Emigration - Ceylon

(CL-1226) Telegram from the Colonial Secretary, Colombo,
to the 4.4.17

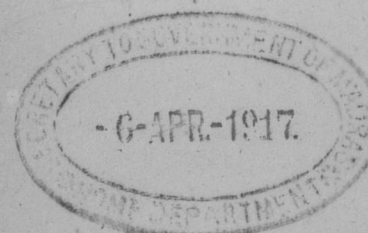

J. M.

I have shown this telegram to Mr Majumdar; he considers it to be due to the prejudice which the Ceylon Govt have against the planters, and consequently against their organization the Ceylon Labour Commission. He pointed out that this Govt is obviously the best judge as to whether local authorities or the Labour Commission will be able to decide what emigrants belong to the prohibited class.

The ~~clear~~ answer seems to be that this Govt require the services of the Labour Commission as being the only organization available to work the ^{order}, and that in the absence of any well-founded objection to the Labour Commission this Govt do not propose to withdraw the order.
