NOTE FOR THE UNDER SECRETARY.

With reference to the Chief Secretary's remark on the draft order in this case, it is submitted that the proceeds of taxation are very seldom or never funded on behalf of hospitals and Dispensaries. The funded Capital which most of these institutions possess consists of special endowments or the excess after providing for the necessary buildings &c, of public subscriptions raised for the purpose of starting them. It is submitted therefore that it is objectionable to allow such investments to be withdrawn by Local Boards who are only trustees, save in exceptional cases.

In the present case, the funded capital is only Rs 2500 invested in Govt Securities and when there are ample funds elsewhere, as pointed out in the draft, there is hardly any necessity for an appropriation from such capital.

No 744

Municipal Councillors Office
Bellary 17th October 1885

From,

The Chairman
Municipal Council
Bellary

To,

The Under Secretary
to Government,
Madras.

Sir,

I have the honor to request the sanction of Government for the payment out of Funded Capital of an amount of Rupees 568-11-2, being the balance due for repairs and alterations executed in converting the bungalow presented by Mr. Sabapathy Mudaliar into a hospital, and in building two double latrines and bath rooms for the same. Out of the allotment in the revised estimate for 1884-85 of Rs 2500, the sum of Rs 1365-6-4 only was disbursed, and the above balance was not paid as the accounts had not been scrutinized and adjusted by the end of the year.

I beg also to request sanction for certain further improvements with the view of providing a lying-in room and operation room within the main building, instead of separate buildings as at first proposed. These improvements recommended by the Surgeon!

Approved by the

about Rs 420.

As provision for these charges has,
through oversight, been omitted in the Budget
of the current year, sanction is now sought
for the appropriation of Rs 1000 out of Rs 2500
in Funded Capital, to meet the expenditure
necessary for the above two items, in accordance
with the remarks contained in G. O. No 2412
dated 13th October 1884, that "if any unforeseen
circumstances should require a modification"
of the allotments, Government will always
be ready to sanction a revision of the
budget."

I have the honor to be,

Sir,

Your most obedient servant,
