Plague Commission's Office
Madras, 11th March 1899.

From.

L. E. Buckley Esq., I. C. S.,
Plague Commission,

Sir,

The Budget estimates of plague charges for 1899-1900 have been sanctioned in G. O. No: 1246 Finl, & 17th 9 December 1898, & G. O. no: 1259 Finl; & 28th December 98, but as no expenditure can be incurred except against the allotment passed by Government with reference to the monthly estimates submitted under G. O. no: 574 P. & 205-5-98 and G. O. no: 868 Financial & 11-10-98, it is necessary that an allotment for April should be obtained as soon as possible. I have therefore the honor to request that the estimate for April may be prepared and forwarded to me with the least possible delay, and that the following instructions may be observed in preparing it:-

col 1 & 5. The estimates sanctioned in G. O. no: 1246 Finl, & 17-12-98 & G. O. no 1259 Finl: & 28-12-98 should be entered.

col 2. should be left blank.

col 3. The estimate for April should be shown in this column.

col 4. The estimate for May should be entered here.

col 6. The estimate of expenditure for the remaining portion of the year should be given in this column.

col 7. Should give the total of columns 3, 4 & 6.

With

With the advance of the hot weather, plague is decreasing and an endeavour sh. be made to reduce the establishments and to cut down expenditure. I beg to invite personal attention to this matter.

2. The next monthly estimate should be forwarded on the prescribed date, i.e. the 5th inst. None is required in April if the estimate now called for is sent up at once, but the monthly printed establishment list should be despatched as usual.

FOR ORDERS

This current contains copy of a circular letter from the Plague Commissioner to all Collectors regarding the submission of the monthly plague estimates for April and May. The arrangements proposed by the Plague Commissioner appear to be adequate.

In connection with this point it is submitted for consideration whether, now that the hot weather is approaching, with the advance of which the Plague Commissioner considers that Plague will decrease, quarterly, instead of monthly ^{plague} estimates should not suffice. The Dt. grants for 1899-1900 under Provincial, Local and Municipal, already exist in G.O.'s Nos. 1246 & 1259, Finl., d/ 17th and 28th Decr. 1898 respectively. Collectors and other officers who submit plague estimates to Govt. are now well acquainted with the principles
