EXTRACT from the Proceedings of an adjourned meeting of the Standing Committee, dated 9th November 1887.

Assessment on Monegar Choultry Buildings.

Read G.O., Mi., No. 312 M., dated 1st April 1887, communicating G.O., No. 366, dated 19th March 1887, Financial, passing orders on certain papers regarding the payment by Government of the municipal assessment on the Monegar Choultry buildings at Madras.

Resolution No. 2 of the Commissioners, dated 27th June 1887.

Letter No. 285, dated 13th July 1887, from the President, Municipal Commission, to the Secretary, Monegar Choultry, requesting to be informed if the Directors of the Monegar Choultry are prepared to pay the tax instead of Government.

Letter from the Honorary Secretary and Treasurer, Monegar Choultry, No. 110, dated 6th August 1887, stating that it is a purely charitable institution, maintained by public subscriptions and aided by Government, and as the funds are barely sufficient to meet the expenses, he regrets his inability to pay the assessment, and states, as it is a purely municipal institution, it is worthy of municipal protection.

Letter from the Honorary Secretary and Treasurer, Monegar Choultry, No. 112, dated 12th August 1887, stating that the Raja of Venkatagiri's Choultry and Sir Savalai Ramaswamy Mudaliar's Lying-in Hospital are Monegar Choultry buildings, and, as such, the Directors are not in a position to pay the assessment levied thereon.

Resolutions Nos. 5 and 11 of the 19th August 1887.

Resolved that the Committee do not see their way to recommend the remission of the assessment on the Monegar Choultry buildings. They are of opinion that charges of this nature should be met from the grant of Rs. 70,000 already made to hospitals and dispensaries.

In order with reference
to G.O. 366, 19 March,
1887.

There is no doubt about the
assessment should be charged
to the funds of the Choultry, but
should the Govt. grant be increased
to cover it?

J.P.S.

18/1

The point was considered when
the contribⁿ of 50000 was imposed
on the Municipality - G.O. 76, 12/17. We cannot
therefore insist on the remission.

The assessment ~~now~~ is not properly
payable by Govt. but as it has been
paid by us for so long the charge
should not be thrown on the Municipality
without reasonable notice. We
sanction the payment from Prov^d.

I think we had better
accept the charge perma-
nently in the manner
suggested by the P.H.C.
