No. 106.

Godavari District Association,

Cocanada, Dated 12th May 1917

FROM

THE JOINT SECRETARY TO THE

Godavari District Association,

COCANADA.

THE

Chief Secretary to Government of Madras
Cochin

Sir,

I have the honour to submit herewith
for the information of Government, a copy of the
resolutions passed at the 4th Godavari District
Conference held at Amalapur from 6th to 8th
ultimo under the presidency of Mr P. Narayana
Pantulu B.A. B.L. High Court Vallab, Madras

I have the honour to
be,
Your most obedient servant
DV Rakerand
Joint Secretary

Resolution passed at the XI Godavari District Conference
held at Amalapuram on the 6th, 7th & 8th April 1917,
under the presidency of M.R.Ry. Peri Narayanamurti
Garu, B.A., B.L., High Court Vakil, Madras.

I. This Conference resolves to express its gratification for the fall of Bagdad, and for the successful progress in the Western Theatre in the terrible War which the English Government was forced to enter into with the noble object of protecting the weaker kingdoms and to pray for the early and complete victory of the Allies leading to the restoration of peace in this world.

II. This Conference resolves to record its regret for the sudden death of Lord Kitchener.

III. This Conference resolves that,

i. with a view to remove the inconvenience of the inhabitants of the present Rajole Taluk, it is necessary that the Taluk be divided into two independent Deputy Tahsildar's Divisions with Razole and Kothapeta as their head-quarters,

ii. that Rajole and Amalapur Taluks be placed under a separate Revenue Divisional Officer, and

iii. that a Sub-Court be established at Amalapuram.

IV. While expressing its gratitude to the Government for having enacted to facilitate the enlistment of the Indians in the Army, this Conference resolves to request that Military and Naval schools be established in this country so that the people of this country may be trained for military and naval careers.

V. That, in view of the hardship entailed by the Arms Act of 1878 as at present administered and the rules made thereunder, and the unmerited slur which it casts upon the people of this country, this Conference is of opinion that the said Act and rules made thereunder should be so modified that any restrictions which may be considered necessary as to the possession, bearing and use of arms shall apply equally to all persons residing in, or visiting India, and that all licenses should be liberally issued, shall not require renewal, shall operate within the whole of the province and shall be revocable only on proof of misuse.

VI. This Conference resolves that for the advancement of the Andhras the creation of a separate Andhra province is necessary.

VII. This Conference resolves to request the Government that steps be taken henceforward for the establishment of a separate University for the benefit of the Andhra country.

VIII. This Conference resolves to request that the Madras Board of Revenue be abolished and that the duties now looked after by the Members of that Board be entrusted to Secretaries under the Government increasing their number.

IX. This Conference gives its unqualified support to the Home Rule movement and resolves that with a view to popularise the same, branches of the Home Rule League be established in different parts of the District.

X. This Conference resolves to record its gratitude for the orders issued by the Government of India under

Home
(rule)
no action

the Defence of India Act prohibiting the emigration of the people of this country to foreign countries.

XI. This Conference resolves that for the advancement of the Andhras it is necessary that a separate Andhra Congress Committee should be formed and that such an one be formed for the Telugu Districts.

XII. This Conference resolves to request Government

i. that a fish-curing yard be established in this District with a view to supply cheap fish manure to ryots as on the West Coast.

ii. that a cocoanut experimental farm be also established in this District as on the West Coast.

XIII. This Conference resolves to request the Local Government and the Godavari District Board that, as owing to the conditions of War now prevailing, there seems to be no prospect of the construction of the proposed District Board Railway from Cocanada to Kotipalli being undertaken for some years to come, the levy of the railway cess in this District be kept in abeyance for the present.

XIV. This Conference resolves to request the authorities to encourage the establishment of more co-operative societies in this District to meet the increasing desire of the people for the same and further exhorts the people of this District to take shares in the District Co-operative Bank to be established at Cocanada.

