Before finally adopting the recommendations made as to the additional trustees to be appointed for the administration of the endowments shown in statement A, the list will be communicated to the departments concerned for any remarks they may wish to offer on the proposals.

2. The Government Solicitor will also state whether, in his opinion, there is any legal objection to the endowments in question being declared public endowments which should not be sold or given up without the formal sanction of Government.

3. The Government Solicitor will also report whether the endowments shown in list B should be regarded as private endowments; and, if so, whether any special arrangements are necessary to protect the interests of Government and to secure the safety of the trust funds or securities.

Sir,

In returning Government No. 1608 C. of the 29th September, I have the honour to state that I see no objection to the appointment of the additional trustees proposed, except in connection with Sanaram Gnanamani Nayudu prize. The Head Master of the Girls' School, Anantapur, is the additional Trustee proposed. The Head Master may frequently change, and in any case a female teacher will take his place when one becomes available. I would therefore recommend the Inspector of Schools, 2nd Division, as the additional Trustee.

I have the honour to be,

To,

Sir,

I am in receipt of G. O. dated 1st September 1886 No 1331 Financial.

2. I do not see any legal objection to the endowments referred to in the 2nd paragraph of the above Order being declared public endowments not to be sold or given up without the formal sanction of Government, as it appears that the present Trustees or Administrators of the fund have consented to this course being adopted.

3. It would be advisable that copies of the Deeds of Gift or Trust, or other document (if any) under which the endowment was created, should be furnished to the two Trustees, and that they should see that the money is applied, so far as is possible, in strict performance of the objects of the endowment.

4. With reference to the endowments referred to in para 3 of the above G. O. (List B.) I do not see that the Government are in a position to interfere in any way in

their administration seeing that the present Administrators of such endowments refuse to consent to their so doing. The fact that the funds stand in the name of a Government Servant in his official capacity, does not of course give them such right, all they could do would be to order such Officer to discontinue his connection with the endowment.

5. Most of the endowments, referred to in List B, appear to be of a public, or of a quasi public character; though in the absence of the documents under which they originated, it is of course impossible to say for certain. If they are, it is desirable that their funds should be invested in the names of public officers selected by Government, but if the present Trustees or Administrators decline to consent to this being done, I do not see how Government can force them to do so save by Legislation on the subject, unless of course the funds are being improperly applied or are improperly invested, in which case a scheme for their proper application and Investment can be obtained from the Court in whose jurisdiction the Trustees having control of the fund, resides.

I have the honor to be,

Sir,

Your Obedient Servant,

Resolution

There is a clerical error in the last column of the Statement in page 3 against the Chingleput Civil Dispensary.

The Board in their Proceedings of the 16th February 1885 No 533, recommended that the District Surgeon, not the Treasury Officer, should be associated with the Collector for purposes of administering the trust. With this correction the Accountant-General's recommendations may be adopted.

2. The Board observe that the five trusts noted in the margin and entered in the list appended to Board's Proceedings dated 16th February 1885 No 533, do not appear in either of the Statements furnished by the Accountant General. It is also noted that all cases in which the trust money is invested in Savings' bank deposits or bank shares have been excluded by the Accountant General.

To
The Chief Secretary to Government,

Sir,

In reply to the reference on No. 1689 dated the 11th January 1887, I have the honor to state that the Endowments mentioned were omitted in the lists which were furnished by this Office and recorded in Government Order No. 881 Financial dated 1st September 1886 under the following circumstances.

2. The securities connected with Lane's Scholarship have never been forwarded to this Office for safe custody, and were not therefore shown in the lists in question. I would, however, add that, on receipt of Government Order Public No. 1954 dated 21st September 1886 sanctioning the gratuitous education of an additional Lane Scholar at the Medical College, and an appearance in the Madras Times of the 25th Idem of a Notification under the signature of the Surgeon General and Secretary to the Lane Medical Scholarship Committee calling for Candidates for the Scholarship in question, I invited the attention of the Surgeon General to Government Order Financial

No. 94 of 14th January 1884, and requested him to transfer to this Office the custody of the Government Securities appertaining to the Scholarship. That Officer however replied that he did not administer the funds of the Lane Scholarship as a public Officer or in virtue of his Office as Surgeon General but as a private person, and that, of the 3 trustees now existing, one is, and others formerly, including the Secretary, were private individuals, and that he must therefore decline either to ask the Trustees to surrender the Securities or to refer the matter to Government. This Office did not therefore take further notice of the matter.—

3. Railway Guarantee Funds were not included in the lists in question as not being permanent Endowments.—

4. The Municipal Commission, Negapatam, withdrew in November 1884 Government Promissory Notes for Rs 2000 lodged with this Office, and the trust accordingly does not appear in this Office list.—

5. The Prince of Wales' reception Fund, Madura, was converted into Cash and paid to the Collector of Madura in November 1884.

