N^o 128. — Cash Chests, Deposits, in Police Stations

L. No 126 of
1861.

1. Police officers are strictly forbidden to take charge of any money or valuable property for other Departments, unless securely placed in a well locked box and sealed in such a manner as to prevent the contents being tampered with.

P. W. L. page
78 of 1873.

2. It is only at Lushah and large Police Stations where a regular watch is furnished that arrangements can be made for the custody of public money. It is nevertheless safer to lodge cash chests in small Police Stations than out of them, but Officers of Departments taking these precautions are expected to remain in the immediate neighbourhood and to detail their lascars to take charge of the money.

3. Police Station Houses may be used

used temporarily as places of safe deposit
of cash chests of Government Departments
under the above conditions.
