The Chief Secretary
Government of Madras.

Dear Sir,

Would you allow me
to take up the question
alluded to in the enclosed
letter sent to Capital in
reply to an application
for certain official reports
dealing with forests, etc.?

I beg now to apply
that Capital be again placed
on the list of newspapers
receiving Madras official
publications, but with this

proviso - we need reports
only of economic interest, for
instance

Forests

P. W. D.

Technical Education
(for example, the report submitted
to the Legislative Council con-
cerning the College of Accountancy
and so on.

We received formerly
all Madras publications,
including so to entirely useless
ones, from our point of view;
we apply now for "economic"
reports only.

I may quote as a point
in favour that Capital has
a good circulation in Madras,
and is, to that extent, a
local paper. I am,

Yours truly
P. W. Brock
Assistant Editor.

E. J. Papers.

Letter from the Asst. Editor of "Capital", Calcutta
8 25-2-1918.

NS

The supply of E. J. papers to Mr. R.W. Brock,
Madras Correspondent of the "Capital", Calcutta,
was sanctioned in G.O. No 409 Public Dept.
8 28-3-1913. This was discontinued ^{in the G.O. in} accordance
with ^{the} instructions contained in G.O. No 664
Home (mis) Dept. 8 27-6-17 to the effect that as
a measure of war economy the supply of
general papers should be discontinued to all
newspapers outside the Madras Presidency.

2. But in G.O. No 664 Home (mis) an exception was
made in the case of certain technical journals
which were supplied only with papers
relating to certain special subjects. ^{Thus} ~~the~~
the 7 ^(outside the Madras Presidency) journals referred to in para 2 of G.O. No
664 Home (mis) Dept. 8 27-6-17 still receive papers
relating to certain technical subjects.

3. Since the issue of this G.O. three journals
outside the Madras Presidency viz the Servant of India,
Poona, The Rangoon Mail, Rangoon, The New Era,
Lucknow applied for all the papers placed in
the Editor's table but their requests were negative.

4. Mr. Brock now asks not for all the
papers placed in the Editor's table but only for

Report of "economic interest, such as forests, P.D. & Technical Education". He further pleads that, "Capital" has a good circulation in Madras and is, to that extent, a local paper.

It is for consideration whether, in these circumstances, the request of Mr Brock should be complied with. Submitted for orders.

Submitted that it would seem sufficient if Mr. Brock be supplied ^{only} with papers of the Revenue Department relating to Agriculture, trade, industries, forestry & Co-operation as in the case of The National Fund & Industrial Association & The United Planters' Association of Southern India.

A draft order is submitted which may go to Revenue & ^{Educational} ~~Department~~ for acceptance before issue

Submitted that ^(there seems to be no objection to) the proposal to supply to the Editor, "Capital", copies of gos relating to industries which are placed on E.T.

2. As regards the form of the draft order it is submitted that the Supdt, Govt Press, has on former occasions brought to the notice of the Govt that he has no staff to whom the duty of selecting papers bearing on special subjects could be allotted and that if such papers should be supplied to any individual it should be done by the Secretariat Dept^{ts} concerned. As was ~~decided in~~ ~~the case of the other~~ proposed

on page 3 of go. No 1127 Home (Hus), dated the 26th October 1917, it will be sufficient, so far as this Dept^{ts} is concerned, if the Editor of the "Capital" is included in the list of addressees of gos relating to industries that may be placed on E.T.

3. The file may be passed on to the Revenue Dept^{ts}. If that

Submitted that there seems to be no objection to the supply of annual administrative reports of the Agricultural and Cooperative Dep^{ts}. which are placed on E.T. to the Editor of the "Capital" Calcutta. It would appear unnecessary to supply him with copy of other E.T. papers bearing on the subjects, as he applies for "economic reports only". The supply of a copy of Corp. Admin. report is already made by the Registrar. The supply of the Agr. report may be made from the Revenue Dept. as suggested on the previous page. On receipt of ^{a copy of} the order, thus amended, from Home (Mis), necessary correction slip will be issued to para 244 of the Office Manual.

3. The Administration Reports of the Forest Dep^t may be supplied to the Editor of the "Capital" from this Department.
