My work will be chiefly among the Indian Cavalry now in Fr and England. The Y.M.C.A. has a separate section for these under the charge of Dr.S.K.Datta of Lahore and there are many Indian Secretaries working under him; six more men were required urgently and three have already gone and I am the fourth to be selected.

Our work is to give some healthy recreation to the troops when they are out of duty in the shape of magic lantern lectures, cenemotograph exhibitions, gramaphone&other musical entertainments. We have to be charge of the Y.M.C.A. huts at the front, which contain restaurants, reading rooms, indoor games and other healthy recreations necessary to keep the men happy.

Some of the Secretaries will have to visit hospitals to distribute the above said small luxuries and to write letters for the illiterate&c. We are required to go with the men when they go out ~~si~~ sight-seeing and act as interpreters &c.

I do not know the exact place where I will be posted, that will be determined after I land in France by the Chief Secretary in charge. The National Council Y.M.C.A. has now decided to send me by the passenger steamer to avoid delay, and they are waiting to ~~pass~~ book my passage as soon as possible. The delay is due to the passport.
