GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From H. R. GRIMES, Esq., Inspector-General of Jails, Madras, to the Chief Secretary to Government, dated Madras, 15th September 1886, No. 262.

I have the honor to submit the budget estimate of receipts and charges of the Jail Department for the year 1887-88, aggregating Rs. 1,74,500 and Rs. 9,25,000 respectively.

		Rs.
Actuals ..	1883-84	2,13,701
	1884-85	2,03,216
	1885-86	1,69,084
Estimates .	1886-87	1,65,500
	1887-88	1,74,500

2. The receipts for the year 1887-88 are estimated at Rs. 1,74,500, being in excess of the amount estimated for the year 1886-87 by Rs. 9,000, and also in excess of the actuals for 1885-86 by Rs. 5,416.

3. The receipts under the head "Sale-proceeds of jail manufactures" have been estimated with reference to the probable requirements of the Police Department, with a margin for sales to private individuals on account of woollen carpets, tents, &c.

4. The receipts on account of "hire of convicts" have been estimated at Rs. 9,000, which is below the estimate for 1886-87 by Rs. 1,000, and is in excess of the actuals of the year 1885-86 by Rs. 267.

5. *Profits of Convict Labor.*—The receipts under this head are estimated at Rs. 25,000, which is less than the estimate for 1886-87 by Rs. 2,000, and in advance of the actuals for 1885-86 by Rs. 2,985.

6. The estimated receipts under the head "Miscellaneous receipts" have been taken at Rs. 3,500 with reference to the actuals for 1885-86; it is less by Rs. 249 than the actuals for the past year, but is in excess of the estimate for 1886-87, the current year, by Rs. 1,000.

7. The estimated charges for the year 1887-88 amount to Rs. 9,25,000, against Rs. 9,17,000 sanctioned for the year 1886-87, and is also in excess of the actuals for the year 1885-86 by Rs. 1,26,400. The cause of increased provision will be fully explained under each head of charge. The estimate has been prepared, as far as practicable, with due regard to the actual requirements of the several Central and District jails based on an anticipated jail population of about 7,000 prisoners.

		Rs.
Actuals ..	1883-84	7,89,047
	1884-85	8,02,156
	1885-86	7,98,600
Estimates ..	1886-87	9,17,000
	1887-88	9,25,000

8. *Inspection and General Superintendence.*—The charges estimated on account of Inspection and general superintendence for the year 1887-88 are Rs. 38,000, as that estimated for the year 1886-87, but in excess of the actuals for the year 1885-86 by Rs. 1,631.

		Rs.
Actuals ..	1883-84	35,778
	1884-85	37,282
	1885-86	36,369
Estimates ..	1886-87	38,000
	1887-88	38,000

9. It will be noticed that the travelling allowance of the Inspector-General and that of his establishment is the same as that provided for the year 1886-87, viz., Rs. 2,500 and 1,500, respectively, which is in excess of the actuals for the year 1885-86 by Rs. 1,473. The estimated amount will be required, as it is my intention to make more frequent inspections if possible.

10. *Office Rent.*—Being a fixed charge, a sum of Rs. 600 has been estimated for as in previous years.

11. *Presidency Jail, Civil Debtors' Jail.*—The estimated charges for the year 1887-88 are Rs. 3,500, which are equal to the grant sanctioned for the year 1886-87, but are in advance of the actuals of the year 1885-86 by Rs. 397. The increase is in the item of hospital charges and contingencies.

		Rs.
Actuals	1883-84	3,123
	1884-85	3,721
	1885-86	3,103
Estimates	1886-87	3,500
	1887-88	3,500

12. The other items call for no remarks, being fixed charges.

13. *Penitentiary, Madras.*—The charges estimated on account of the Penitentiary for the year 1887-88 are Rs. 70,700, being in advance of the provision sanctioned for the year 1886-87 by Rs. 2,000, and are also in excess of the actuals for the year 1885-86 by Rs. 10,268. It will be observed that increased provision is made under the heads Establishment and Rations; the former is in consequence of the entire guarding of the jail being carried out departmentally, as directed by G.O., No. 612, Judicial, dated 9th March 1886, from the Police Department, and the latter on account of Burmese convicts expected from British Burma, as notified in G.O., Mis. No. 1041, dated 20th April 1886.

		Rs.
Actuals	1883-84	59,632
	1884-85	60,747
	1885-86	60,432
Estimates	1886-87	68,700
	1887-88	70,700

14. Rupees 7,500 have been estimated under the head Passage-money of convicts for the year 1887-88, which is equal to the grant sanctioned for the year 1886-87 and is in advance of the actuals for the year 1885-86 by Rs. 1,709. The estimate for the year has been based with reference to the average expenditure for the past three years, which amounts to Rs. 7,518.

15. *Central Jails.*—The estimated charges on account of Central Jails for the year 1887-88 are Rs. 4,63,800, and are in excess, when compared with the estimate for 1886-87, by Rs. 19,500, and also in excess of the actuals for the year 1885-86 by Rs. 65,193. It will be observed that the increase provision has been made in the items of Establishment and Rations. The increase under the head "Establishment" is owing to the entire guarding of the central jails being now carried out departmentally.

		Rs.
Actuals	1883-84	3,97,358
	1884-85	4,12,478
	1885-86	3,98,607
Estimates	1886-87	4,44,300
	1887-88	4,63,800

16. The increase in the item of rations is due to provision having been made for the additional Burmese convicts expected from British Burmah during the year 1887-88, and in consequence of the higher rate at which their rations are procurable compared to that of the natives.

17. It will also be observed that the increase of Rs. 65,193 between the actuals of 1885-86 and the estimated amount for the year 1887-88 is chiefly due to increased provision having been made in the items of Superintendent's pay, establishment, rations, saderward and contingencies; this excess expenditure is due to the annual increments of the Superintendents at Coimbatore, Trichinopoly and Cannanore, to the introduction of Jail guard service, for rationing Burmese convicts and providing uniform, accoutrements, &c., for the jail guard service. The other items are not much in excess of the actuals for the year 1885-86, and call for no special remarks.

18. *District Jails.*—The charges estimated for the District Jails for the year 1887-88 are Rs. 2,76,100, and are below the grant sanctioned for the year 1886-87 by Rs. 15,200, but in excess of the actuals for 1885-86 by Rs. 57,226. This increase is in the items of Superintendents' pay, establishment, and saderward and contingencies. The excess provision in the item of Superintendents' pay is due to the pay of the non-resident and resident Superintendents for the Reformatory school having been provided for at Chingleput, together with the annual increments to the Superintendents at Tanjore, Tinnevelly and the European prison, Ootacamund. The explanation afforded under Central Jails regarding the increased provision under the head Establishment, Saderward and Contingencies, is equally applicable to the increased provision in the corresponding heads of the District Jails and also to the entertainment of the establishment for the Reformatory.

		Rs.
Actuals	1883-84	2,26,208
	1884-85	2,17,330
	1885-86	2,18,874
Estimates	1886-87	2,91,309
	1887-88	2,76,100

19. *Lock-ups.*—The charges estimated for Lock-ups for the year 1887-88 amount to Rs. 72,900, which is in excess of the amount sanctioned for the year 1886-87 by Rs. 1,700, and is less than the actuals of 1885-86 by Rs. 8,315. The decrease is in the items of charges and diet, &c., of prisoners under trial and sentence.

		Rs.
Actuals	1883-84	66,948
	1884-85	70,598
	1885-86	81,215
Estimates	1886-87	71,200
	1887-88	72,900

20. The estimate for the year 1887-88 has been based with reference to the average expenditure of the three preceding years, which amounts to Rs. 72,920.