XV. This Conference resolves to request that village officers be supplied with a full copy of the Godavari District Gazette and that all important orders bearing on

District administration be published in the Collector's Standing Orders Sheet as before for the information and guidance of the public as well as Taluk Officers.

XVI. This Conference resolves.

i. That during the transplantation season, the number of pipes be either doubled or more quantity of water supplied through different channels and that pipes in big irrigation channels be of greater diameter,

ii. that as chillies and onions do not require water for more than three months, a water rate of more than Rs. 2-8-0 need not be collected thereon,

iii. that the ryot should have the option of converting wet into dry without time limits,

iv. that it is improper to levy water tax on lanka and padugai lands for using river water,

v. that no fasli-jasti be levied on portions of fields in which plantains and other trees are grown raising their level when anicut water does not directly flow into them,

vi. that the distinction of first and second crop be done away with, in regard to plantains, turmeric, yam, etc., as in the case of cocoanut, arecanut and mango gardens and that water be charged for the period during which it was actually taken,

vii. that water applications for the first crop be accepted irrespective of the distinction of first cultivation, on small plots of high lands found amidst irrigated fields.

viii. that facilities be afforded to ryots for irrigation by taking water through troughs over channels without the necessity of taking it from long distances when pipes of big calibre are not allowed across channels to carry water to high level fields,

ix. that as the remodelling of irrigation channels has not yet been commenced in earnest, orders be issued for the commencement of the same at an early date.

x. that canal Sub-Overseers be directed to make surprise visits and ascertain by personal inspection the accuracy or otherwise of water reports furnished to them by delta lascars,

xi. that another Sub-Divisional Officer be appointed for the Godavari Eastern Delta in consideration of its large extent,

xii. that in view of the disturbance caused to the continuity of the work in the Amalapur Sub-Division by adding it to the Gannavaram Sub-Division, the *status quo ante* be restored,

xiii. that when it is proposed to alter a *Bothie* or a spout, due notice be given to the ryot or ryots concerned and his or their views ascertained before any action is taken, and

xiv. that if, for any reason, water is taken for first crop without application and if the ryot gives immediate notice thereof in writing to the Taluk Officers, single rate of water tax only be imposed on such lands.

XVII. This Conference resolves to request.

i. that three primary schools be established at convenient places as feeders to the Board High school Amalapuram,

ii. that in every village with a population of not less than 500 one elementary day school and a night school for labouring classes be established,

iii. that as pupils of rural elementary schools who pass the IV Standard Examination are obliged to read in a lower class when they are admitted into a Secondary School for the reason that English is not taught to them in Primary schools in villages, this disability be removed,

iv. the Taluk Boards to endeavour to establish an incomplete secondary school in every village with a population of not less than 5,000,

v. that a committee consisting of the officers of the Educational Department and members of Local Boards be appointed to revise (1) the text-books on Arithmetic prescribed for primary schools so as to contain useful details required in the daily transactions of villagers, (2) text-books on History to enable the pupils to usefully study the history of this country, the Andhradesa and the District and (3) to prescribe a course whereby pupils in rural schools may be able to read a running hand in Telugu and write letters and petitions in the vernacular in a lucid and cogent manner,

vi. that free and compulsory education be given in elementary schools.

vii. that as the Local Boards Act provides for aiding and establishing public libraries, the District Board to maintain free village libraries for the public at least in union centres providing suitable vernacular literature on education, sanitation, domestic economy, agriculture, trade co-operation and allied subjects,

viii. that as the physique and health of school boys have been deteriorating greater time, attention, and facilities are necessary for sports and games, more especially those which require little or no outlay for apparatus, or equipment and that greater encouragement be given by more frequent competitions and prizes,

ix. that a model agricultural school be established in the Samalkot Farm to teach scientific agriculture to the people of this District and that model farms be opened in all Taluks of the District,

x. the Rajahmundry Taluk Board to establish a High school at Rajole as that is the only Taluk Head-quarters in the District where it is wanting,

