Madras.

Respected Sir,

I am the Editor of a "Weekly Tamil Paper" published since 1911. It has got 500, subscribers for the present though in previous years the number of subscribers amounted to 1200. It is the special organ of the Nattukottai-Chetty-Community. It is circulated in different parts of India, Burma, Ceylon, and Strait-Settlements. As chetty-community are traders and merchants living in different parts of India and as this paper reaches all of them mostly, it is necessary that all Proceedings of the Government of Madras should be published in our WEEKLY. Further it is a weekly-paper which has to publish news of importance and general-matters relating to the administration of the country.

So I request you to be good enough to oblige us by sending Proceedings to the Editors-Table.

I have the honour to be,

Home (Miscellaneous) - Department.

Sir,

I have the honour to resubmit the letter from the Editor of the "Vysia Mitran", Devakottai, received - with the Endorsement of Government No. 1714-1, dated the 6th June 1918 and to report that the paper has at present a circulation of about 500. It principally caters to the needs of the Nattukottai Chetti community and is freely subscribed for by the members of that community resident at the place and abroad. It has no pronounced political opinion and the tone of the paper is fair. Its Editor is a member of the same community, paying an Income tax of Rs. 56. His character, so far as the present Divisional Officer has been able to ascertain is good.

2. The Editor requires copies of all Government orders in the
merce and Industries Departments and on Income Tax matters and would
so be glad to be given general privileges. A further statement sent
y him to the Divisional Officer is enclosed. The Divisional Officer
eommends, and I support his recommendation, that the Editor's request may
e complied with as far as possible.