21. In obedience to the instructions contained in G.O., No. 1108, dated 25th June 1878, a detailed statement of office contingencies subject to regular audit, and those admissible without detailed audit, appertaining to the office of the Inspector-General of Jails, is herewith forwarded. A similar statement for the central and district jails, as well as for the Penitentiary and Civil Debtors' Jail at Madras, and also for subsidiary jails, will be duly furnished to the Accountant-General, on the receipt of the order of Government sanctioning the budget of this department.

22. I beg also to submit a separate estimate for petty works of construction and repairs to prison buildings to be executed departmentally and charged to "Petty construction and repairs." The amount required for the several central and district jails is Rs. 20,900 for the year 1887-88, similar to that sanctioned for the year 1886-87, which is also below the actuals for the year 1885-86 by Rs. 382.

23. The actuals for the year 1885-86 were checked with the registers of the Accountant-General's office, and accordingly entered in the budget estimate.

From H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 20th October 1886, No. 301.

With reference to paragraph 3 of the order of Government, dated 14th June 1886, No. 1571, Judicial, I have the honor to state I am unable to make any great reductions in the cost of the jail establishments, as my previous calculations were based on the lowest scale that the jails can be guarded with efficiency or safety. In fact some of the establishments are now much below their requirements, notably the District Jails of Calicut and Nellore. The Superintendent of the former jail reports that unless a more efficient establishment can be provided for his jail, he thinks the duty of guarding had best be left to the police. The Superintendent of Nellore reports that it will be impossible to carry out the guarding with the recently sanctioned establishment, for he is now required to do the work with 15 warders, which

has hitherto required 11 warders and 29 police constables, that he may possibly be able to carry out the actual guarding; but he has not a sufficient number of men as a reserve for casualties or escort duties.

2. The establishments of these jails were calculated on the same basis as the establishments of the other jails, *i.e.*, on their average population for the last three years, allowing one warder to every seven convicts, with 10 per cent. additional men to meet casualties and to provide for escort duties. These jails, however, have as large an area to be guarded and as large a capacity as most other district jails, for Calicut can contain 258 prisoners in all and Nellore 273 prisoners; but owing to their average population having been lower during the last three years than most other jails, the above calculation does not allow them enough men to carry out the necessary duties efficiently. I have, however, not increased their establishments in the proposition statement I am now submitting, but would suggest that the police protective guard should be required at these two jails to furnish sentries at the main gate and elsewhere about the jail precincts if possible. By this arrangement the warder guard will be relieved, and men will be available to meet casualties and escort duties.

3. The only reductions in the jail establishments which can be made are as follows:—

(1) To abolish the appointments of the second clerks at the district jails of Cuddalore and Madura, the pay of which is Rs. 25 monthly in each jail.

(2) To reduce the pay of ten third-grade warders at the Cuddalore jail from Rs. 7 to Rs. 6 each monthly.

(3) To abolish the protective police guards at the cellular jails of Tanjore and Tinnevelly, and to increase their warder guard. As the prisoners in these two jails are mostly in separate confinement day and night, there is not so much necessity for a protective guard as there is in other district jails. By these reductions there will be a monthly saving of Rs. 133, or an annual saving of Rs. 1,596 in the cost of the establishments of this department.

4. Considerable reductions can be made in the strength of the police protective guards. The strength of these guards is in many jails more than half the strength of the warder guard, as will be observed from the accompanying statement marked A. I have addressed the Inspector-General of Police on this subject, and he agrees that the reductions I propose can be made. The result of these reductions will be a monthly saving of Rs. 392, or an annual saving in the cost of police protective guards Rs. 4,704.

5. The last proposition statement I submitted showed a monthly increase of Rs. 48-12-0, to which, as the Government remarks, Rs. 21 monthly had to be added for the extra warders sanctioned in G.O., dated 11th May 1886, No. 1214, Judicial. The total increase therefore on the cost of the whole scheme was Rs. 69-12-0 monthly, or Rs. 837 annually. This has since been decreased by a reduction of the establishment at the Central Jail at Coimbatore to Rs. 30-12-0 monthly, or Rs. 369 annually. A further reduction will be effected by the abolition of the District Jail at Chittoor of Rs. 303-8-0 monthly, or Rs. 3,642 annually. Summing up the whole of these reductions, there will be on the proposition now submitted a substantial reduction on the whole scheme of Rs. 9,573 annually, as will be more clearly seen from the accompanying statement marked B. Beyond this, further reductions are impossible, unless the closing of the District Jails at Rajahmundry and Trichinopoly is sanctioned, by which, as I have already shown, a further reduction of about Rs. 8,000 will be effected.

6. The Government remarks on the inequality that exists in the strength of the establishments of the central jails, especially in regard to the establishment at Trichinopoly with that of the Penitentiary, and directs that it should be considered whether the strength of the establishments at the three largest central jails cannot be reduced to the standard adopted in the three smaller central jails. I have the honor

to point out that the Central Jail at Trichinopoly requires a larger establishment than the Penitentiary, owing to the extent of ground it covers, which necessitates many more sentries to guard it. The jail itself covers 21 acres of ground exclusive of gardens and farm lands which comprise some 180 acres more; whereas the Penitentiary, including its garden, barely covers 14 acres. The same cause necessitates larger guards at the Central Jails of Rajahmundry, Vellore, and Coimbatore, than at Salem and Cannanore.

7. In the several proposition statements I have submitted on the guarding of jails departmentally, an increase of Rs. 10 monthly has been shown to the pay of all the deputy jailers in district jails. I consider this increase is necessary, as the duties of these officers will be increased by the introduction of the new system of guarding; they will have to supervise the guards generally, and will have to be on duty on alternate nights with the chief warder. But as many of the existing deputy jailers are not competent yet to be in charge of the guards, I propose the increased salary should be dependent upon their qualifying for it, and therefore I shall not permit of their drawing it until the Superintendents furnish a certificate that these officers have qualified for it. I request the Government will approve of this procedure.

8. In conclusion, I beg to explain that the cause of the excessive delay that has occurred, in my replying to the order already quoted, is due to the following circumstances. I received the order in July, two days prior to my taking two months' privilege leave. Colonel McLeod, who acted during my absence, did not wish to suggest alterations or reductions in establishments, which had been proposed by myself, neither was he sufficiently conversant with many of the district jails, to be able to state in which of them reductions could be made, he therefore left the question for my disposal; consequently I found on my return from leave last month that the reply to this order was pending. Since my return there has been a press of work in my office, and delay has therefore occurred in preparing the proposition statement, which is now submitted for final orders.

No. 2078 C.

Approved and transferred to the Financial Department.

(By order.)

30*th November* 1886. (Signed) H. A. STUART,
Under Secy. to Govt.

Order—dated 20th December 1886, No. 1353, Financial.

The budget estimate of Receipts under XVI, *Law and Justice—Jails*, for 1887-88, is taken at Rs. 1,74,500, as against Rs. 1,93,000, the original estimate of the current year. The Jail Department were unable to supply the new description of clothing required for the police. The material was therefore purchased from the Carnatic Mills Company,* with the result that the Jail Department receipts in 1886-87 are expected to fall short of the original estimate by Rs. 27,500. Endeavours are being made to prevent a similar loss to Government in 1887-88, and as the Government of India have resolved† to remove some existing restrictions on jail manufactures, the estimate for 1887-88 will be raised to Rs. 1,93,000—the sanctioned amount of the current year.

† G.O., Judicial, No. 1493, dated 7th June 1886.

2. The following statement shows that the receipts in 1885-86 were unusually low. The cause has not been explained. Full particulars should in future be given of the fluctuations under each head in the budget:—

Years.		Jail manufactures.	Hire of convicts.	Profits of manufactures.	Miscellaneous receipts.	Total.

