To The Secretary to the Government of Madras,

Home (Miscellaneous) Department.

Sir,

With reference to Government memorandum No. 3179 A-1, Home (Miscellaneous), dated the 21st September 1917 directing me to select a suitable locality to which the langerkhana can be removed, I have the honour to enclose for the information of Government a copy of the Commissioner's report R.C. No. 987/ Govt., dated the 19th October 1917 on the question and to recommend that his suggestions, which have my support, be adopted.

I have the honour to be,
Sir,

Copy of letter R.C. No. 987/Govt. of 17, dated the 19th October 1917, from F. Armitage, Esquire, Commissioner of Police, Madras, to the Inspector-General of Police, M a d r a s.

With reference to his endorsement R.C. No. 1399/H&B., dated 28th September 1917, I have the honour to report that there are at present one inmate pauper, and 39 paupers in receipt of cooked food. The others get a dole of raw rice with the exception of three who have had a cash allowance for many years.

✓ I have seen the paupers who are getting cooked food and find that they would prefer to get raw rice and be spared the daily journey to the Langerkhana.

3 The inmate pauper may also be given raw rice. There is therefore no necessity for a building at all.

4 The Superintendent of the Langerkhana can distribute the raw rice on fixed days at the Wallajah Road Police station D.I.

5 I think it necessary to keep on the Superintendent as there are a total of 210 paupers on the roll and no police officer has time to distribute the rice and keep track of all these people. The Superintendent has been employed for many years and knows the paupers well and is in a position to prevent fraud by false personation.

Regr.

Please see p 2 of notes to Lgo 908 Pub. of 10.6.1915 for the earlier history of the Triplicane Langerkhana. It was maintained by the Nawabs of the Carnatic till the year 1859 when the Govt decided to place it under the direct supervision and control of the Commissioner of Police. In Lgo no 1636. of 15. 12. 1870, the Govt granted a piece of land for the erection of the Langerkhana buildings afterwards made a grant of Rs 1,620 for the same purpose, the further sum of Rs 3,700 being met from the surplus famine funds available with the Commissioner. In Lgo no 2109 W. of 9.9.1885, the Govt sanctioned the grant of a further ^(piece of) land to the Langerkhana on condition that the Govt reserved to themselves the right to take possession of it, should it be required by them.

and Lghosa hospital in July last, it was decided by H.E. H.M (Medl) the Director of Public Instruction, the Surgeon-General, and the Secy (P.W.D), that the Langervkhana should be made over to the hospital. The Commr. of Police now reports that there is no necessity for a Langervkhana building at all, as the ~~un~~ inmates paupers can be given rice on fixed days at the Wallajah Road Police Station. There is also no objection in this department to making over the Langervkhana for the purposes intended.

3. The main file on the subject is now under circulation to H.M. (Medl) The suggestions contained in the S. L's and the Commr's letters may be approved. A draft order is only which may be sent to the S. & M. (Medl) Deptt for perusal before issue.