xi. that the rigour of the restrictions with regard to qualification of teachers employed in Incomplete Secondary schools established by private enterprise be relaxed,

xii. that a model agricultural school be established at Samalkota, an Engineering school at Dowleswaram and a Commercial school at Cocanada,

xiii. that the Madras University be requested to open centres for the B. A. examination at Vizianagaram, Rajahmundry and Masulipatam,

xiv. that Government be requested to sanction special grant for the construction of a hostel for the Amalapuram High School, in view of the hardship experienced by pupils of other villages who resort to private hotels in that town,

xv. Mr. S. S. Shastri who invented a Telugu Typewriting Machine and obtained a patent for it, to bring it within easy reach of the public for extending their patronage to the same,

XVIII. This Conference resolves to urge.

i. the abolition of the Godavari District Board, the defraying of the charges of the Board establishment from the general revenue, the control of its affairs by the Collector from outside as in the case of the Municipalities, and that till it is abolished its members be empowered to elect a non-official president and a vice-president from among their own number.

ii. that the Rajahmundry, Cocanada and Peddapuram Taluk Boards be given the privilege of electing their own presidents and it be confined to the non-official members of the boards only.

iii. that Taluk Tahsildars, Deputy Tahsildars, Village Officers and other Government Officials be debarred from standing for election from the Taluk Boards to the District Board, that each Union in the District shall have power to elect a member from among their own number to the Taluk Board, and that Village Officials be debarred from offering as candidates for elections to Taluk Boards,

iv. that the number of non-official members in the District and Taluk Boards shall not be less than $\frac{3}{4}$ of the maximum strength of these Boards and that they be all elected members,

v. that for efficient administration, each Taluk Board shall have its own Engineer,

vi. that Government be pleased to sanction resolution No. 1 passed by the Godavari District Board at its meeting held on March 31, 1917 regarding the desirability of making provision to empower local boards to make recommendations in the form of resolutions to the Government or the Collector on matters of district administration,

vii. to request the President of the District Board to again appoint a qualified Indian for the post of the Godavari District Board Engineer which is to fall vacant shortly'

viii. that the elective system be introduced in Union Panchayats and that Major Unions like Amalapuram be empowered to elect their own Chairman,

ix. that as local fund rest-houses are not of use to the general public, Government be pleased to take them over and maintain them hereafter,

x. that as the District has not been deriving the amount of good anticipated from the creation of the appointment of the Sanitary Assistant to the District Medical and Sanitary Officer, that post be abolished and his duties be got performed by the Additional Sub-Assistant Surgeons to be appointed for Hospitals and Dispensaries,

xi. that Government be pleased to contribute annually to the local boards in the Godavari District a sum of not less than one lakh of rupees out of revenue derived from Major Irrigation Works, for the improvement of village roads, medical aid and construction of bridges, as also $\frac{1}{2}$ of the total Abkari revenue of the District.

xii. that a separate Taluk Board be constituted for each important Taluk in this District,

xiii. that local boards should endeavour to finish as expeditiously as possible the construction of roads, tanks and other useful works in villages when such works are sanctioned on payment of contribution by villagers,

xiv. that the Local Boards Act be not so amended as to give power to the District Board to raise the local cess beyond one anna in the rupee, and that Government be not pleased to accept the resolution of the Godavari District Board passed in February 1916, to the contrary as it is opposed to public opinion in the District,

XIX. This Conference resolves to request

i. that unmetalled village roads be metalled to render them passable in the rainy season,

ii. that to keep the drinking water tanks in the villages in good condition and maintain them properly, cocoanut trees be planted on their bunds and the income derived therefrom be spent for the benefit of the village,

iii. that a village *chavadi* be constructed in each village where there is none, and that since danger from armed dacoits and thieves has been increasing in villages, each village *chavadi* be supplied with a clamped iron chest for securing Government revenue collected by the unarmed and unprotected village officials,

iv. that separate Talayars be appointed for each village for patrol and police duties from 11 P.M. to 4 A.M.

v. that each village adjoining a navigable canal be supplied with a separate *Ballacut* and that the wages of the man employed thereon be paid by the D. P. W.

