2 In February, 1886, he received permission for the construction of two bazaar within his Compound on the north side of bazaar No. 1, but in contravention of the order given to him, he converted his house building into 1 bazaar and extended them also in the same way as he did with bazaar No. 1.

3 I inspected the locality and am of opinion that there is an encroachment to the extent of 10 ft. from the line of the old building. The matter was laid before the Council who resolved to prosecute him under Section 212 &
