Chief
To The Secretary to the Government of Madras,
Political Department.

Sir,

I have the honour to inform you that I have received applications from two Mahamadans, who describe themselves as coolies, for passports to go to the Federated Malay States. From G.O.No.285 Home (Miscellaneous) dated 18th March 1917 I find that the emigration of unskilled labour from India is prohibited from 1st April 1917 unless specially permitted by Government. Of the two applicants one states that he was working in Singapore for over 6 years and only returned to Travancore, his native place 6 months ago. The other was a cooly in Singapore for 3½ years and returned to

Travancore, his native place, a short time ago. I solicit
orders as to whether I may issue passports to these two
men.

I have the honour to be,

Sir,

Your most obedient servant,

M. Baubron

Resident.

Emigration - Malaya

From the R. in Tr & Cochin Dec 2436. of 8.9.17.

The two Muhammadans are apparently unskilled labourers intending to go to the Straits Settlements. Under E

under Ego 853. Home (mis) of 24.7.17, unskilled labourers ^{should be refused passports} Being unskilled labourers they come within the purview of the ^{order} ~~note~~ contained in Ego 285 of 18.3.1917. Reference is Y
U solicited to the notes in Ego 604 of 19.6.17 especially to the U.S.'s note on p.7. An unskilled labourer cannot now go to Malaya except thro' the Emigration Agent at Madras or Negapatam. A draft order is submitted for approval.

The fact that these applicants are ^{AR} ~~17.9.17~~ subjects of a Native State does not alter the position in this case. "A Native of India" is taken to include ^a ~~the~~ subject of a Native State, and the present ports of embarkation to Malaya are Madras and Negapatam in British India.

This draft is wrong. We don't want to advise them men to put themselves in the hands of the Malaya Immigration Agents, as they are doubtless not reliable.

I will merely draw the attention of the Rmt to rule 16 B as modified before as the imposition of custom to Malaya is amended by am 9.0.457. Redraft please