3. *Inspection and Superintendence.*—A provision of Rs. 550 is made under *Contingencies* on account of *Printing* charges (chiefly for printing the Annual Administration Report at the Lawrence Asylum Press). The report should be printed at the Government Press. Under Travelling Allowances, the average expenditure during the last six years has been Rs. 3,124. The grant for 1887-88 will be fixed at Rs. 3,050. The total allotment under *Inspection and Superintendence* will then stand at Rs. 36,500.

Presidency Jails.

4. *Civil Debtors' Jail.*—The provision of Rs. 180 for the conveyance allowance of the jailor will be struck out, as only actual expenses will probably in future, under the proposals of the Finance Committee, be paid by Government. The budget will accordingly be reduced to Rs. 3,400 in round numbers.

5. *Penitentiary.*—Under *Salaries*, the additional provision of Rs. 600 is due to the conveyance allowance of the Superintendent, omitted from the budget of 1886-87. Under *Medical Establishments*, a hospital assistant on Rs. 35 is substituted for an apothecary on Rs. 230 per mensem. Under *Other Establishments*, the provision of Rs. 180 on account of the conveyance allowance of the jailor will be struck out, and Rs. 100 added under *Travelling Expenses*.

6. The following statement exhibits the changes introduced from time to time in the sanctioned scale of the Penitentiary:—

In G.O., No. 1571, Judicial, dated 14th June 1886, a scale of establishment was provisionally sanctioned for giving effect to the scheme for substituting jail for police guards, and a proposition statement has now been submitted by the Inspector-General of Jails for formal sanction. The cost of the Penitentiary corresponds with that provisionally approved. It is, however, observed that though a reduction of 13 men on Rs. 7 has been made in the total strength, the aggregate annual saving, as compared with the original scale, is only Rs. 492, or Rs. 3 a month per man. In superseding police guards by jail warders, the Inspector-General has considerably increased the pay of the superior staff of warders and has thus absorbed the savings which would have otherwise accrued by placing the bulk of the men on the minimum pay of Rs. 7 (*vide* figures in the margin). Subject to the remarks below on the pay proposed for the superior grades of warders, the provision made for the Penitentiary will stand. The police budget under *Presidency Police* contains no provision for jail guards. The jail budget for 1887-88 under *Other Establishments* will accordingly be passed for Rs. 14,800 in round numbers — Rs. 180 or Rs. 14,620.

An excess provision of Rs. 2,000 over the grant of the current year under *Rations* is said to be due to the transfer of Burmese convicts to the Penitentiary. The expenditure on this account in all the jails should be kept distinct from the ordinary expenditure of the Madras Presidency, as the cost will have to be recovered from the Government of British Burma.

8. Under *Miscellaneous Contingencies*, provision is made for the clothing and accoutrements of the new warder guards taken over from the Police Department. This should in future be shown separately. Much of the expenditure on account of accoutrements will be defrayed in the current year, and should not recur. For clothing a sum of Rs. 516 (for 43 men at Rs. 12 each) should suffice for 1887-88, and Rs. 10,140 for all contingent charges. Details should in future be given under Contingencies.

9. The estimates under "*Passage Money of Convicts*" and *Purchase of Raw Materials* should in future be grouped together under the distinct minor heads "*Transportation of Convicts*" and "*Jail Manufactures*" respectively.

10. The total grant under *Presidency Jails* will be fixed at Rs. 62,000 in round numbers as shown below :—

CENTRAL JAILS.

11. *Salaries.*—The budget of 1886-87 wrongly included a provision of Rs. 4,800 on account of the personal allowances granted to two Military officers, which are debited in the accounts to *Imperial Military*. On the other hand it did not provide for the conveyance allowance of Rs. 50 per month granted to the Superintendents of the Central Jails at Rajahmundry and Trichinopoly. With the abolition of these District Jails, however, the allowances in question will cease, and the provision, Rs. 1,200, will therefore be struck out of the budget for 1887-88, and the grant for salaries will be Rs. 54,200.

12. *Establishments.*—An increase of Rs. 16,000 is provided for over the actuals of 1885-86. The sanctioned scale of the six Central Jails at different dates has been as follows :—

13. The new jail guard scheme was first introduced into the Jail Department experimentally in the three Central Jails of Rajahmundry, Vellore, and Coimbatore, the protective guards alone being left with the Police Department. The result was an increase in cost of Rs. 792 per annum, notwithstanding a reduction in strength of eight men. Under G.O., No. 1571, dated 14th June 1886, the whole of the guarding (including protective guards) was taken over by the Jail Department, and the new system extended to the six Central Jails, the result being an

on the abolition of the District Jail at Chittoor sanctioned in G.Os., Judicial, Nos. 2129 and 2818, dated 12th August and 19th October 1886. Considering, however, that the Inspector-General has, throughout the reorganized scheme, provided for a large increase of pay to the staff of warders as shown in the margin, the Government are of opinion that no further additional cost should be allowed under *Central Jails*, and that the total expenditure on account of the new scheme should for the present be restricted to the amount provided in the budget of 1887-88, viz., Rs. 47,316. The Government will not insist on a reduction of the number of men, but a redistribution of salaries must be made on a more economical scale.

14. In District Jails the Inspector-General has raised the pay of deputy jailers by Rs. 10 in consequence of the greater responsibility devolving on them under the new scheme, and restricted the pay of chief warders to Rs. 15 per mensem. An extension of the system of employing well-behaved convicts * as warders would lead to further economies. It should be considered whether it is necessary to retain ten European warders at the Coimbatore Central Jail, while there are only six in the Penitentiary and five in the European Prison at Ootacamund. On the other hand the rates of pay in the two latter places are disproportionately high. It does not appear why a chief warder in a Central Jail should draw Rs. 40 and in the Penitentiary Rs. 60.

The provision for 1887-88 under *Rations* would appear to be fixed solely with reference to the actuals of 1885-86 with a slight increase* on account of Burmese convicts. The average of the last three years is Rs. 1,27,000. This amount is passed for existing Central Jails. But to this should be added the charges provided by the Inspector-General under the District Jails of Vellore, Rajahmundry, and Trichinopoly since abolished, as the prisoners will be transferred to the Central Jails. With reference, however, to possible reductions in the cost † of diet, &c., the grants will be fixed at Rs. 1,37,000.

17. Rs. 22,000 should suffice for *Contingencies* including additions for District Jails transferred.

18. The total grant for *Central* Jails will then stand at Rs. 3,16,000 in round numbers as follows :—

DISTRICT JAILS.

19. *Salaries.*—An increase of Rs. 8,000 over the actuals of 1885-86 is provided for under this head. Of this a sum of Rs. 4,400 is due to provision being made for increments as well as for a whole year's salary to the Special Superintendents appointed in July 1885 for the District Jails at Tanjore and Palamcottah. The remainder, Rs. 3,600, is on account of the supervising staff of the Reformatory school at Chingleput, provisionally sanctioned in G.O., Judicial, No. 2167, dated 17th August 1886, viz., a Deputy Superintendent on Rs. 200 per mensem, and a resident Medical officer with an allowance of Rs. 100. The last item should be transferred to the Medical budget which provides for the jail allowance of Medical officers. Rs. 1,200 will accordingly be struck out, and the grant fixed at Rs. 16,340.

20. *Hospital Assistants.*—The provision under this head will be reduced from Rs. 8,400 to Rs. 7,680, with reference to the abolition of the District Jails noted in the margin.

