R.C. No. 726/Magl. of 1917.

Station TANJORE., Dated the 23rd May 1917.

From (Name) J.R. Huggins Esquire, I.C.S.,
(Designation) Collector and District Magistrate.

To The Secretary to the Government of Madras,
Home (Miscellaneous) Department.

Sir, Ootacamund.

I have the honour to state that the business connected with the issue of passports under the Defence of India (Passport) Rules 1917, published in the notification by the Government of India in the Foreign and Political Department, No. 1908-D dated 22nd March 1917 (Vide also Government Order No. 493 Public, dated 26th April 1917) has thrown a considerable amount of work on my office and on subordinate offices. There is a steady stream of traders and money lenders who proceed from Negapatam to the Straits Settlements and the Federated Malay States every week. Applicants are furnished with forms from my office and are directed

2/

directed to appear before the nearest Sub Magistrate who verifies the description of the applicant and his declaration, makes any - enquiry necessary for ascertaining whether he is fit to receive a passport and submits the application to me. I forward the applications to the Collector of Madras and distribute the passports - received from him. The reference to Sub Magistrates causes delay, but it is unavoidable. The applicants, as a rule, cannot describe themselves properly or fill up the declaration correctly without the assistance of clerks, and my office cannot at present deal with this extra work. I wish however to minimise the delay and the worry to applicants and to save the work being done in two offices. My proposal is to appoint a clerk in my own office who will not only furnish the applicant with a form but help him to fill it up. The declaration will be verified by the Additional District Magistrate. The volume of work connected with this business of issuing passports justifies the appointment of a full-timed clerk, but I shall want him for the present only for three months as the rush should be over by that time.

I have the honour therefore to request that Government will be pleased to sanction the entertainment of an additional clerk on Rs. 25/- a month for my office for a period of three months and to communicate orders by telegram. To save delay, I am submitting - this application direct to Government. A copy will be submitted to the Secretary to the Commissioners of Land Revenue, Madras.

I have the honour to be,

Sir,

Your most obedient servant,

W. S. S. S.

For Collector & Dt. Magistrate.

Add. Clerk for Passport work in Tanjong Collector's
From the D. M. Tanjong, 8 23-5-17

From an examination of the returns of passports issued by the Collector of Madras, it is observed ~~from~~ that during the period from the 18th April to the 19th May 1917, only twelve passports were issued by him to persons residing in the Tanjong district and all these twelve passports were issued ~~by him~~ during the week ending the 19th May 1917.

The total number of passports issued by him up to the 19th May is 445. It is also observed that only three passports have been issued ^{to persons residing in Tanjong district} by the Govt during the last one month.

The Collector however states that there is a steady stream of traders and money lenders who proceed from Negapatnam to the Straits Settlements and the Federated Malay States every week. It is for consideration whether in the circumstances represented, to
