Enclosures.-

Letter from the Manager, the Madras Times Printing and
Publishing Co., Ltd., dated the 1st April 1918.

We are in receipt of your G.O. No. 312, dated the 25th March
regarding reduction in the number of Lawrence Asylum Almanacks to
Government. With reference to this G.O. we should like to point out
that the undersigned personally saw the Secretary, Home Department, on
the 31st of October last regarding the price of the Almanack for 1918,
as we were losing money by supplying the copies to the Government at
Rs. 7 each. The Secretary personally told the undersigned that it
would be better not to ask for an increase in the price per copy for
this year, and suggested that we should supply them at Rs. 7 per copy
as was done in 1917. On this understanding we wrote to the Secretary
on the 6th of November (a copy of the letter is enclosed for your
reference) and as soon as the Directory was published the whole of the
Government copies were supplied. And now 5 months after our interview
with the Secretary and at least one month after the whole of the Govern-
ment copies have been supplied we receive your G.O. No. 312 informing

us that the number of Government copies is to be reduced to 264.

As these copies have now been printed by us and supplied, we
beg to point out that should these copies be returned by you and thrown
on our hands, it will result in a very serious loss to us, as we print
sufficient copies for our customers together with 400 copies for the
Government of Madras. If the G.O. had been issued to us in December
last it would have been a very great advantage, as our paper cost would
have been considerably reduced, and we should not have had so many
copies to print and bind; but now the copies are printed, bound and
delivered, and we pray that the Government will reconsider their G.O.

M-111

3.

G.O. No. 312 and allow the copies for this year to stand and the new
order come into force with ^{next} year's Lawrence Asylum Almanack. We think
that this request is perfectly legitimate as the G.O. was only received
by us this morning, and it is, of course, absolutely impossible that we
could hold up the printing and the supplying of the Directory until
April when a quarter of the year has gone. Under these circumstances,
we pray as above that the Government will bring the G.O. No. 312 into
force only with next year's issue of the Directory.

II

Letter from the Superintendent of Stationery, R.O.C. No. 394-
Genl., dated the 5th April 1918.

With reference to G.O. No. 312, Home (Mis.) dated the 25th ultimo,
I have the honour to inform you that 168 copies of the Lawrence Asylum
Press Almanack for 1918 were received in this office for distribution
among the local offices and institutions entitled to its supply.

A copy each has already been issued to the Government Examiner
of Railway Accounts and the Superintendent, P.W. Stores and 26 extra
copies to the Chief Secretariat for distribution as follows:-

Reserve in the Chief Secretariat Library	..	10
Legislative Council Library	..	1
Home Department	..	4
Curator, Madras Record office	..	1
H. E. the Governor of Pondicherry	..	1
Secretary of State for India	..	9

Kindly state whether in these cases the reduction may be given effect
to from the issue for 1919.

3. Five copies for the Secretary to Govt., P.W.D., and 2 for the
Commissioner of Salt Revenue have already been received. Please state
whether only 4 copies are to be issued to the former officer and one to
the latter and whether the surplus copies may be returned to the publish-
ers together with the copies received for supply to the Deputy Commissioner
of Salt, the Excise Inspector of Railways, the Agricultural Engineer
and the Consulting Architect to Government.

Copies of the Lawrence
Asylum Press Almanack are
at present supplied to only
the three Dy Directors of
Agriculture shown in the
margin. The Director of Agre
is requested to report whether
in view of the fact that other
Dy Directors of Agre do not
get it and considering the
present financial stringency
the supply to these three officers
may also be stopped.

414. G.C. Re the reduction in the No of Copies of Lawrence Asylum Almanack supplied to Govt. To Under Secy

The Home Deptt. have in G.O. No 312 Home (Mis) Deptt 7 25-3-18 issued orders regarding the reduction of Copies of the Lawrence Asylum Almanack with reference to para 5 of G.O. 2183 7 19-7-17. In the Notes to the above G.O. the number of Copies of the Almanack that would be required by the Revenue Deptt and the Deptts under Revenue was discussed and the following reductions were proposed to be made:-

- (1) Rev Divl. Officers — 80 copies
 - (2) Board of Rev (L.R) — 2 "
 - (3) S - D - D (R.S) — 1 Copy
 - (4) Asst D of Agre, ^{Machaballe.} ~~Rayanada~~ — 1 "
 - (5) Revenue Sectt. — 1
- 85 copies

The Secy. (Hon'ble Mr Knapp) however expressed a ~~doubt~~ doubt as to whether the cutting off of the supply to Rev. Divl. officers would effect a substantial saving in the annual expenditure. But on Finl. Deptt pointing out that a substantial saving could be effected if the Copies to Rev Divl Officers were cut off the Secy agreed to the reduction.

2 The Manager, The Madras Times Printing and Publishing Co. Ltd. having ^{however} represented that the copies required for supply to the Govt. ^{during the current year} had been printed and supplied before the receipt of the G.O. the Govt. have ordered in G.O. No 417 Home (M) Sept 2-5-18, that the reduction will come into force with the next year's issue.

3 From the distribution list appended to the Home Dept G.O. it is however observed that the reductions referred to in items 2 to 5 ⁱⁿ para 1 of the notes supra have not been carried out. It has thus become necessary for this Dept to point out the further reductions that could be effected.

4 The supply of copies to the officers of the Agricultural Dept seems to require further examination. Copies are provided only for the following Dy Directors:-

(1) Dy Director of Agriculture Southⁿ Divn - 1

(2) ~~Dy Director of Agriculture Northⁿ Divn - 1~~

(3) Planting Expert, Bangalore - 1

The number of Dy Directors herein given refers to the conditions prior to the re-organization of the Dept in 1914. At the re-organization 7 Dy Directors have been sanctioned excluding the Planting Expert now known as Dy Dir of Agre - Planting Districts

In 1916, a Dy Dir of Agre - Live Stock has been added to the Cadre. There are thus nine appointments of Dy Dir's of Agre. Of these only 7 have been filled up. In 1917 the Director of Agre. Came up for the supply of a Copy of the Almanac to the Dy Director of Agre - Live Stock. But in G.O. 490 (Rev) 27-19-2-1917, the Govt., for the reasons stated in the notes to the G.O., ~~refused~~ did not comply with the request. No application has been made so far in respect of the others. The D.A. may now be asked to state whether in view of the fact that others do not get it, it is necessary to continue the supply to these three especially during this period of financial stringency. A draft B.M. is submitted below for approval.