22. *Clerks.*—The Inspector-General has found it possible to do away gradually with the appointments of second clerks and executioners in the District Jails of Kurnool, Cuddalore, and Madura; he retains them, however, in the District Jail at Bellary. He also retains the clerk on Rs. 35 to Rs. 40 per mensem hitherto in Chittoor, under a new heading "Vellore District Jail." The necessity for the appointment was questioned in paragraph 2 of G.O., Judicial, No. 2129, dated 12th August 1886, and, in reply, the Inspector-General stated that it was required "as the statistics and accounts for District Jails had to be kept distinct from Central Jails." There are, however, two clerks in each of the Central Jails at Vellore, Rajahmundry, and Trichinopoly, and as the main object of the amalgamation was economy, no extra clerks can be allowed.

Excluding the provision in the budget for these clerks as shown in the margin, the grant for clerks in 1887-88 will be reduced from Rs. 9,532 to Rs. 8,092.

23. *Jailers, Deputy Jailers and Warders.*—In the scheme approved generally in G.O., Judicial, No. 1571, dated 14th June 1886, the Inspector-General raised the pay of 15 deputy jailers by Rs. 10 each, and created a new deputy jailer for the Párvatipur hill jail on Rs. 25 per mensem, making a total increase of Rs. 2,100 per annum. This increase was not counterbalanced by any reduction when the

guarding of convicts was taken over from the Police Department (*vide* statement in the margin). In the proposition statement now before Government the Inspector-General effects no savings in his own department except a small sum of Rs. 120 in the Cuddalore jail; and this is done by a redistribution of salaries without any reduction in strength. He finds it, however, possible to curtail the police protective guard by no less than 45 men,* costing Rs. 5,580 per annum.

24. The Inspector-General has taken over the entire protective guard from the police in the 2 cellular jails of Tanjore and Tinnevelly. If this were found possible in the other District Jails, the services of the police departmental guards could be availed of if necessary in the first instance. The pay of deputy jailors has already been raised, and they would thus seem to be in a position to assume the additional responsibility. If this transfer be effected, the provision of Rs. 14,466 for 140 protective guards in the police budget may at once be struck out.

25. The provision on account of the Vellore, Rajahmundry and Trichinopoly District Jails since abolished will be struck out and the budget reduced by Rs. 7,056 as follows:—

26. No credit is taken for any savings likely to accrue by the abolition of the District Jails at Kurnool and Ootacamund or the European Prison at the latter place.

27. The estimate of the Reformatory at Chingleput agrees with the scale sanctioned in G.Os., No. 1272, Judicial, dated 14th May 1886, and No. 2167, Judicial, dated 17th August 1886, and is approved. The total grant under *establishments* in District Jails will, with the above modifications, stand at Rs. 77,000 (exclusive of police protective guards) against Rs. 85,516 budgeted for as shown below:—

31. In paragraph 2 of his letter recorded in G.O., Judicial, No. 2130, dated 12th August 1886, the Inspector-General proposed that on the abolition of the Trichinopoly District Jail the combined subsidiary jail and lock-up at that station should have an additional establishment costing Rs. 456 * per annum. In the proposition statement now before Government an additional provision of Rs. 444 per annum is made for the Chittoor Subsidiary Jail. These two amounts will now be added to the budget for 1887-88, and Rs. 3,200 provided for charges on account of *conveyance of prisoners*. The last item has been omitted in the Inspector-General's estimate. The total grant under lock-ups will then stand at Rs. 77,000.

Final No. 3 —

Sir,

Enclosure 3

I have the honor to submit the Budget Estimate of Receipts and Charges of the Jail Department for the year 1887-88 aggregating Rupees 1,74,500 and Rupees 9,25,000 respectively.

Actual: 1883-84 - 2,13,701; 1884-85 - 2,03,216; 1885-86 - 1,69,084

Estimate: 1886-87 - 1,65,500; 1887-88 - 1,74,500

2. The receipts for the year 1887-88 are estimated at Rupees 1,74,500 being in excess of the amount estimated for the year 1886-87 by Rupees 9,000 and also in excess of the actuals for 1885-86 by Rupees 5,416.

Final 1288/86

3. The receipts under the head "Sale proceeds of Jail manufactures" have been estimated with reference to the probable requirements of the Police Department, with a margin for sales to private Individuals on account of Woollen Carpets, Mats &c.

4. The receipts on account of Hire of Convicts have been estimated at Rupees 9000 which is below the estimate for 1886-87 by Rupees 1000 and is in excess of the actuals of the year 1885-86 by Rupees 264.

5. Profits of Convict Labor. The receipts under this head are estimated at Rupees 25.000 which is less than the estimate for 1886-87 by Rupees 2,000, and in advance of the Actuals for 1885-86 by ~~Rs~~ 2985.

6. The estimated receipts under the head "Miscellaneous Receipts" have been taken at Rupees 3,500 with reference to the actuals for 1885-86 it is less by Rupees 249 than the actuals for the past year but is in excess of the estimate for 1886-87 the Current year

EP
28

year by Rupees 1000.

7. The estimated charges for the year 1887-88 amount to Rupees 9.25.000 against Rupees 9.14.000 sanctioned for the year 1886-87 and is also in excess of the actuals for the year 1885-86 by Rupees 126.400. The cause of increased provision will be fully explained under each head of charge. The estimate has been prepared as far as practicable, with due regard to the actual requirements of the several Central and District Jails based on an anticipated Jail population of about 4000 prisoners.

8. Inspection and General Superintendence. The charges estimated on account of Inspection and General Superintendence for the year 1887-88 are Rupees 38.000 as that estimated for the year 1886-87, but in excess of the actuals for the year 1885-86 by ~~Rs~~ 1631.

9. It will be noticed that the travelling allowance of the Inspector General and that of his

Establishment

establishment is the same as that provided for the year 1886.87 viz Rupees 2500 & 1500 respectively which is in excess of the actuals for the year 1885.86 by Rs 1473. The estimated amount will be required, as it is my intention to make more frequent Inspections if possible.

10. Office Rent being a fixed Charge a sum of Rupees 600 has been estimated for as in previous years.

11. Presidency Jail - Civil Debtors Jail. The estimated Charges for the year 1887.88 are Rupees 3.500, which are equal to the Grant sanctioned for the year 1886.87 but is in advance of the actuals of the year 1885.86 by Rupees 397. The increase is in the item of Hospital Charges, and Contingencies.

12. The other items call for no remarks being fixed Charges.

13. Penitentiary Madras. The Charges estimated on account of the Penitentiary for the year 1887.88 are Rupees 70.700, being

in advance of the provision sanctioned for the year 1886.87 by Rupees 2000 and is also in excess of the actuals for the year 1885.86 by Rupees 10.268. It will be observed that increased provision is made under the heads Establishment and Rations, the former is in consequence of the entire guarding of the Jail being carried out departmentally as directed by Government Orders No. 612 Judicial, dated 9th March 1886. From the Police Department, and the latter on account of Burmese Convicts expected from British Burmah as notified in Government Order No. 1041 Miscellaneous dated 20th April 1886.

14. Rupees 4.500, have been estimated under the head Passage money of Convicts for the year 1887.88 which is equal to the grant sanctioned for the year 1886.87 and is in advance of the actuals for the year 1885.86 by Rupees 1.709. The estimate for the year has been based with reference to the average expenditure for the past three years

which

amounts to Rupees 4/518.— — —

15. Central Jails. The estimated charge on account of Central Jails for the year 1887.88 are Rupees 4.63.800 and are in excess when compared with the estimate for 1886.87 by Rupees 19.500 and also in excess of the actuals for the year 1885.86 by Rupees 65.193. It will be observed that the increase provision has been made in the items of Establishment and Rations. The increase under the head "Establishment" is owing to the entire guarding of the Central Jails being now carried out departmentally.

