ELLORE.

To

The Honourable Mr. Lionel Davidson, C.S.I., I.C.S.,
Chief Secretary to the Government of Madras.

Sir,

I have the honour to submit that I am just now editing the "Hithakarini" a Telugu weekly published at Ellore and hope to bring out an English weekly "Bharatamitra" in the near future from the self same station. I got myself declared as Printer and Publisher of the English weekly quite recently before A.Y.G. Campbell Esquire, C.I.E., I.C.S., Under these circumstances I would request you to ~~permit~~ ^{furnish} that are placed on the Editor's table to ~~permit~~ me with the Government publications from time to time. Already I feel considerably handicapped because I am not able to get a copy of the report of the Montague-Chelmsford reforms. I am not able to do full justice to the joint report for the simple reason that the book is not available to me. I was referred to you by the District collector, Kistna.

I request you to include my name in the list of persons that receive Government publications.

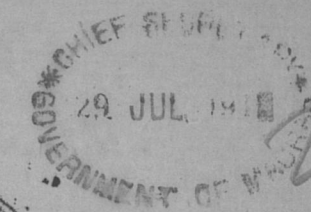

Thanking you in anticipation,

I beg to remain,

Sir,

Your most obedient servant,

Daggirala Deval

his

Editors' Table privileges are granted only to such papers as have an established circulation and are moderate in tone. The Hithakurini was started in 1913 and has a circulation of 385. From the remarks Column on page 40 of the statement appended to the C.D.D. Memorandum on Newspapers it is noticed that the tone of the journal is "at times objectionable". It will be observed from the notes to G.O. no 656 Public (war) of 30.7.18 that the Editor of the paper has had two warnings from the Govt for publishing certain objectionable articles on political subjects and another for publishing indecent matter.

The English journal proposed to be started, viz, the 'Poharashamithra' is one about which there is no information in this Office. It is for consideration whether the journal should be
