This is to certify that Miss Waugh, Secretary, Y.W.C.A. Coonoor is in a bad state of health, suffering from general nervous breakdown. (Neurasthenia) and I consider that in her present state, residence in India would be detrimental to her health. I am of opinion that a change of air is necessary and consider that a sea voyage and a change Home are essential to her recovery.

Please see the medical Certificate on page 2 C.F. It is for consideration whether the medical grounds advanced by Mrs. Wagh are sufficient to justify the issue of a passport to enable her to travel to England via Japan, Canada and the United States of America. Please see para 3 'fourthly' of the Bombay Govt's letter on page 3 of G.O. 216 Pub. & 27.2.17.

2. If however it is considered inadvisable to grant her a passport to England, a passport may be issued to her valid for the journey to Canada and the U.S.A., especially as the Joint Magte. reports that she intends to stay in Canada or U.S.A until restrictions on travelling from America to England are removed.