16. The increase in the item of Rations is due to provision having been made for the additional Burmese Convicts expected from British Burmah during the year 1887.88 and in consequence of the higher rate at which their rations are procurable compared to that of the natives.

17. It will also be observed that the increase of

of Rupees 65.193 between the actuals of 1885.86 and the estimated amount for the year 1887.88 is chiefly due to increased provision having been made in the items of Superintendents Pay, establishment, Rations, Saderward and Contingencies; this excess expenditure is due to the annual increments of the Superintendents at Coimbatore, Trichinopoly and Cannanor to the introduction of Jail Guard Service for rationing Burmese Convicts and providing Uniforms accoutrements &c &c for the Jail Guard Service. The other items are not much in excess of the actuals for the year 1885.86 and call for no special remarks.

18. District Jails. The charges estimated for the District Jails for the year 1887.88 are Rupees 2/6.100 and are below the sum sanctioned for the year 1886.87 by Rupees 15.200, but in excess of the actuals for 1885.86 by Rupees 57.226. This increase is in the items of Superintendents Pay, Establishment

Establishment, and Saderward Contingencies.
The excess provision in the item of Superior Pay is due to the pay of the non-Resident and Resident Superintendents for the Reformatory School having been provided for at Chingleput together with the annual increments to the Superintendents at Tanjore, Trinivilly and the European Prison at Kavaramund.
The explanation afforded under Central Jails regarding the increased provision under the head Establishment, Saderward and Contingencies is equally applicable to the increased provision in the corresponding heads of the District Jails and also to the entertainment of the Establishment for the Reformatory.

Lockups. The charges estimated for Lockups for the year 1887.88 amounts to Rs 72.900 which is in excess of the amount sanctioned for the year 1886.87 by Rupees 1.700 and is less than the actuals of 1885.86 by Rupees 8.315. The decrease is in the items of Charges and Diet Rs of Prisoners

Actuals 1883.84 - 35.918
1884.85 - 32.598
1885.86 - 81.215

Sanctioned 1886.87 - 71.200
1887.88 - 72.900

Prisoners under trial and Sentenced.

20. The Estimate for the Year 1887.88 has been based with reference to the average expenditure of the three preceding years which amounts to Rupees 72.920

21. In obedience to the instructions contained in the Order of Government No. 1108 dated 25th June 1878 a detailed Statement of office contingencies subject to Regular Audit and those admissible without detailed audit appertaining to the office of the Inspector General of Jails is herewith forwarded. A similar Statement for the Central and District Jails as well as for the Penitentiary and Civil Debtors Jail at Madras, and also for Subsidiary Jails will be duly furnished to the Accountant General on the receipt of the order of Government sanctioning the Budget of this Department.

22. I beg also to submit a separate Estimate for petty works of Construction and Repairs to Prison buildings to be executed Departmentally and charged to

to Petty Construction and Repairs. The amount required for the several Central and District jails is Rupees 20.000 for the Year 1887.88 Similar to that sanctioned for the Year 1886.87 which is also below the actuals for the Year 1885.86 by Rs 382.00

23. The actuals for the Year 1885.86 were checked with the registers of the Account and Generals Office and accordingly entered in the budget estimate.

I have the honor, to be

Sir.

Your most Obedient Servant

Submitting Budget Estimate of Receipts and Charges of the Jail Department for the Year 1887-88.

No. 301.

Madras
20th October 1886

From,

The Inspector General of Gaols
Madras

To,

The Chief Secretary to Government
Fort Saint George

Sir,

With reference to paragraph 3 of the order of Government dated 14th June 1886 No. 1541 Judicial, I have the honor to state I am unable to make any great reductions in the cost of the Jail Establishments, as my previous calculations were based on the lowest scale that the jails can be guarded with efficiency or safety. In fact some of the Establishments are now much below their requirements, notably the district jails of Calicut and Nellore.

The

The Superintendent of the former jail reports, that unless a more efficient establishment can be provided for his jail, he thinks the duty of guarding had best be left to the Police. The Superintendent of Nellore reports that it will be impossible to carry out the guarding with the recently sanctioned establishment for he is now required to do the work with 15 Warders, which has hitherto required 11 Warders, and 29 Police Constables, that he may possibly be able to carry out the actual guarding; but he has not a sufficient number of men as a reserve for casualities, or escort duties.

2. The establishments of these jails were calculated on the same basis as the establishments of the other jails, i.e. on their average population for the last three years, allowing

one

36 143

One Warder to every 7 Convicts, with 10 per cent additional men to meet casualities, and to provide for escort duties. These jails however have as large an area to be guarded and as large a capacity as most other district jails. For Calicut can contain 258 prisoners in all, and Nellore 243 prisoners, but owing to their average population having been lower during the last three years than most other jails, the above calculation does not allow them enough men to carry out the necessary duties efficiently. I have however not increased their establishments in the Proposition Statement I am now submitting, but would suggest that the Police Protective guard should be required at these two jails, to furnish sentries at the main gate, and elsewhere

about

about the jail precincts, if possible;
By this arrangement the Warder
Guard will be relieved and men
will be available to meet Casual-
-ities and escort duties.

3. The only reductions in the
jail establishments which can be
made are as follows.

1st To abolish
the appointments of the 2nd Clerks
at the district jails of Cuddalore
and Madura the pay of which
is Rupees 25. monthly in each jail.

2nd To reduce
the pay of 10. third grade
Warders at the Cuddalore jail
from Rupees 4 to Rupees 6 each
monthly.

3rd To abolish
the Protective Police Guards at
the Cellular jails of Vaniore and
Tinnevelly, and to increase their
Warder Guards; As the prisoners in
these

145 48

these two jails are mostly in separate
confinement day and night, there
is not so much necessity for a
Protective Guard as there is in other
district jails. By these reductions
there will be a monthly saving
of Rupees 133 or an annual
saving of Rupees 1596, in the
cost of the establishments of this
Department.

4. Considerable reductions
can be made in the strength of the
Police Protective Guards. The strength
of these Guards is in many jails
more than half the strength of the
Warder Guard, as will be observed
from the accompanying Statement
marked A. I have addressed
the Inspector General of Police
on this subject, and he agrees
that the reductions I propose
can be made. The result of

these

these reductions will be a monthly saving of Rupees ~~394. 8. 0~~ 392, or an annual saving in the cost of Police Protective Guards Rs 4,794. 0.

5. The last Proposition Statement I submitted shewed a monthly increase of Rupees 48. 12. 0, to which as the Government remarks Rupees 21. monthly had to be added for the extra Warders sanctioned in Government Order dated 11th May 1886, No. 1214 Judicial. The total increase therefore on the cost of the whole scheme was Rupees 69. 12. 0 monthly, or Rupees 834 annually. This has since been decreased by a reduction of the establishment at the Central jail at Coimbatore, to Rupees 30. 12. 0 monthly or Rupees 369 annually. A further reduction will be effected by the abolition of the district jail at Chittoor

of

SR 147

of Rupees 303. 8. 0 monthly or Rupees 3.642 annually. Summing up the whole of these reductions, there will be on the proposition now submitted, a substantial reduction on the whole scheme of ~~Rs 9,652~~ Rs 9,573 annually; as will be more clearly seen from the accompanying Statement marked B. Beyond this, further reductions are impossible unless the closing of the district jails at Rajahmundry & Trichinopoly is sanctioned, by which as I have already shewn a further reduction of about Rupees 8,000 will be effected.

