From

J. W. Rawlinson Esqrs.,
Accountant General,
Madras.

To

The Chief Secretary to Government
Judicial Department.

Sir,

With reference to notification of the Government of India, n^o 1580, dated the 24th October 1890, Judicial Department, appointing me Treasurer of Charitable Endowments for the Madras Presidency under Section 3(1) of India Act VI of 1890, I have the honor to forward 3 statements (marked A, B and C) particulars of the Endowments now held on my Trust accounts under rule 13, Chapter 10 of the Civil Account Code, which can apparently be dealt with under the above mentioned Act, and to enquire whether under Section 6 thereof, Government will transfer the trust funds

funds in question from the Accountant General, to the Treasurer of Charitable Endowments, and pass vesting orders to that effect under sections 4 and 5 of the Act.

2. Statement A, comprises those Trusts which were declared to be Permanent Public Endowments in Government Order No 485 dated 15th April 1887, Financial Department, and which cannot be sold nor given up, without the formal sanction of Government. The conditions of these Trusts are similar to those which distinguish the properties to be held under the Charitable Endowments Act (Section 10-1), so that there seems to be no objection to Government passing the necessary orders at once on their behalf, and leaving the administration of the properties to the same officers as at present, except in the cases of items 22, 23 and 24, where the name of some other officer should be substituted for

for that of the Accountant General^{2P}, who under section 8(1) of the Act is precluded from acting in the capacity of administrator. 3

3. In regard to the trusts particularized in Statement B, the same difficulty now presents itself that was pointed out in para 7 of the order above quoted, so that the consent of the present administrators would seem to be necessary for their transfer to trusts under the Charitable Endowments Act, as well as for those enumerated in Statement C, which comprise trusts brought on the books of this office subsequent to the passing of Government Order No 485 dated 15th April 1887, Financial. If it is decided to transfer these trusts also, the name of some other officer should be substituted for that of the Accountant General, in items 11 and 14 of Statement C, and 4 of Statement B.

Adverting

4. Adverting to section 9 of the Act, I would suggest that the 30th of June in each year be fixed as the date on which the list of all properties for the time being vested in the Treasurer and the abstract of all accounts kept by him, should be published in the Fort Saint George Gazette.

I have the honor to be,
Sir,

Yours most obedient servant,

M. B. M.
Accountant General.

1891, No. 1, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From T. W. RAWLINS, Esq., Accountant-General, Madras, to the Chief
Secretary to Government, dated Fort St. George, 4th June 1891, No. 1607.

With reference to notification of the Government of India, dated the 24th October
1890, No. 1580, Judicial Department, appointing me Treasurer of Charitable
Endowments for the Madras Presidency under section 3 (1) of India Act VI of 1890,
I have the honour to forward 3 statements (marked A, B and C), particularising the
endowments now held on my trust accounts under rule 13, chapter 10 of the Civil
Account Code, which can apparently be dealt with under the above-mentioned Act,
and to inquire whether under section 6 thereof Government will transfer the trust
funds in question from the Accountant-General to the Treasurer of Charitable Endow-
ments and pass vesting orders to that effect under sections 4 and 5 of the Act.

2. Statement A comprises those trusts which were declared to be permanent
public endowments in G.O., dated 15th April 1887, No. 485, Financial Department,
and which cannot be sold nor given up without the formal sanction of Government.
The conditions of these trusts are similar to those which distinguish the properties to
be held under the Charitable Endowments Act (section 10—1), so that there seems to
be no objection to Government passing the necessary orders at once on their behalf
and leaving the administration of the properties to the same officers as at present,
except in the cases of items 22, 23 and 24 where the name of some other officer
should be substituted for that of the Accountant-General, who under section 3 (1) of
the Act is precluded from acting in the capacity of administrator.

3. In regard to the trusts particularized in statement B, the same difficulty now
presents itself that was pointed out in paragraph 7 of the order above quoted, so that
the consent of the present administrators would seem to be necessary for their transfer
to trusts under the Charitable Endowments Act as well as for those enumerated in
statement C, which comprise trusts brought on the books of this office subsequent to
the passing of G.O., dated 15th April 1887, No. 485, Financial. If it is decided to
transfer these trusts also, the name of some other officer should be substituted for that
of the Accountant-General in items 11 and 14 of statement C and 4 of statement B.

4. Adverting to section 9 of the Act, I would suggest that the 30th of June in
each year be fixed as the date on which the list of all properties for the time being
vested in the Treasurer and the abstract of all accounts kept by him should be pub-
lished in the Fort St. George Gazette.

I don't see any objection in principle to the transfer of the funds of the Department of the Interior to the Department of the Treasury, but I think it would be better to have the funds of the Department of the Interior remain in the Department of the Interior, and to have the Department of the Treasury take care of the funds of the Department of the Treasury. 17TH JULY 1891, No. 606, FINANCIAL

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From T. W. RAWLINS, Esq., Accountant General, Madras, to the Chief Secretary to Government, dated Fort St. George, 4th June 1891, No. 1607.

With reference to notification of the Government of India, dated the 24th October 1890, No. 1580, Judicial Department, appointing me Treasurer of Charitable Endowments for the Madras Presidency under section 3 (1) of India Act VI of 1890, I have the honour to forward 3 statements (marked A, B and C), particularising the endowments now held on my trust accounts under rule 13, chapter 10 of the Civil Account Code, which can apparently be dealt with under the above-mentioned Act, and to inquire whether under section 6 thereof Government will transfer the trust funds in question from the Accountant-General to the Treasurer of Charitable Endowments and pass vesting orders to that effect under sections 4 and 5 of the Act.

2. Statement A comprises those trusts which were declared to be permanent public endowments in G.O., dated 15th April 1887, No. 485, Financial Department, and which cannot be sold nor given up without the formal sanction of Government. The conditions of these trusts are similar to those which distinguish the properties to be held under the Charitable Endowments Act (section 10—1), so that there seems to be no objection to Government passing the necessary orders at once on their behalf and leaving the administration of the properties to the same officers as at present, except in the cases of items 22, 23 and 24 where the name of some other officer should be substituted for that of the Accountant General, who under section 3 (1) of the Act is precluded from acting in the capacity of administrator.

3. In regard to the trusts particularized in statement B, the same difficulty now presents itself that was pointed out in paragraph 7 of the order above quoted, so that the consent of the present administrators would seem to be necessary for their transfer to trusts under the Charitable Endowments Act as well as for those enumerated in statement C, which comprise trusts brought on the books of this office subsequent to the passing of G.O., dated 15th April 1887, No. 485, Financial. If it is decided to transfer these trusts also, the name of some other officer should be substituted for that of the Accountant-General in items 11 and 14 of statement C and 4 of statement B.

4. Adverting to section 9 of the Act, I would suggest that the 30th of June in each year be fixed as the date on which the list of all properties for the time being vested in the Treasurer and the abstract of all accounts kept by him should be published in the Fort St. George Gazette.
