This seems to be an ordinary contingent charge and I don't see why it should not be billed for, audited, and settled in the usual way without a special grant.

From

PRESIDENCY MAGISTRATE,

Sir

* Herewith returned.

In reply to your letter No. 20, dated 1st February 1889, and Government Revenue No. 217 of 1889, I have the honor to state that a sum of Rs. 444/- is allotted to this Court annually for contingencies. Out of this amount Rs. 540/- is paid away as tax on the building etc. at present occupied leaving a balance of only Rs. 234/-. This sum, averaging about Rs. 20/- monthly, is just sufficient to cover all necessary expenses in the way of binding Calendars, Gazettes, Government Orders, and meeting other petty charges necessary for the working of the Court. We have now only Rs. 17/- remaining out of

of our current Official Grant allotment to last till 31st March; so that it would be impossible to meet, in any way, from our ordinary allotment for contingencies, the extraordinary cost of fitting up the new Court house with furniture in some way made suitable for an entirely new and handsome structure. Our old and dilapidated fittings and furniture, besides being all but unserviceable, would look entirely out of place in a new building.

2—The special allotment of Rs. 250/- asked for in my letter No. 8, dated 17th January 1889, is there for the purpose of repairing and renovating the entire fittings and furniture of the Court and of meeting all charges incidental to removal from the old to the new Court. The monthly bundles of our proceedings are at present placed one over another, thereby rendering access to some of the papers in the lower bundles inconvenient and difficult. To remedy this, I intend, if I have the funds I ask for allowed me, procuring two large record stands estimated to cost about Rs. 40/- each by the workshop in the Prisonary, which would enable us to arrange our records

in

in a proper manner, and thus facilitate reference. Unless this special allotment is made, I really do not know what is to be done?

3—Under these circumstances I beg that the Government may be pleased to accord sanction for payment of the amount solicited.

I have the honour to be,
Sir,
Your most obedient servant,

W. M. S. S. S.
