Home Department (Political) — Simla, the 8th October 1917

Sir,

With reference to the correspondence ending with your letter No.1790 dated the 10th November 1916, I am directed to forward for the information of His Excellency the Governor in Council two copies of a list which has been prepared of gazetted Government servants in permanent civil employ who have been permitted in India ~~to~~ to undertake military duty during the present war. The list covers the period ending on May 31st 1916, and I am to request that any mistakes detected in it may be corrected, and that it may be brought up to date to October 1st, 1917, and returned to the Government of India as soon as possible.

I am to explain that the list includes only the names of Gazetted Government servants in permanent civil employ who have joined military duty in India, and that the names of officers of the Indian Medical Service, Royal Engineer Officers, Civil Assistant Surgeons, and Military Assistant Surgeons have been omitted, as they are not required for present purposes.

I am also to state that it has been decided to prepare a separate consolidated list of non-gazetted Government servants in permanent civil employ, as far as possible on the same lines as those followed in the list enclosed, and I am accordingly to request that, with the permission of His Excellency the Governor in Council, the Government of India may be furnished with the necessary information to enable this to be done. The list should be prepared up to October 1st 1917.

I have the honour to be,
Sir,
Your most obedient servant,
Sd. S.R.Hignell,
Deputy Secretary to the Government
pf India.