6. The Government remarks on the inequality that exists in the strength of the establishments of the Central jails, especially in regard to the establishment at Trichinopoly, with that of

the

the Penitentiary, and directs that it should be considered whether the strengths of the establishments at the three largest Central jails, cannot be reduced to the standard adopted in the three smaller Central jails. I have the honor to point out that the Central jail at Trichinopoly, requires a larger establishment than the Penitentiary, owing to the extent of ground it covers, which necessitates many more sentries to guard it. The jail itself covers 21 acres of ground exclusive of gardens, and farm lands, which comprise some 180 acres more; whereas, the Penitentiary including its garden barely covers 14 acres. The same cause necessitates larger guards at the Central jails of Rajahmundry, Vellore,

60/48

Vellore, and Coimbatore, than at Salem and Cannanore.

4. In the several proposition statements I have submitted on the guarding of jails &c. - fortnightly an increase of Rupees 10. monthly has been shewn to the pay of all the Deputy Jailors in district jails. I consider this increase is necessary, as the duties of these officers will be increased by the introduction of the new system of guarding; they will have to supervise the guards generally, and will have to be on duty on alternate nights with the Chief Warder. But as many of the existing Deputy Jailors are not competent yet to be in charge of the guards, I propose

propose the increased salary should be dependent upon their qualifying for it, and therefore I shall not permit of their drawing it until the Superintendent to furnish a certificate, that these Officers have qualified for it. I request the Government will approve of this procedure.

8. In conclusion, I beg to explain that the cause of the excessive delay that has occurred, in my replying to the order already quoted, is due to the following circumstances; I received the order in July two days prior to my taking two months privilege leave, Colonel McLeod who acted during my absence did not wish to suggest alterations, or reductions in establishments, which had been proposed by myself, neither

98157

neither was he sufficiently conversant with many of the District jails, to be able to state in which of them reductions could be made, he therefore left the question for my disposal; Consequently I found on my return from leave last month, that the reply to this Order was pending. Since my return, there has been a press of work in my office, and delay has therefore occurred in preparing the Proposition Statement which is now submitted for final Orders.

I have the honor to be
Sir,
Your most Obedient Servant
Henry R. Gzowski.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From H. R. GRIMES, Esq., Inspector-General of Jails, Madras, to the Chief Secretary to Government, dated Madras, 15th September 1886, No. 262.

I have the honor to submit the budget estimate of receipts and charges of the Jail Department for the year 1887-88, aggregating Rs. 1,74,500 and Rs. 9,25,000 respectively.

		Rs.
Actuals	1883-84	2,13,701
	1884-85	2,03,216
	1885-86	1,69,084
Estimates	1886-87	1,65,500
	1887-88	1,74,500

2. The receipts for the year 1887-88 are estimated at Rs. 1,74,500, being in excess of the amount estimated for the year 1886-87 by Rs. 9,000, and also in excess of the actuals for 1885-86 by Rs. 5,416.

3. The receipts under the head "Sale-proceeds of jail manufactures" have been estimated with reference to the probable requirements of the Police Department, with a margin for sales to private individuals on account of woollen carpets, tents, &c.

4. The receipts on account of "hire of convicts" have been estimated at Rs. 9,000, which is below the estimate for 1886-87 by Rs. 1,000, and is in excess of the actuals of the year 1885-86 by Rs. 267.

5. *Profits of Convict Labor.*—The receipts under this head are estimated at Rs. 25,000, which is less than the estimate for 1886-87 by Rs. 2,000, and in advance of the actuals for 1885-86 by Rs. 2,985.

6. The estimated receipts under the head "Miscellaneous receipts" have been taken at Rs. 3,500 with reference to the actuals for 1885-86; it is less by Rs. 249 than the actuals for the past year, but is in excess of the estimate for 1886-87, the current year, by Rs. 1,000.

7. The estimated charges for the year 1887-88 amount to Rs. 9,25,000, against Rs. 9,17,000 sanctioned for the year 1886-87, and is also in excess of the actuals for the year 1885-86 by Rs. 1,26,400. The cause of increased provision will be fully explained under each head of charge. The estimate has been prepared, as far as practicable, with due regard to the actual requirements of the several Central and District jails based on an anticipated jail population of about 7,000 prisoners.

		Rs.
Actuals	1883-84	7,89,047
	1884-85	8,02,156
	1885-86	7,98,600
Estimates	1886-87	9,17,000
	1887-88	9,25,000

8. *Inspection and General Superintendence.*—The charges estimated on account of Inspection and general superintendence for the year 1887-88 are Rs. 38,000, as that estimated for the year 1886-87, but in excess of the actuals for the year 1885-86 by Rs. 1,631.

		Rs.
Actuals	1883-84	35,778
	1884-85	37,282
	1885-86	36,369
Estimates	1886-87	38,000
	1887-88	38,000

9. It will be noticed that the travelling allowance of the Inspector-General and that of his establishment is the same as that provided for the year 1886-87, viz., Rs. 2,500 and 1,500, respectively, which is in excess of the actuals for the year 1885-86 by Rs. 1,473. The estimated amount will be required, as it is my intention to make more frequent inspections if possible.

10. *Office Rent.*—Being a fixed charge, a sum of Rs. 600 has been estimated for as in previous years.

11. *Presidency Jail, Civil Debtors' Jail.*—The estimated charges for the year 1887-88 are Rs. 3,500, which are equal to the grant sanctioned for the year 1886-87, but are in advance of the actuals of the year 1885-86 by Rs. 397. The increase is in the item of hospital charges and contingencies.

		Rs.
Actuals ..	1883-84	3,123
	1884-85	3,721
	1885-86	3,103
Estimates ..	1886-87	3,500
	1887-88	3,500

12. The other items call for no remarks, being fixed charges.

13. *Penitentiary, Madras.*—The charges estimated on account of the Penitentiary for the year 1887-88 are Rs. 70,700, being in advance of the provision sanctioned for the year 1886-87 by Rs. 2,000, and are also in excess of the actuals for the year 1885-86 by Rs. 10,268. It will be observed that increased provision is made under the heads Establishment and Rations; the former is in consequence of the entire guarding of the jail being carried out departmentally, as directed by G.O., No. 612, Judicial, dated 9th March 1886, from the Police Department, and the latter on account of Burmese convicts expected from British Burma, as notified in G.O., Mis. No. 1041, dated 20th April 1886.

		Rs.
Actuals ..	1883-84	59,632
	1884-85	60,747
	1885-86	60,432
Estimates ..	1886-87	68,700
	1887-88	70,700

14. Rupees 7,500 have been estimated under the head Passage-money of convicts for the year 1887-88, which is equal to the grant sanctioned for the year 1886-87 and is in advance of the actuals for the year 1885-86 by Rs. 1,709. The estimate for the year has been based with reference to the average expenditure for the past three years, which amounts to Rs. 7,518.

15. *Central Jails.*—The estimated charges on account of Central Jails for the year 1887-88 are Rs. 4,63,800, and are in excess, when compared with the estimate for 1886-87, by Rs. 19,500, and also in excess of the actuals for the year 1885-86 by Rs. 65,193. It will be observed that the increase provision has been made in the items of Establishment and Rations. The increase under the head "Establishment" is owing to the entire guarding of the central jails being now carried out departmentally.

		Rs.
Actuals ..	1883-84	3,97,358
	1884-85	4,12,478
	1885-86	3,98,607
Estimates ..	1886-87	4,44,300
	1887-88	4,63,800

16. The increase in the item of rations is due to provision having been made for the additional Burmese convicts expected from British Burmah during the year 1887-88, and in consequence of the higher rate at which their rations are procurable compared to that of the natives.