XX. This Conference resolves to request

i. that either the mouth of the Katrenikona channel be repaired annually or a tunnel constructed thereat for efficient discharge of drainage of fields of Bhimenapalli, Vadaparru, Kunnavaram, Challapalli, Uppalaguptam, Nimmakayala—Kottapalli, Gadavilli and Katrenikona villages whose crops are further damaged by the overflow of drainage water of the fields of Sannavilli, Gollavilli, and Uppudi situated above, and that steps be taken for the periodical removal of the moss in drainage channels,

ii. that the repairs to Rangaraju Kodu and other drainage channels be commenced and completed expeditiously,

iii. that as the drainage channels in the delta Taluks are in disrepair causing damage to crops by submersion they should be repaired as expeditiously as possible and new ones excavated where necessary, and

iv. that sluices with self-acting shutters be constructed at the breaches to embankments of the Teki drain to prevent inundation and consequent annual loss of crops in the adjoining villages and that the existing culverts be repaired without delay.

XXI. This Conference resolves to request that roads be constructed (1) from the Mukteswaram bridge to Kothapeta along the right bank of the Bank canal, (2) from Amalapuram bridge to Mukkamala to the North and to Chellapalli to the South along the right bank of the Amalapur canal, and (3) that the roads sanctioned from Jagannadhagiri to Coringa on the left bank of Coringa

canal, and from Doddampeta to Kolanka on the Injaram canal be completed as early as possible.

XXII. This Conference exhorts the people of this District to use indigenous manufactures as far as possible in preference to foreign articles and requests capitalists of the District to invest their money in concerns calculated to develop indigenous industries.

XXIII. This Conference resolves to request that the fee on palmyra and date trees in Local Fund Porambokes be credited to Local Funds instead of to Forest revenue as at present.

XXIV. This Conference resolves to request Government that: (1) encouragement be given to the ryots anxious to raise economic crops on lanka lands by the publication of the promised pamphlet showing the results of the experimental tobacco cultivation on the Godavari lankas leased out to Messrs. Barry and Co., (2) that the right of first refusal be given to the original holders of lands washed away by the rivers if they are reformed subsequently.

XXV. This Conference resolves to request

i. that the pay of the village officers and village establishments be raised,

ii. that travelling allowance and halting batta be sanctioned to them,

iii. that if a village officer once underwent survey training and passed, he should not be compelled to undergo the same again subsequently,

iv. that all officers passing remarks on village accounts be ordered to write them in vernacular, and

v. that all important correspondence in Taluk s be ordered to be carried on in vernacular.

XXVI. This Conference submits that the construction of Indupalli and Allavaram locks in the central delta is urgently necessary as that would facilitate the easy transport of the produce of the Nagaram Island as well as the fuel on the sea coast villages to Rajahmundry and Cocanada and that the cost of their construction be defrayed out of the capital account of the Godavari Delta System without reference to or help from the District Board, Godavari.

XXVII. This Conference resolves to request the Government to amend the existing standing orders of the Board of Revenue so as to proceed with the sub-division of lands even when a single share-holder of a joint Inam Patta applies for sub-division by the issue of a notice to the rest.

XXVIII. This Conference resolves to request

i. that orders be issued for the passenger and cargo boats plying in the canals being distinct and separate and that those intended for passenger traffic should obtain license from an officer of the rank of a sub-divisional officer,

ii. that as owing to the villages of the Amalapur and Rajole Taluks being far away from the Railway line it takes a long time to reach the Railway stations, encouragement be given to save time and expense by allowing motor launches to ply in the central delta canals at an average speed of 8 miles per hour,

iii. that as the Amalapur-Mukteswaram road is circuitous, the road already constructed from Siripalli

bridge to Tottaramudy be gravelled and a bridge constructed over the canal at Tottaramudy,

iv. that the earth road constructed from the Mukteswaram bridge to the ferry be metalled and shady trees like banyan and rain trees be planted for the comfort of the passengers on both sides of the punta and

v. that lights be ordered to be kept on dark nights at ferries where there is constant passenger traffic.

