For Secretary

Submitted that the connection of Govt in their executive capacity with temples or mosques (religious endowments) was brought to an end by Act XX of 1863. All duties connected with the management of religious endowments and lands attached thereto were transferred from Govt to the Committee if the institution fell under section 3 or to the trustee if the institution fell under section 4 of the Act. So far as this Dept is concerned it is therefore submitted that there are no temples or mosques whose properties are wholly or partly under the management of Govt.

2 It is however understood that certain allowances are given to temples or mosques by Govt and that the Govt exercise control over them. Such questions are dealt with in Rev. The question of the ^{member} Additional seems therefore to be one to be answered in Rev. The first

may, it is submitted, be transferred
to that dept for necessary action.

That Depant may be asked
to state whether they have

1st ed 24.3.17 answer to the question. (Acops of
the question has been sent to that
Depant by deg.)

to transfer messages of out and the

marked. Such questions are that
with in fact. The question of the
how detailed seems to be
one to be answered in fact.

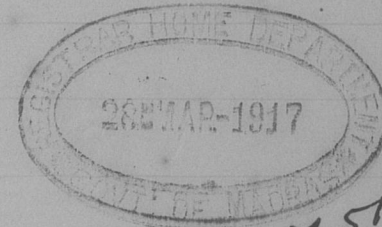

Please see my note on pp 2-3 above which
 was written before the Home Dept. note was
 received. - Mr. Revue has no concern with the
 management of the properties of temples & if
 Home Dept is not aware of any such management
 by the Dept. I suggest that Home should answer
 the question accordingly. As it stands it does
 not appear that Rev. is concerned.

Notes in CR
 27/3/17

Home (Mr)

The very object of the passing
 of the Religious Endowments Act, 1883
 was to enable Govt. to divest
 themselves of the management of
 religious endowments. The Honble
 Addl. member apparently considers
 that the allowances paid to temples
 & mosques are paid out of income
 derived from properties belonging
 to temples and managed by Govt.
 for them. This is not the case.
 No such ownership is recognized
 by Govt. ; nor a management of

for such properties ^(if any) ~~even if they existed~~,
permissible under the Act quoted above.
It seems best to answer the whole
question by saying that "there are
no temples or mosques ~~which~~ ^(of which) properties
are wholly or partly under the manage-
ment of Govt." 2