17. It will also be observed that the increase of Rs. 65,193 between the actuals of 1885-86 and the estimated amount for the year 1887-88 is chiefly due to increased provision having been made in the items of Superintendent's pay, establishment, rations, saderward and contingencies; this excess expenditure is due to the annual increments of the Superintendents at Coimbatore, Trichinopoly and Cannanore, to the introduction of Jail guard service, for rationing Burmese convicts and providing uniform, accoutrements, &c., for the jail guard service. The other items are not much in excess of the actuals for the year 1885-86, and call for no special remarks.

18. *District Jails.*—The charges estimated for the District Jails for the year 1887-88 are Rs. 2,76,100, and are below the grant sanctioned for the year 1886-87 by Rs. 15,200, but in excess of the actuals for 1885-86 by Rs. 57,226. This increase is in the items of Superintendents' pay, establishment, and saderward and contingencies. The excess provision in the item of Superintendents' pay is due to the pay of the non-resident and resident Superintendents for the Reformatory school having been provided for at Chingleput, together with the annual increments to the Superintendents at Tanjore, Tinnevelly and the European prison, Ootacamund. The explanation afforded under Central Jails regarding the increased provision under the head Establishment, Saderward and Contingencies, is equally applicable to the increased provision in the corresponding heads of the District Jails and also to the entertainment of the establishment for the Reformatory.

		Rs.
Actuals ..	1883-84	2,26,208
	1884-85	2,17,330
	1885-86	2,18,874
Estimates ..	1886-87	2,91,300
	1887-88	2,76,100

19. *Lock-ups.*—The charges estimated for Lock-ups for the year 1887-88 amount to Rs. 72,900, which is in excess of the amount sanctioned for the year 1886-87 by Rs. 1,700, and is less than the actuals of 1885-86 by Rs. 8,315. The decrease is in the items of charges and diet, &c., of prisoners under trial and sentence.

		Rs.
Actuals ..	1883-84	66,948
	1884-85	70,598
	1885-86	81,215
Estimates ..	1886-87	71,200
	1887-88	72,900

20. The estimate for the year 1887-88 has been based with reference to the average expenditure of the three preceding years, which amounts to Rs. 72,920.

21. In obedience to the instructions contained in G.O., No. 1108, dated 25th June 1878, a detailed statement of office contingencies subject to regular audit, and those admissible without detailed audit, appertaining to the office of the Inspector-General of Jails, is herewith forwarded. A similar statement for the central and district jails, as well as for the Penitentiary and Civil Debtors' Jail at Madras, and also for subsidiary jails, will be duly furnished to the Accountant-General, on the receipt of the order of Government sanctioning the budget of this department.

22. I beg also to submit a separate estimate for petty works of construction and repairs to prison buildings to be executed departmentally and charged to "Petty construction and repairs." The amount required for the several central and district jails is Rs. 20,000 for the year 1887-88, similar to that sanctioned for the year 1886-87, which is also below the actuals for the year 1885-86 by Rs. 382.

23. The actuals for the year 1885-86 were checked with the registers of the Accountant-General's office, and accordingly entered in the budget estimate.

ORDER—dated 20 th December 1886, No. 1353, Financial.

The budget estimate of Receipts under XVI, *Law and Justice—Jails*, for 1887-88, is taken at Rs. 1,74,500, as against Rs. 1,93,000, the original estimate of the current year. The Jail Department were unable to supply the new description of clothing required for the police. The material was therefore purchased from the Carnatic Mills Company,* with the result that the Jail Department receipts in 1886-87 are expected to fall short of the original estimate by Rs. 27,500. Endeavours are being made to prevent a similar loss to Government in 1887-88, and as the Government of India have resolved† to remove some existing restrictions on jail manufactures, the estimate for 1887-88 will be raised to Rs. 1,93,000—the sanctioned amount of the current year.

3. *Inspection and Superintendence.*—A provision of Rs. 550 is made under *Contingencies* on account of *Printing* charges (chiefly for printing the Annual Administration Report at the Lawrence Asylum Press). The report should be printed at the Government Press. Under Travelling Allowances, the average expenditure during the last six years has been Rs. 3,124. The grant for 1887-88 will be fixed at Rs. 3,050. The total allotment under *Inspection and Superintendence* will then stand at Rs. 36,500.

4. *Civil Debtors' Jail.*—The provision of Rs. 180 for the conveyance allowance of the jailor will be struck out, as only actual expenses will in future be paid by Government. The budget will accordingly be reduced to Rs. 3,400 in round numbers.

5. *Penitentiary.*—Under *Salaries*, the additional provision of Rs. 600 is due to the conveyance allowance of the Superintendent, omitted from the budget of 1886-87. Under *Medical Establishments*, a hospital assistant on Rs. 35 is substituted for an apothecary on Rs. 230 per mensem. Under *Other Establishments*, the provision of Rs. 180 on account of the conveyance allowance of the jailor will be struck out, and Rs. 100 added under *Travelling Expenses*.

6. The following statement exhibits the changes introduced from time to time in the sanctioned scale of the Penitentiary:—

In G.O., No. 1571, Judicial, dated 14th June 1886, a scale of establishment was provisionally sanctioned for giving effect to the scheme for substituting jail for police guards, and a proposition statement has now been submitted by the Inspector-General of Jails for formal sanction. The cost of the Penitentiary corresponds with that provisionally approved. It is, however, observed that though a reduction of 13 men on Rs. 7 has been made in the total strength, the aggregate annual saving, as compared with the original scale, is only Rs. 492, or Rs. 3 a month per man. In superseding police guards by jail warders, the Inspector-General has considerably increased the pay of the superior staff of warders and has thus absorbed the savings which would have otherwise accrued by placing the bulk of the men on the minimum pay of Rs. 7 (*vide* figures in the margin). Subject to the remarks below on the pay proposed for the superior grades of warders, the provision made for the Penitentiary will stand. The police budget under *Presidency Police* contains no provision for jail guards. The jail budget for 1887-88 under *Other Establishments* will accordingly be passed for Rs. 14,800 in round numbers — Rs. 180 or Rs. 14,620.

An excess provision of Rs. 2,000 over the grant of the current year under *Rations* is said to be due to the transfer of Burmese convicts to the Penitentiary. The expenditure on this account in all the jails should be kept distinct from the ordinary expenditure of the Madras Presidency, as the cost will have to be recovered from the Government of British Burma.

8. Under *Miscellaneous Contingencies*, provision is made for the clothing and accoutrements of the new warder guards taken over from the Police Department. This should in future be shown separately. Much of the expenditure on account of accoutrements will be defrayed in the current year, and should not recur. For clothing a sum of Rs. 516 (for 43 men at Rs. 12 each) should suffice for 1887-88, and Rs. 10,140 for all contingent charges. Details should in future be given under Contingencies.

9. The estimates under "*Passage Money of Convicts*" and *Purchase of Raw Materials* should in future be grouped together under the distinct minor heads "*Transportation of Convicts*" and "*Jail Manufactures*" respectively.

10. The total grant under *Presidency Jails* will be fixed at Rs. 62,000 in round numbers as shown below:—

Central Jails.

11. *Salaries.*—The budget of 1886-87 wrongly included a provision of Rs. 4,800 on account of the personal allowances granted to two Military officers, which are debited in the accounts to *Imperial Military*. On the other hand it did not provide for the conveyance allowance of Rs. 50 per month granted to the Superintendents of the Central Jails at Rajahmundry and Trichinopoly. With the abolition of these District Jails, the allowances in question will cease, and the provision, Rs. 1,200, will therefore be struck out of the budget, and the grant for salaries will be Rs. 54,200.