XXIX. This Conference resolves to request that

i. if a field commanded by a certain channel and a certain pipe was classed at the time of joint inspection under irrigable dry and when wet crop is raised thereon, Tahsildars be directed to discontinue the system of submitting water applications for the first crop to the D. P. W. as it is opposed to the spirit of the Board's Standing orders,

ii-(a) another joint inspection be ordered to determine the extent of land brought under wet cultivation subsequent to the last joint inspection (b) that their sources of supply be decided upon and new channels dug where none exists, (c) that small culverts or bridges be constructed by the D. P. W. over irrigation channels where necessary.

XXX. This Conference exhorts the public of the district to liberally subscribe to the war loan issued with favourable rates of interest.

XXXI. This Conference resolves to request the District Board that sheds for the protection of passengers be constructed with iron sheets on either side of the Kotipalli ferry, (ii) that at important ferries the passenger fare should not exceed three pies per head.

XXXII. This Conference resolves to request that Beneh Courts be established in villages for disposal of civil suits up to Rs. 50.

XXXIII. This Conference resolves to request that proper arrangements be made for the supply of good drinking water for Peddapur ; (ii) that masonry dams be substituted for irrigation channels of the Yeleru river ; (iii) that the construction of the outfall sluice or the raising of an embankment to the Torrigedda hill stream be undertaken in order to afford relief to the people of the Rajahmundry Taluk.

XXXIV. This Conference resolves to request the District Board to apply for Government grant with a view to (a) construct bridges over Gorrekandi and Yerrakalava on the Samalkota road, at Balabhadrapuram on the Samalkota canal, on the Tulyabhaga near Vedurupaka Rayavaram, on the Bank Canal at Kapileswarapuram and on Tatipakgedda in the Tuni Division.

XXXV. This Conference resolves to request,

i. that the tank to the south of the Amalapuram Taluk Office having become a source of nuisance it be filled either with earth carted on rails from the Kummara channel or a portion of it be deepened and other portion reclaimed with the dug up earth so that house sites may be given thereon,

ii. that as there is no good drinking water supply worth the name to the Bazaar street and the side lanes of Amalapuram, water be brought in through iron pipes from the canal,

iii. that the fresh water tank at Ramachendrapuram be also repaired and kept in good condition.

XXXVI. This Conference while giving its unqualified support to the memorandum of post-war reforms presented by the nineteen members of the Imperial Legislative Council requests the Government to give effect to those recommendations as far as it may be in the reconstruction of the Empire to be taken up after the termination of the war.

XXXVII-(i). This Conference resolves to appoint a deputation consisting of the following delegates to wait on the Collector and present to him the above resolutions offering such explanation as he may then desire:—

Messrs. G. Subbarayudu, B.A., B.L., Cocanada.
B. Narayanamurti, Peddapuram.
G. Lakshmananna, B.A., B.L., Rajahmundry
N. Subbraju, Kodurupadu.
Ch. Seshagiri Rau, Kotipalli.
K. Subbaraju, Yendamuru.
G. Bapiraju, Anaparti.
B. Viraswami, Tatipaka.
A. Perraju, Nagululanka.
V. Venkatrayudu, Chabrolu, (Pithapuram
Division.)

ii. This Conference resolves to request that, as hitherto the Godavari District Association do communicate the above resolutions to the heads of departments concerned, and submit memorials thereon necessary and publish a report of this Conference in due course.

The next Conference was invited to Rajole.

P. NARAYANAMURTI,

President.
8-4-1917.

S. R. P. Works, Cocanada.
