Sir,

I have the honor to submit the following resolutions based at the Special Andhra Conference held in Bezwada on the 30th September 1911 for favorable consideration.

RESOLUTION

This Conference is of opinion:-

1. That in order to ensure efficient administration, to promote the best interests of the people and for the fulfilment of the ideals of Self Government in India and as a practical measure for the realization of these ideals, that the division of the provinces should be based as far as possible on the principle of language;
2. That Provincial administration on such a basis is essential to the fulfilment of the ideals of Self Government enunciated by the Indian National Congress and of Provincial Autonomy foreshadowed by Lord Hardinge in his despatch dated the 25th of August 1911;
3. That it is proper and necessary to constitute all the Telugu districts into a separate province;
4. And therefore this Conference prays the Secretary of State for India and the Government of India to create such a province as soon as possible.

(SD) CH.V.S.Narasimharazu,
President.

This Conference submits that the provisions of the Press Act and some of the provisions of the India Defence Act and rules thereunder and the orders prohibiting students from attending political meetings &, have been unduly interfering with the natural rights and liberties of the people and are working great hardship to them and prays the Government to cancel or withdraw such provisions, rules and orders and set aside all the convictions made and securities ordered under the same.

(SD) CH.V.S. Narasimharazu.
President.
