READ—the following paper :—

Endorsement, in the Revenue Department, dated 24th December 1897.

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 9958, dated 15th December 1897 :—

Resolution—Mis. No. 9958, dated 15th December 1897.

With reference to the requisition from the Accountant-General contained in his letter No. 3715, dated 25th November 1897, the Board begs to submit to Government the accompanying statement showing for each district, for the current and ensuing official years, an estimate of irrecoverable loans likely to be written off under 32. Miscellaneous. It will be seen from the statement that the total amount of the estimates comes to Rs. 5,137 and Rs. 3,435. The Board considers that the revised and budget estimates may be taken at Rs. 5,200 and Rs. 3,500, respectively, but it is difficult to see how any reliable forecast can be framed.

2. The Collector of Ganjám states that there is no amount likely to be written off during the current and ensuing official years. He has omitted to take account of the two amounts, aggregating Rs. 45, sanctioned to be written off in Board's Proceedings, Nos. 7468 and 7575, dated 11th September 1897 and 13th September 1897.
