application from the assistant apothecary lately sanctioned * for the police force at Baliguda for a special allowance on account of the unhealthiness of the climate and dearness of living in the hill tracts of Ganjam.

2. The conditions of living, both as regards health and cost of food supplies, are much the same as those at Jeypore, for which a special allowance of 50 rupees was sanctioned in G.O., No. 295, dated 17th April 1882, Judicial, to the apothecary in charge at that station, and I would recommend the same amount being sanctioned for Baliguda, in addition to the rank pay and all other allowances which a warrant medical officer would be entitled to in the plains. The grant should also be applicable to a civil apothecary in the event of a member of that branch being detailed for duty at Baliguda or Jeypore.

3. Service in Baliguda is attended with so many disadvantages that Government have sanctioned † for hospital assistants a special allowance of 25 rupees by way of compensation, and I have ascertained that members of the constabulary force are also granted a batta ranging from 1 to 15 rupees according to their rank in the force.

ORDER—dated 6th October 1883, No. 2249, Financial.

A special allowance of Rs. 50 is sanctioned as proposed by the Surgeon-General.

2. In the event of a civil medical subordinate being detailed for duty at Baliguda, application should be made for a renewal of the sanction now given.
