Subject - Requesting that he may be included in the list distribution of Reports on Pub. Instruction etc.

CN^o 1732 - From the Editor of the *Vivekachintamani*, dated 3.4.1917.

In the Registrar

The Editor of the *"Vivekachintamani"* requests that he may be included in the distribution list of the Report on Public Instruction and other periodical reports on Education and also the General Administration Report. The *"Vivekachintamani"* is on the list of newspapers admitted to the privileges of the Editor's Table and ~~the~~ the editor is receiving papers relating to the Educational Department placed on E.T. (Vide list on p. 8. of G.O. No. 1263 Pub dated 30.6.1916). The Serpott. Govt Press states in reply to a telephonic enquiry that the Editor is being supplied with all Educational G.O.s placed on E.T. but he is being supplied with only the review of the Report on Public Instruction but not the bound volume. It is ^{therefore} clear that the Editor ~~now~~ now wants to be supplied with the "Departmental reports on Education" - i.e. the D.P.'s report on Public Instruction etc.

The review of the report will not be of much use in the report, ~~itself~~ but from a perusal of the list of newspapers which are allowed E.T. privileges - p. 8 of

- (G) G.O. No. 1263 Pub, dated 30.6.1916, ~~that~~ it will be seen that only the most prominent of the newspapers are allowed the privilege of getting bound volumes of the departmental administrative reports. These reports are available for sale and there is no ~~press~~ necessity for the editor of the "Vivakachintamani" being supplied with these reports free of cost - especially in view of the need for strict economy at present. ~~The present state of affairs is~~ Submitted that in these circumstances the request in para 1 of the applicant's letter may be refused.

With these remarks the file may be passed on to ~~the~~ Home (Miscellaneous) for the issue of orders.

For the Registrar

- (J) In G.O. No. 163 Ed, dated 9.2.1914, the Govt approved the revised distribution list of certain Govt Publications including the Public Instruction Report for which there are two distribution lists, one maintained by the D.P.D. and another by the S. G. P. In the S. G. P.'s list ten copies of the Public Instruction report have been ~~put down~~ ^{put down} for distribution to "Editors" but the names of the Editors have not been specified. ^{From} ~~From~~
- (G) G.O. No. 1263 Pub, dated 30.6.1916, it ~~appears~~ ^{appears} that the Editors

who receive departmental reports are those of the following newspapers and journals.

The Madras Mail	The Capital - Madras Correspondent
" Hindu	The Leader
" New India	The Swadeshamitran
" Indian Patriot	The Hindustan Review
" Madras Times	+ The Express

The Educational Review, Madras and the Calcutta Review are on the D.P. list.

It is clear from the ^{above} that only the most prominent of the ^{editors of newspapers} ~~newspapers~~ have been included in the distribution list of the Pub. Instruction Report.

I submit that Vireka Chintamani (Janil monthly) is not of sufficient importance to warrant including it in the distribution list of the Public Instruction Report. There are several other Janil journals of equal standing and even of greater circulation which are now excluded from the list and which cannot be denied similar treatment if we grant the present request of Vireka Chintamani.

Under the existing arrangement the Editor of the 'Vivekachintamani' sends messengers to the Press to take weekly delivery of Editors' Table papers. He now wants that the papers should be delivered at his address. The S.G.P. may, it is submitted, be asked W.O. whether there is any objection to the Editor's request being complied with. It

In accordance with G.O. No. 1263, Public, dated 30th June 1916 and G.O. No. 409-Home (Mis.), dated 24th April 1917, the Editor of the Vivekachintamani must make his own arrangements to send a messenger to take delivery of Editors' Table papers at the Press every week, and his request for the delivery of papers by the Press messenger to his address should not, if it is submitted, be complied with as other weekly newspapers will have to be given similar concessions or there will be complaints of 'favouritism' and all weekly papers cannot be treated as dailies in the matter of deliveries without an increase of establishment of messengers in the Press.

Papers can however be sent by post 'bearing' as a special case as is done now.

This is one of the papers that does not value the privileges of E.T. enough to send for the papers regularly and I have had to write asking the Editor to remove the papers—in one case he did not take them for 12 weeks.

13-6-1917.

For the w.s.

The request of the Editor as regards the delivery of Editor's Table papers at his address may be negatived. A draft order is submitted for approval.
