2. Resolution V prays for the grant of a separate taluk board for the Nuzvid taluk. In memo N.O. 145-1 LfO dated 1st June 1918 all District Boards have been requested to consider and report whether there are any cases of taluk boards in their districts which in their opinion are unwieldy and could with advantage be made into smaller units. The question raised in the resolution will doubtless be considered by the Krishna Dt. Board when submitting proposals in reply to this memo.
