Editors' Table papers.

From the S. G. P, No 3685, d the 25.6.18

For the u.s

The previous papers in which similar cases of neglect on the part of certain Editors of newspapers were dealt with are put up in the file relating to the list of newspapers etc admitted to the privileges of the Editors' Table which has gone w.o to depts of the Secretariat for acceptance of draft. It is not known therefore whether the Editors in the present case were already guilty of similar neglect. If so the supply of Editors' Table papers ^{to keep} should be discontinued in future. In any case explanation may be called for ^{from} them for their neglect in taking delivery of papers for over two months.

The other file may be expected back before replies to the present reference are received. A draft letter is submitted for approval.
