(EDUCATION)

Sir,

When the Women's College (now Queen Mary's College) was originally started in the Capper House I lent for its use a dining table and a sideboard which have been ever since used in the dining room of the staff and Anglo-Indian students.

I now wish to sell these to Government for the college and therefore have the honour to request permission to do so. In view of the considerable rise in the cost of furniture and as the pieces in question were only two or three years old when I lent them to the college I propose to charge for them what they cost me, i.e., Rs. 50/- and Rs. 70/- respectively.

I have the honour to be, Sir,
Your most obedient servant,

Director of Public Instruction

Subject:- Govt: Servants' conduct
rules.

The permission
asked for ^{leg} the Honble: Mr. Stowe
seems to be ^{necessary} ~~required~~ under rule
9 of the Govt: Servants' conduct
rules. There appears to be no
objection to complying with ^{Mr} Stowe's
request. This Dept. may accordingly
recommend the grant of the
 requisite permission and transmit
the case to the Miscellaneous
Section for the issue of orders.

It does not appear that this case can be ^{strictly} brought under Rule 9, nor under any other rule of the ~~Procedural~~ foot. Courts Condon Rules. Perhaps para. 2 of Rule 9 may be taken to be infringed in a way in the present case & sanction may be needed on that account. Even apart from these rules, the sale of furniture by the D.P.I. to an institution under his own control would ordinarily need foot. cognition.

Home (the) Dept.

Please see the Ede. dept. note on page 1 ante. Ordinarily no sanction of Govt. is necessary for a Govt. Servant who is about to quit ^{his} the Station, to dispose of his furniture, "either by circulating list thereof among the community generally, or by causing them to be sold by public auction". vide. para 2 of Rule 9 on page 6 of the Govt. Servants' Conduct Rules. It is proposed to sell the furniture in question to Govt. for the use of the Queen Mary's College. It is not clear whether the rule above referred to precludes sale of furniture to Govt. without formal ~~action~~ sanction. In the circumstances, the permission applied for may be given, especially in view of the remarks ^{at A} on page 1 ante that "even apart from these rules, the sale of furniture by the D. P. I to an institution under his control would ordinarily need Govt. cognition."
