U.S.

It will be observed that to the order in E.O. 414. d. 17.6.1892 is appended the then C.S.'s note which also contains a list of E.O.s usually placed on E.T. The only objection to sending that list is that it is full of marginal notes by H. M. which should not go out of the office.

The rules do not go outside this office except to S. E. P. who is really part of it, and they are not intended to as the drafting shows. There is no objection to communicating the lists in rule 3 however. Please redraft.