12. *Establishments.*—An increase of Rs. 16,000 is provided for over the actuals of 1885-86. The sanctioned scale of the six Central Jails at different dates has been as follows :—

13. The new jail guard scheme was first introduced into the Jail Department experimentally in the three Central Jails of Rajahmundry, Vellore, and Coimbatore, the protective guards alone being left with the Police Department. The result was an increase in cost of Rs. 792 per annum, notwithstanding a reduction in strength of eight men. Under G.O., No. 1571, dated 14th June 1886, the whole of the guarding (including protective guards) was taken over by the Jail Department, and the new system extended to the six Central Jails, the result being an

increase in strength of eleven men with a reduction in cost of Rs. 426 per annum. Under G.O., Judicial, Mis. No. 2168, dated 17th August 1886, the staff of the Coimbatore Central Jail was further reduced by six men costing Rs. 468 per annum. The scale so reduced, viz., 453 men costing Rs. 47,316, is that adopted for the budget of 1887-88. In the proposition statement of October 1886 now before Government, the Inspector-General provides for an increase of eleven men on Rs. 1,032 for the Vellore Central Jail, owing to the transfer of the convicts on the abolition of the District Jail at Chittoor sanctioned in G.Os., Judicial, Nos. 2129 and 2818, dated 12th August and 19th October 1886. Considering, however, that the Inspector-General has, throughout the reorganized scheme, provided for a large increase of pay to the staff of warders as shown in the margin, the Government are of opinion that no further additional cost should be allowed under *Central Jails*, and that the total expenditure on account of the new scheme should for the present be restricted to the amount provided in the budget of 1887-88, viz., Rs. 47,316. The Government will not insist on a reduction of the number of men, but a redistribution of salaries must be made on a more economical scale.

14. In District Jails the Inspector-General has raised the pay of deputy jailers by Rs. 10 in consequence of the greater responsibility devolving on them under the new scheme, and restricted the pay of chief warders to Rs. 15 per mensem. An extension of the system of employing well-behaved convicts * as warders would lead to further economies. It should be considered whether it is necessary to retain ten European warders at the Coimbatore Central Jail, while there are only six in the Penitentiary and five in the European Prison at Ootacamund. On the other hand the rates of pay in the two latter places are disproportionately high. It does not appear why a chief warder in a Central Jail should draw Rs. 40 and in the Penitentiary Rs. 60.

The provision for 1887-88 under *Rations* would appear to be fixed solely with reference to the actuals of 1885-86 with a slight increase* on account of Burmese convicts. The average of the last three years is Rs. 1,27,000. This amount is passed for existing Central Jails. But to this should be added the charges provided by the Inspector-General under the District Jails of Vellore, Rajahmundry, and Trichinopoly since abolished, as the prisoners will be transferred to the Central Jails. With reference, however, to possible reductions in the cost † of diet, &c., the grants will be fixed at Rs. 1,37,000.

17. Rs. 22,000 should suffice for *Contingencies* including additions for District Jails transferred.

19. *Salaries.*—An increase of Rs. 8,000 over the actuals of 1885-86 is provided for under this head. Of this a sum of Rs. 4,400 is due to provision being made for increments as well as for a whole year's salary to the Special Superintendents appointed in July 1885 for the District Jails at Tanjore and Palamcottah. The remainder, Rs. 3,600, is on account of the supervising staff of the Reformatory school at Chingleput, provisionally sanctioned in G.O., Judicial, No. 2167, dated 17th August 1886, viz., a Deputy Superintendent on Rs. 200 per mensem, and a resident Medical officer with an allowance of Rs. 100. The last item should be transferred to the Medical budget which provides for the jail allowance of Medical officers. Rs. 1,200 will accordingly be struck out, and the grant fixed at Rs. 16,340.

(j) Additional warder establishment for the Vellore Central Jail in consequence of the abolition of the Chittoor District Jail.
* Variations due to increments, &c.

22. *Clerks.*—The Inspector-General has found it possible to do away gradually with the appointments of second clerks and executioners in the District Jails of Kurnool, Cuddalore, and Madura; he retains them, however, in the District Jail at Bellary. He also retains the clerk on Rs. 35 to Rs. 40 per mensem hitherto in Chittoor, under a new heading "Vellore District Jail." The necessity for the appointment was questioned in paragraph 2 of G.O., Judicial, No. 2129, dated 12th August 1886, and, in reply, the Inspector-General stated that it was required "as the statistics and accounts for District Jails had to be kept distinct from Central Jails." There are, however, two clerks (one on Rs. 40 and the other on Rs. 30) in each of the Central Jails at Vellore, Rajahmundry, and Trichinopoly, and as the main object of the amalgamation was economy, no extra clerks can be allowed.

G.O., Judicial, No. 2818, dated 19th October 1886.

	Rs.
Rajahmundry	480
Trichinopoly	480
Vellore	480
Total 3 Clerks on Rs. ..	1,440

Excluding the provision in the budget for these clerks as shown in the margin, the grant for clerks in 1887-88 will be reduced from Rs. 9,532 to Rs. 8,092.

23. *Jailers, Deputy Jailers and Warders.*—In the scheme approved generally in G.O., Judicial, No. 1571, dated 14th June 1886, the Inspector-General raised the pay of 15 deputy jailers by Rs. 10 each, and created a new deputy jailer for the Párvatipur hill jail on Rs. 25 per mensem, making a total increase of Rs. 2,100 per annum. This increase was not counterbalanced by any appreciable reduction when the

guarding of convicts was taken over from the Police Department (*vide* statement in the margin). In the proposition statement now before Government the Inspector-General effects no savings in his own department except a small sum of Rs. 120 in the Cuddalore jail; and this is done by a redistribution of salaries without any reduction in strength. He finds it, however, possible to curtail the police protective guard by no less than 45 men,* costing Rs. 5,580 per annum.

24. The Inspector-General has taken over the entire protective guard from the police in the 2 cellular jails of Tanjore and Tinnevelly. If this were found possible in the other District Jails, the services of the police departmental guards could be availed of if necessary in the first instance. The pay of deputy jailors has already been raised, and they would thus seem to be in a position to assume the additional responsibility. If this transfer be effected, the provision of Rs. 14,466 for 140 protective guards in the police budget may at once be struck out.

25. The provision on account of the Vellore, Rajahmundry and Trichinopoly District Jails since abolished will be struck out and the budget reduced by Rs. 7,056 as follows:—

26. No credit is taken for any savings likely to accrue by the abolition of the District Jails at Kurnool and Ootacamund or the European Prison at the latter place.

27. The estimate of the Reformatory at Chingleput agrees with the scale sanctioned in G.Os., No. 1272, Judicial, dated 14th May 1886, and No. 2167, Judicial, dated 17th August 1886, and is approved. The total grant under *establishments* in District Jails will, with the above modifications, stand at Rs. 77,000 (exclusive of police protective guards) against Rs. 85,516 budgeted for as shown below:—

31. In paragraph 2 of his letter recorded in G.O., Judicial, No. 2130, dated 12th August 1886, the Inspector-General proposed that on the abolition of the Trichinopoly District Jail the combined subsidiary jail and lock-up at that station should have an additional establishment costing Rs. 456 * per annum. In the proposition statement now before Government an additional provision of Rs. 444 per annum is made for the Chittoor Subsidiary Jail. These two amounts will now be added to the budget for 1887-88, and Rs. 3,200 provided for charges on account of *conveyance of prisoners*. The last item has been omitted in the Inspector-General's estimate. The total grant under lock-ups will then stand at Rs. 77,000.

Rs. per annum. Adding Rs. 20,000 for clothing, the cost stands at Rs. as compared with Rs. , the average cost of police guards during the three years ending 1884. The Inspector-General will submit a memorandum showing the alterations to be made in the proposition statement with reference to the above remarks, when final orders upon it will be framed.
