With reference to the last
in Amity's letter I think
a first determined what the

in that letter he gave no ground
for supposing that practice was one

- L Lgo. No 816 Pub. g 27-4-16, consequently approved. No objection was then taken to rule ^{under Part II} as the rule regarding the disposal of the prop of persons dying intestate was well defined, and there was nothing to show that the procedure described the rule was not the proper one. procedure was only subsequently regulated in Lgo. No. 433 publ. 21-2-17. In para 2 of his letter 19-12-16 on page 2 of this Lgo., Commissioner states that some cases have occurred in the Honegar Choultries in which the property ^{if cash or its rule-proc} have been credited to the funds of the institution, and the Board of Directors have referred to

The Board of Directors of the Kuegan Choultry suggests that the words "such property if unclaimed" "six months shall be sold" "the amount realized placed" "credit of the institution concerned" occurring in rule 11 may be omitted, and the words "six" "property shall be sent to" "Commissioners of Police for disposal" "according to law" substituted ~~into~~ ~~in~~ instead. Submit that the amendment proposed is in accordance with the procedure set out in Lgo. No. 433 Jnd 21-2-17, and may be approved. The words "for disposal according to law" however seem unnecessary and may be omitted. The Board of Directors ~~also~~ requests that the sale proceeds of such property on lapses to Govt. may be directed to be credited to the Kuegan Choultry funds. It is for order whether the Commissioners

may be instructed to ^{remit} ~~credit~~ the amount realised to the ^{Secretary} ~~Treasurer~~ of the Monegar Choultry. Pled. See in this connection para 3 of the Commissioner's letter on page 2.

c. f. note on p 6 ante

A draft order is submitted, ~~18.7.17~~ if approved, may be sent to ~~10.7.17~~ Financial for acceptance. As Pled. 14.7.17 this is a case of pauper, there is no likelihood of property worth more than Rs 200 in any ~~such~~ case being left for disposal. Section 30 of the City Police Act deals only with movable property under Rs 200 in value; & the draft order, by referring to the Commissioner, deals only with such class of cases. There is no possibility of the other class coming up to be dealt with.

The receipts ^{according} ~~to~~ under

Section 30 of the City Police Act would ordinarily be credited to Govt. under the head "XVII B - Police - Presidency Police". It is now proposed to hand over such receipts to the Hon'g Secretary and Treasurer of the Monegar Choultry. As the proposal would result in loss of receipts to Govt., the case has been sent to Trial. The amount involved, however, is not likely to be large. ~~It is not likely to be large.~~