6. Oates' Fund Malabar. This Fund amounts to Rs 25700 held

by

by me as Accountant General, High Court; only the interest is at the disposal of the Chaplain of Cannanore under a decree of the High Court.—

7. The following are the cases alluded to by the Board of Revenue, in which Trust Funds invested in Savings Bank Deposits or Bank shares and shown in the list appended to Board's Proceedings dated 16th February 1885 No. 533 have not been entered in this Office lists.—

Anantapur Dispensary	Rs	2700 5 7
Mammalong Bridge	"	932 " "
North Arcot Mahomedan Orphan School	"	346 " "
Trichinopoly Dispensary	"	403 13 8
Do. Manathattai Chattaram	"	236 10 10
Do. Mavuna Thambiram and Ayyapundanam	"	1589 7 5
Madura Prince of Wales' Reception Fund	"	477 " "
Coimbatore Pollachy Dispensary	"	21800 " "
South Canara Laccadive Poor Fund	"	774 " "

These will now be noticed seriatim.

8. Anantapur Dispensary Rupees 2700.5.7 has been received converted into Promissory Notes for Rupees 2300, on the 21st December 1886, this is accordingly entered in the Supplemental list herewith submitted.

9. Chingleput - Mammalong Bridge Rupees 932 appears as Rama Uscomi's Charity Rupees 1500 in

the

this Office list B.

10. North Arcot Mahomedan Orphan School Rupees 346. This is now reported to have increased to Rs 689 and is likely to be required for the expenses of the School. This is known only the interest of the Endowment of Rupees 3,000 entered in this Office list A and not a separate permanent endowment.

11. Trichinopoly Dispensary Rupees 603. 13. 8, the Collector reports is shortly to be withdrawn and handed over to the Chairman of the Municipality.

12 Trichinopoly Ummathallai Chattram Rupees 236. 10. 10 has been utilized for purchasing lands for the Chattram.

13. Trichinopoly Mannathambevan and Arya Vrindavanam Rs 1589. 7. 8. The Collector awaits the sanction of Government (vide para 4 of Proceedings of the Board of Revenue No 533 of 16 February 1885) to transfer the trust to the trustees of the Rockfort Pagoda.

14 The Madura Prince of Wales' reception Fund Rupees 477 is reported to have been paid over to the Municipality to be incorporated with the Fund for the Vaigai Bridge. vide also para 5 supra.

15 Coimbatore Pollachy Dispensary Rs 21000 should be only Rupees

Rupees

Rupees 14,000 as given in Government Order Public No 593 of 11th May 1879, and has to be converted from shares in the Madras Bank to Government Securities. It is included in the accompanying list in anticipation of its being brought on the registers of this Office.

16. South Canara Laccadive Poor Fund Rupees 774 has been received converted into a Government Security for Rupees 800 in November last; and should be treated merely as an addition to Rs 5100 entered in this Office Original list A

17 I would in conclusion add that I drew the attention of the Registrar of the University of Madras to Government Order Financial No 94 of the January 1884 and suggested for consideration, as the investments made out of the balance of the University Fee Fund were held by this Office, whether the Promissory Notes appertaining to the endowments enumerated in the first of the letters recorded in Government Proceedings Revenue No 408 dated 31st May 1886, should not also be in the custody of this Office; but he reports in his letter No 567 of 22nd January 1887 "that "the Syndicate consider there is no "advantage to be gained by

"transferring the University endowments "to your Custody from that of the "Bank of Madras. I therefore submit this Matter as well as the proposal of the Collector of Trichinopoly adverted to in para: 13 above, to be relieved of the Marianna Thamburan and Aryapandaram's Trust, for the orders of Government.-

I have the honor to be

3. Extracts para 4 of the letter from the Surgeon General and para 2 of the Board's Proceedings No. [illegible] dated 1st December 1886 may be referred to the Accountant General for remarks as to the omissions pointed out. Should the funds in question have been omitted by oversight, the Accountant General should furnish full particulars as in the case of the other funds.

4. The Government Solicitor is of opinion that there is no objection to the endowments shown in list A being declared public Endowments, not to be sold or given up without the formal sanction of Government. This can be done on the lists being completed as suggested in para 3 above; the proposed modifications as indicated in para 2, being previously made.

5. In regard to the Endowments shown in list B, the Government Solicitor does not see how the Government can interfere in any way in their administration without the consent of their present administrators, which is withheld. The question is whether Government should allow the

funds to continue on their present footing. There is nothing to indicate that they are being improperly dealt with.
